BECAUSE IT'S NOT ACTUAL LAND...

うおおおおお

*NOTE: ZOU IS THE JAPANESE WORD FOR ELEPHANT!

...THEN BLACK-LEG'S TEAM MIGHT HAVE GOTTEN THERE...

...LONG BEFORE WE DID.

IF IT'S HEADING AWAY FROM US...

CAN YOU GIVE US SOME OF YOUR FOOD SUPPLIES?

THAT'S RIGHT. PREPARE TO DISEMBARK.

SO WE'VE BEEN CHASING DOWN AN ELEPHANT THAT WAS MOVING AWAY FROM US THE ENTIRE TIME.

ドーン

IT'S AN ELEPHANT !!!

AAAGH !!!

WHAAAT ?!!

THAT'S RIGHT. ZOU'S THE NAME OF THE PLACE THAT FLOURISHED ON THE BACK OF AN ELEPHANT.

IT'S ON THE MOVE AT ALL TIMES... A MYSTERIOUS, ELUSIVE ISLAND THAT NEVER STAYS IN ONE PLACE...

WHAAAT?!! IS IT... ALIVE?!

ゴゴゴゴゴ…

...FOR AN ENTIRE MILLEN-NIUM?!!

THAT ELE-PHANT'S BEEN ALIVE...

トリ!!

I ONLY HOPE THAT MOMONOSUKE IS SAFE!!

SO THIS IS ZOU!! SO MANY TRULY ODD AND EERIE THINGS CAN BE FOUND OVERSEAS!!

WAIT! I'VE HEARD THAT ZOU IS HOME TO SOME MAN-HATING PEOPLE...

A THOUSAND YEARS?! ON THE BACK OF AN ELEPHANT?!

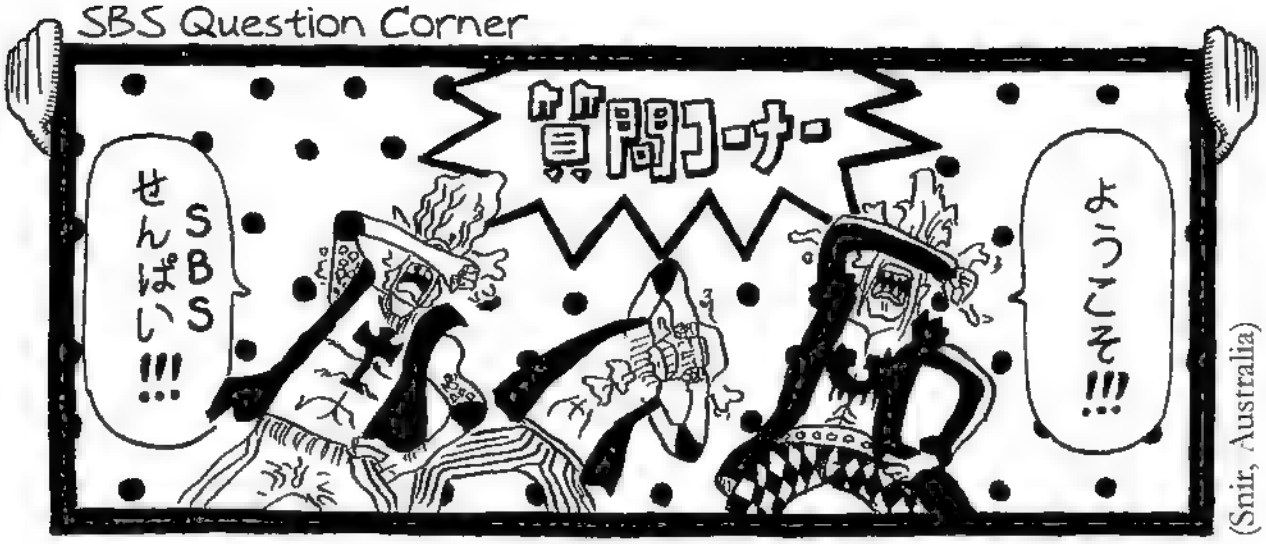

THEY'VE BEEN KEEPING HUMANKIND AWAY FROM THEIR HOME HERE FOR NEARLY A THOUSAND YEARS, I HEAR.

THAT'S RIGHT, THE *MINKS.*

...

...!!

THEN THAT MEANS...

(Snir, Australia)

Q: In the flashback to the Corrida Coliseum in Chapter 794, Luffy says, "Bwat hadda gug thod yuza deah!!! Whah kuh bom da flubba ahh ga ueaahh!!" What exactly is he trying to say? If I could interpret, it would be "What the hell, I wanted to spend so much more time with you!!! Man…Odacchi's obsession with big boobs is crazy, right?" Is that correct?

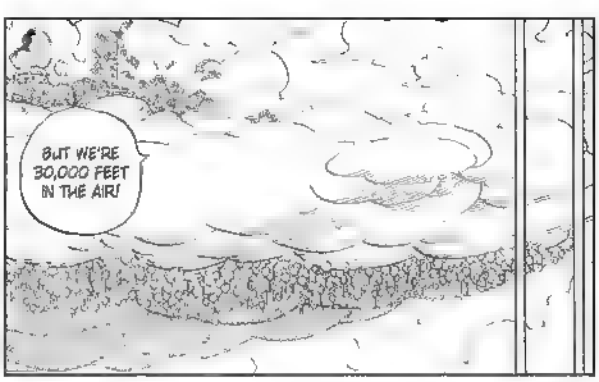

--Shuntamu from Kumamoto

A: Bzzt, wrong. The latter part was so wrong, it practically defies belief. The correct answer is this: "What the hell, where have you been all this time?!! I was so sure you were dead. I'm so glad. By the way, Odacchi's obsession with big boobs is crazy, right?"

Q: Mr. Oda! Heso! I noticed that the ruined island Balloon Terminal that Urouge was on recently had a ton of balloons stuck to it... Is it floating with the power of the balloons?!

--Kamiki

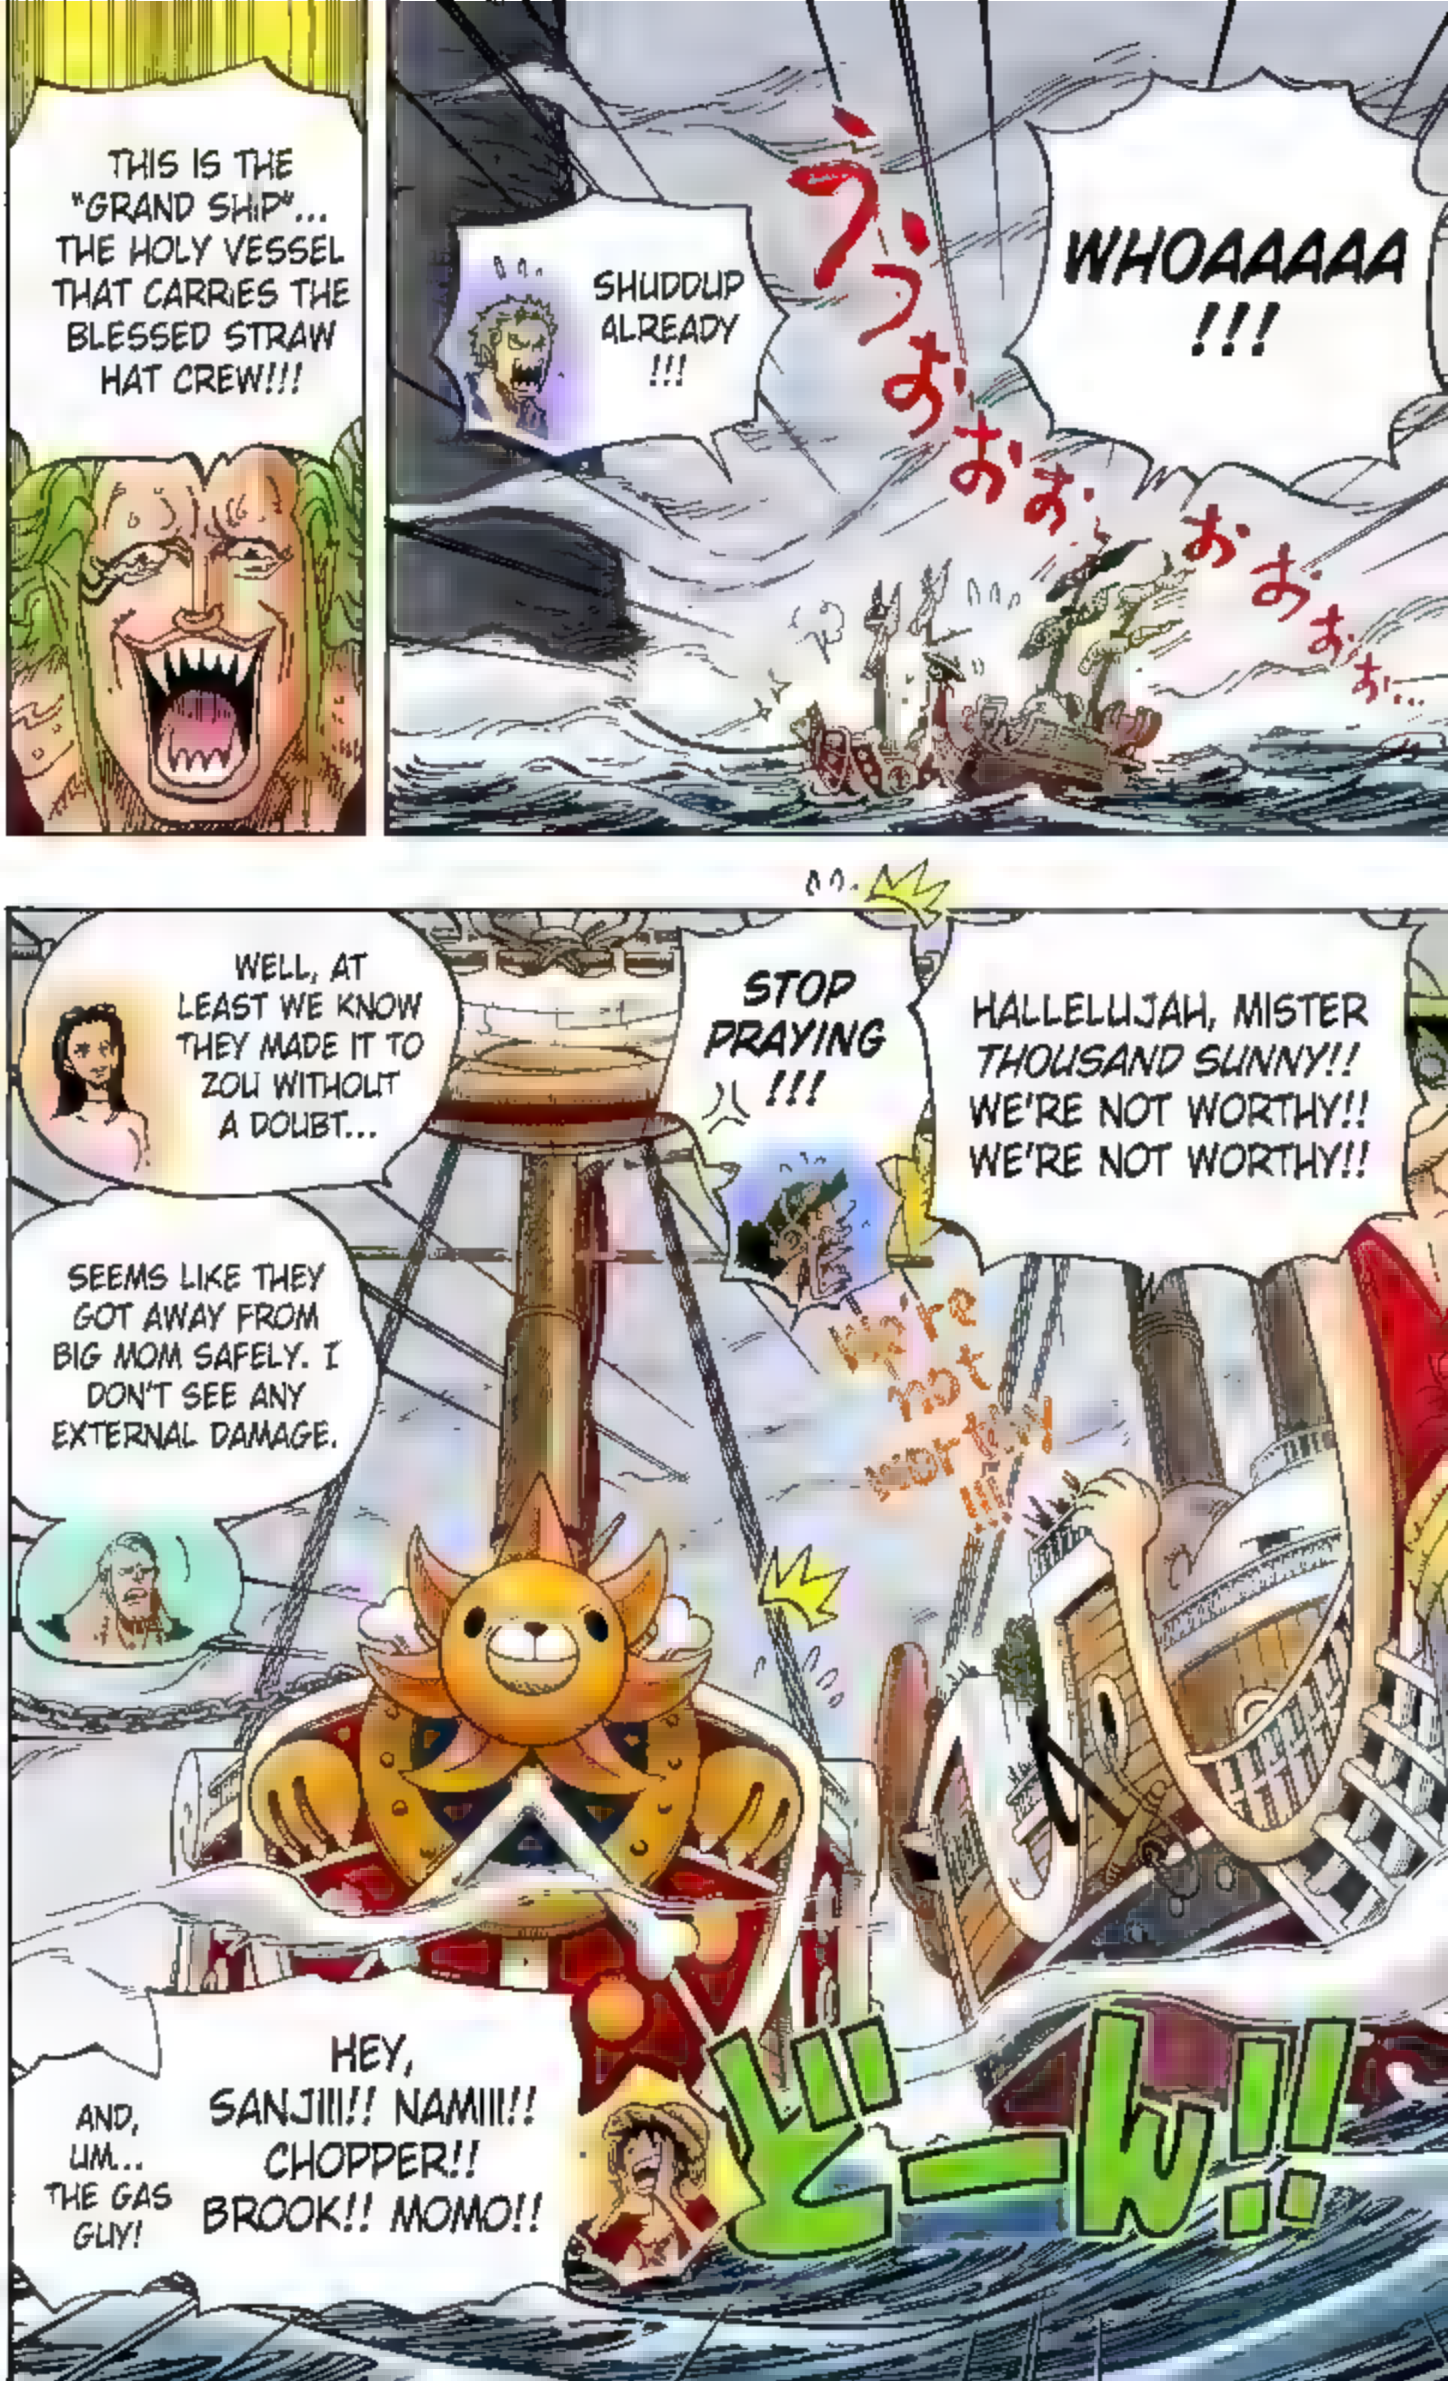

A: You were looking very closely (^ ^). That's right! Balloons are packed full of helium gas, the very personification of the "desire to fly." We've all seen what happens when a child lets go of a balloon and it flies away to much crying and screaming. So where do those balloons go? That's right: to this, the final destination of all balloons, Balloon Terminal. It's a sky island born from the carelessness of children, wandering the skies. At one point a culture flourished atop it, then died out, but it still flies on.

(Hippo Iron, Saitama)

Q: So why do all the nobles of Goa Kingdom (aside from Sabo) and the Celestial Dragons (aside from Dofy and his family) look so ugly? Is it because they're so ugly on the inside? Knowing you, there's a verrrry deep reason, so I would love to hear it.

--Neverending Summer Vacation Homework (cry)

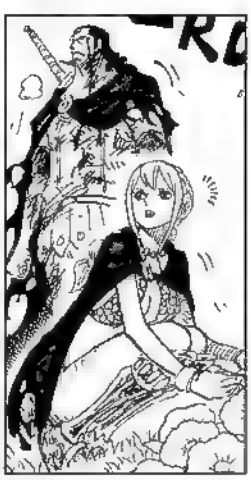

A: Well, you see,

I really hate those guys!!

The way they abuse their power like that! I don't understand what makes them so special. Well, if they're not going to have a shred of kindness and decency, then I'm gonna draw 'em with weird faces!!! ...Oh! Sorry. I got carried away there.

Q: After the fight with Diamante, I thought it was odd that Rebecca's cape was so torn, given that Robin was keeping her safe. Upon closer look, it seems that she ripped it up to tend to Kyros's wounds. Aren't you worried this might be a little too sexy?

--Peko

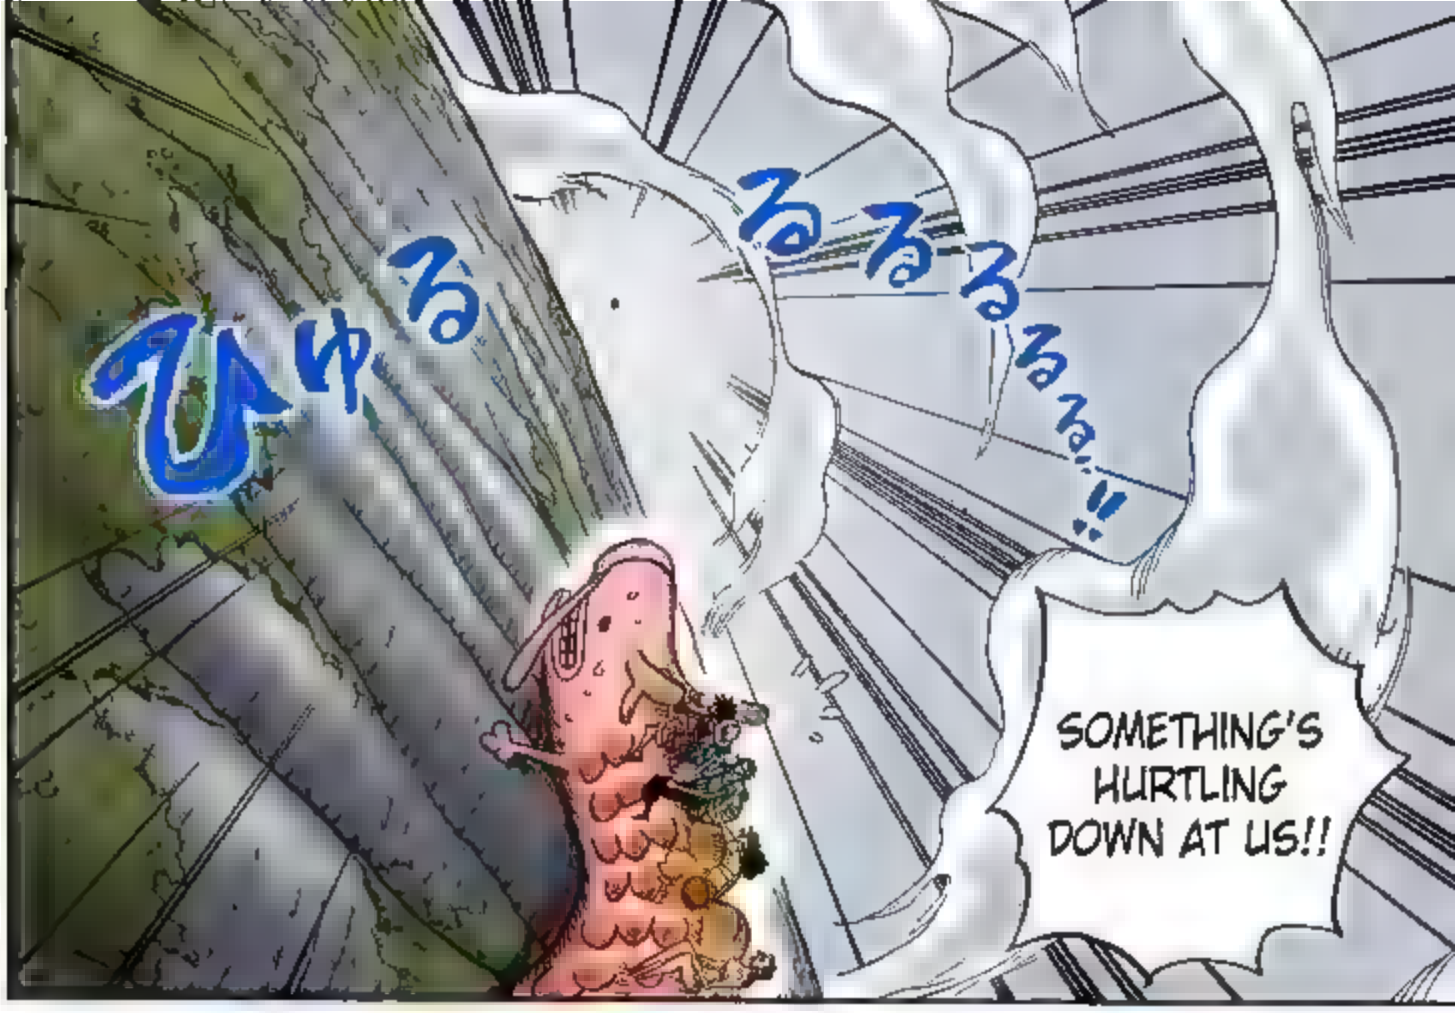

A: I am in admiration of your imagination and observation! That's right. Rebecca used her cape to staunch the bleeding for Kyros. At first, I was going to have her use a lot more of her cape for first aid, but it was really getting much too sexy! So I held back and only ripped half as much of her cape!! Whew, that's better!! Rebecca really needs that cape!!

SBS Question Corner

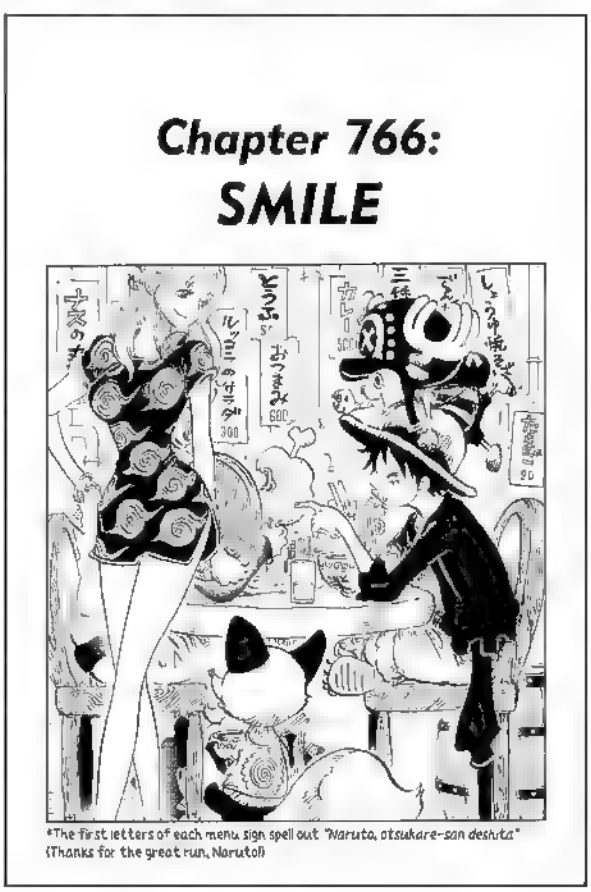

(Hayato Asami, Kanagawa)

Q: Hello, Oda Sensei. I noticed that on the cover page of Chapter 766, if you read the top character on each menu item from left to right, it spells out (redacted). Also, there's (redacted), (redacted) and (redacted)!! This chapter was in the same issue of *Weekly Shonen Jump* as the final installment of *Naruto*, right? I guess it must have been a very special manga for you.

--Gokira

A: Yes, you're right about that. But it is a "hidden message," you see, and I'm not going to reveal my secret on my own, so I chose to omit the answer from this letter. But I did get many curious questions from people who only read the collected volumes, so I decided I ought to explain the situation and my thoughts on it. Of course, I'm sure everyone knows about the ninja manga named Naruto, which concluded its run after fifteen long years in Shonen Jump. The cover of the One Piece chapter from that final issue was this. ➡ There are a number of messages hidden in it. Many people seem to think that One Piece and Naruto are enemies, but as a matter of fact, I've been a close friend of Masashi Kishimoto, the author, for years (laughs). With how fierce the competition is to stay in the pages of Jump, I was delighted to have company for so long. It also helps that we're the same age. At this moment, Kishimoto has escaped the hell of weekly serialization and is kicking back, doing a bit of work here and there, and generally relaxing and enjoying himself. (^ ^)

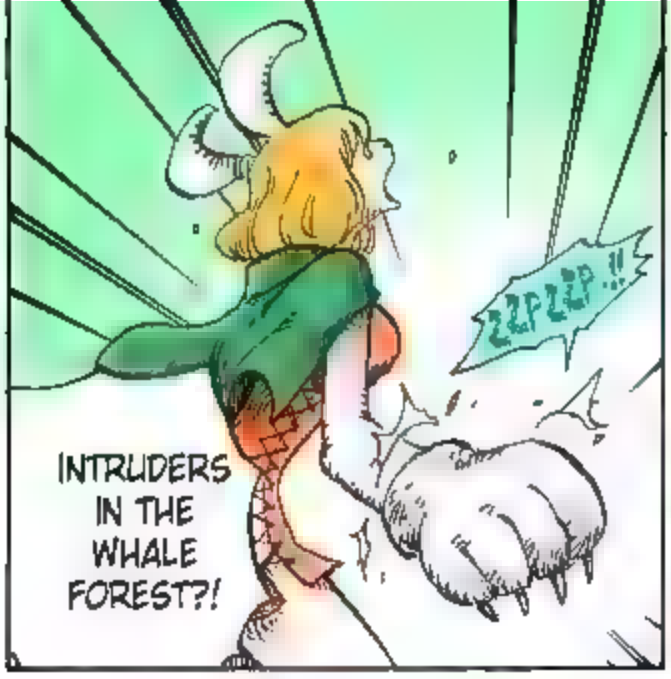

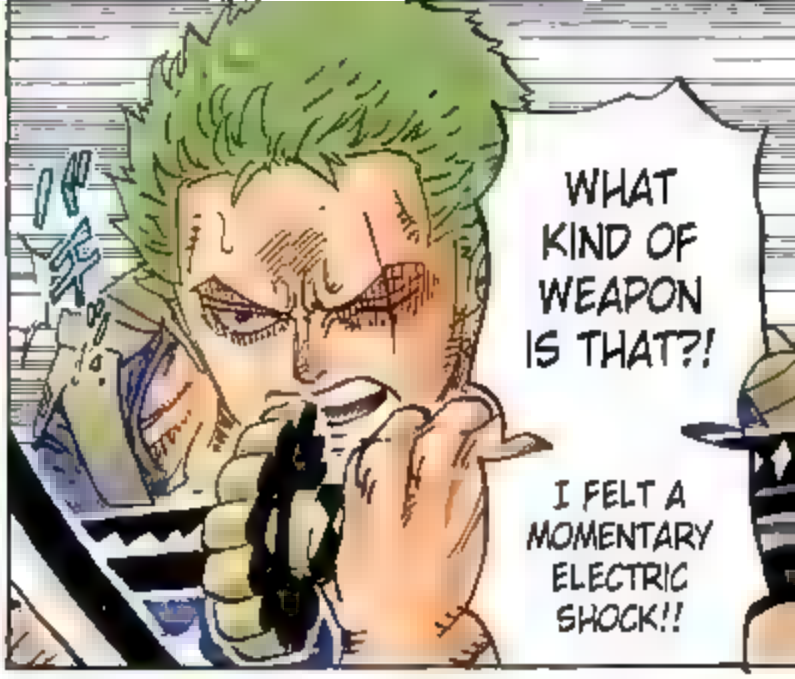

*The first letters of each menu sign spell out "Naruto, otsukare-san deshita." (Thanks for the great run, Naruto!)

SBS Question Corner

(Michi Nakahara, Tottori)

Q: Hello. I'm having trouble understanding the general world layout of *One Piece*. New World, East Blue, Red Line--I don't get where the heck these things are in relation to each other. Can you explain this in an easy-to-understand way, like with a globe or something?

--Caterpillar

A: Wow...talk about a fresh question!! Yes, I suppose it doesn't add up much, does it? I'm sorry for drawing such an unhelpful manga. So for new readers, we put together a guide to the World of One Piece at the end of the book! Check it out, if you want!!

Q: Hi, Mr. Oda. I'm curious about the names of some new characters from Volume 78. Please introduce us to the doctor begging for help, the little granddaughter, and the grandma who told her to run ahead and leave her behind.

--Person

A: Here they are.

Doctor
Needa Hand
(Hobby: Guitar)

Elderly Woman
Stella Live
(Former Dancer)

Grandkid
Staya Live
(Future Dancer)

Q: I can make out most of them, but can you give us a rundown of who wrote each autograph on page 115 of Volume 80?

--Also, Who Were They For?

A: The five crew members made these autographs for Bartolomeo, of course.

Luffy Zolo

Usopp ("To Bartolomeo," a profile of his own head, "Usopp")

Franky ("To my bro," star symbol, "Franky")

Robin ("Nico Robin," drawing of a rooster)

ACTUALLY, THERE WAS HOPE...

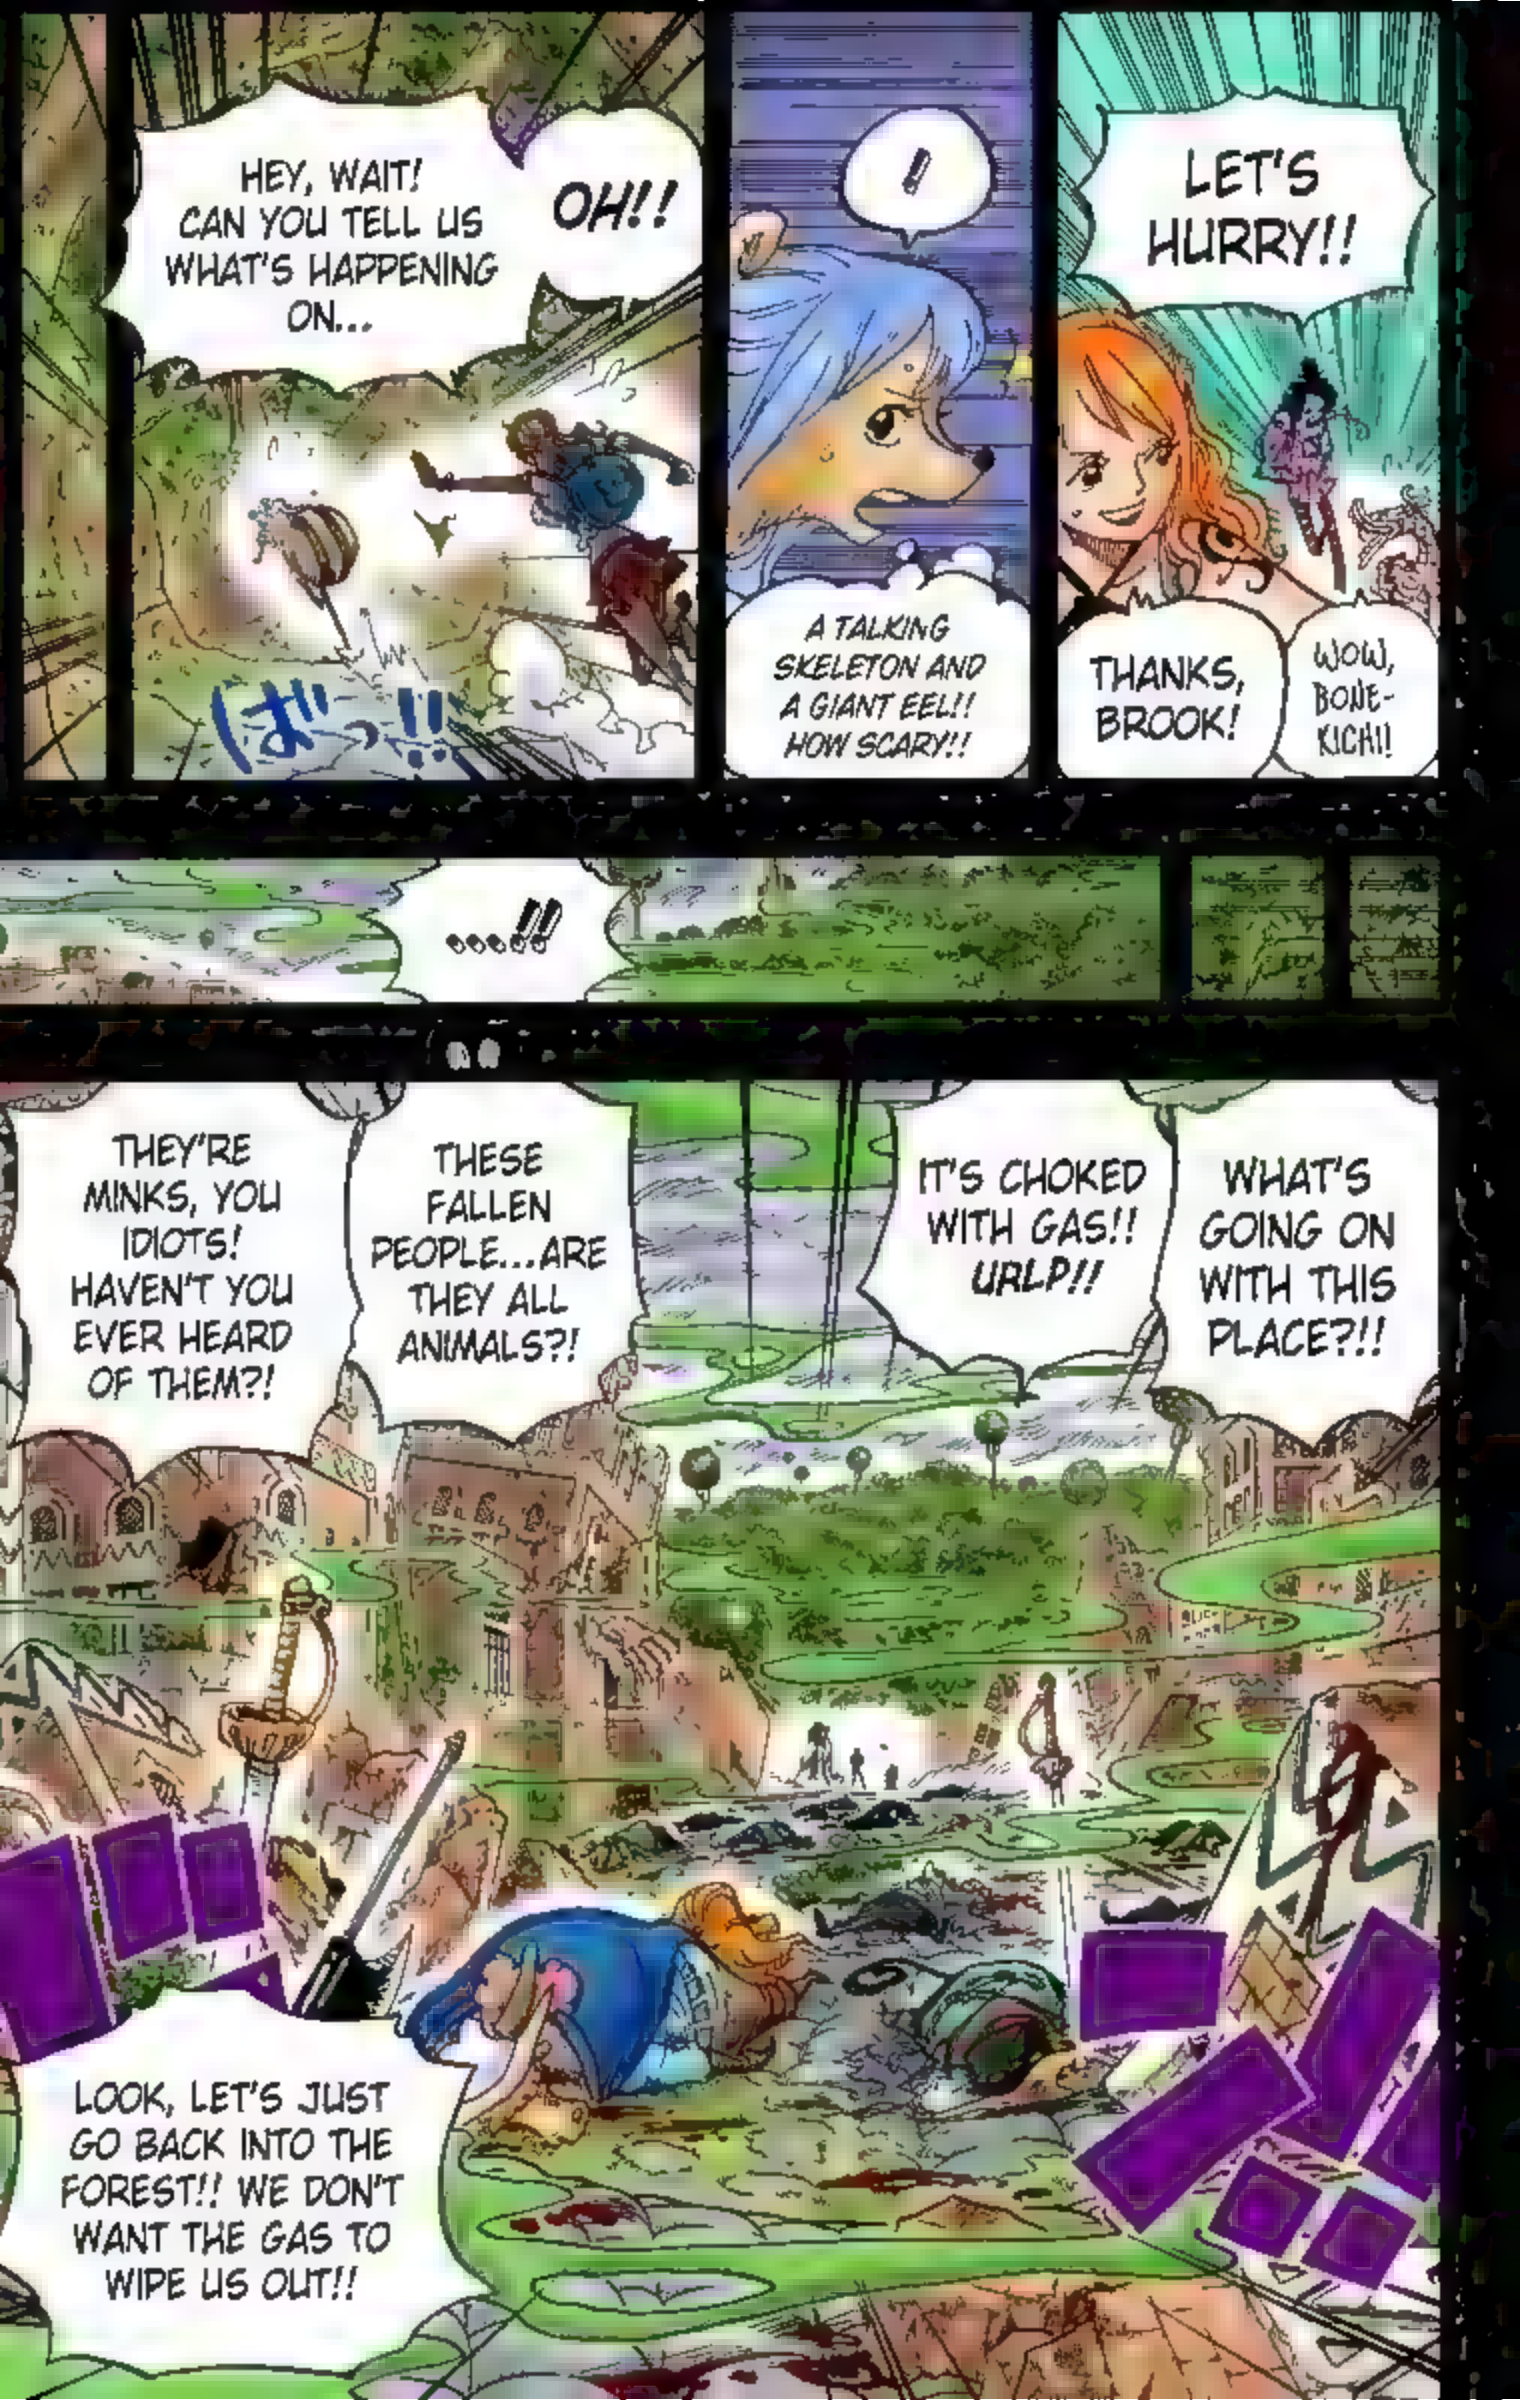

THEY MUST BE BOUND BY SOME DEEP CONNECTION.
JACK LEFT THIS PLACE IN ORDER TO RESCUE DOFLAMINGO FROM CAPTIVITY.

CAESAR'S WEAPON DID THIS?!
THIS IS DREADFUL!
AT LEAST CAESAR MANAGED TO ERASE THE GAS.
GIVEN THAT THEY WOULD DO SOMETHING AS DRASTIC AS *THIS*...
...THE ENEMY COULD EASILY STILL BE HIDING IN GREAT NUMBERS SOMEWHERE.
...WE MIGHT END UP REGRETTING IT IN THE END!!
IF WE SAVE THEM...

ACCORDING TO GASSY, THE MINKS ARE A FEROCIOUS RACE...

BUT AS FOR JACK'S OBITUARY...

...ON CAT VIPER, THE KING OF THE NIGHT, AND THE GUARDIANS OF THE WHALE FOREST!!
NOW THAT IT'S NIGHT, I'M OFF TO DO MY EXAMINATIONS ...

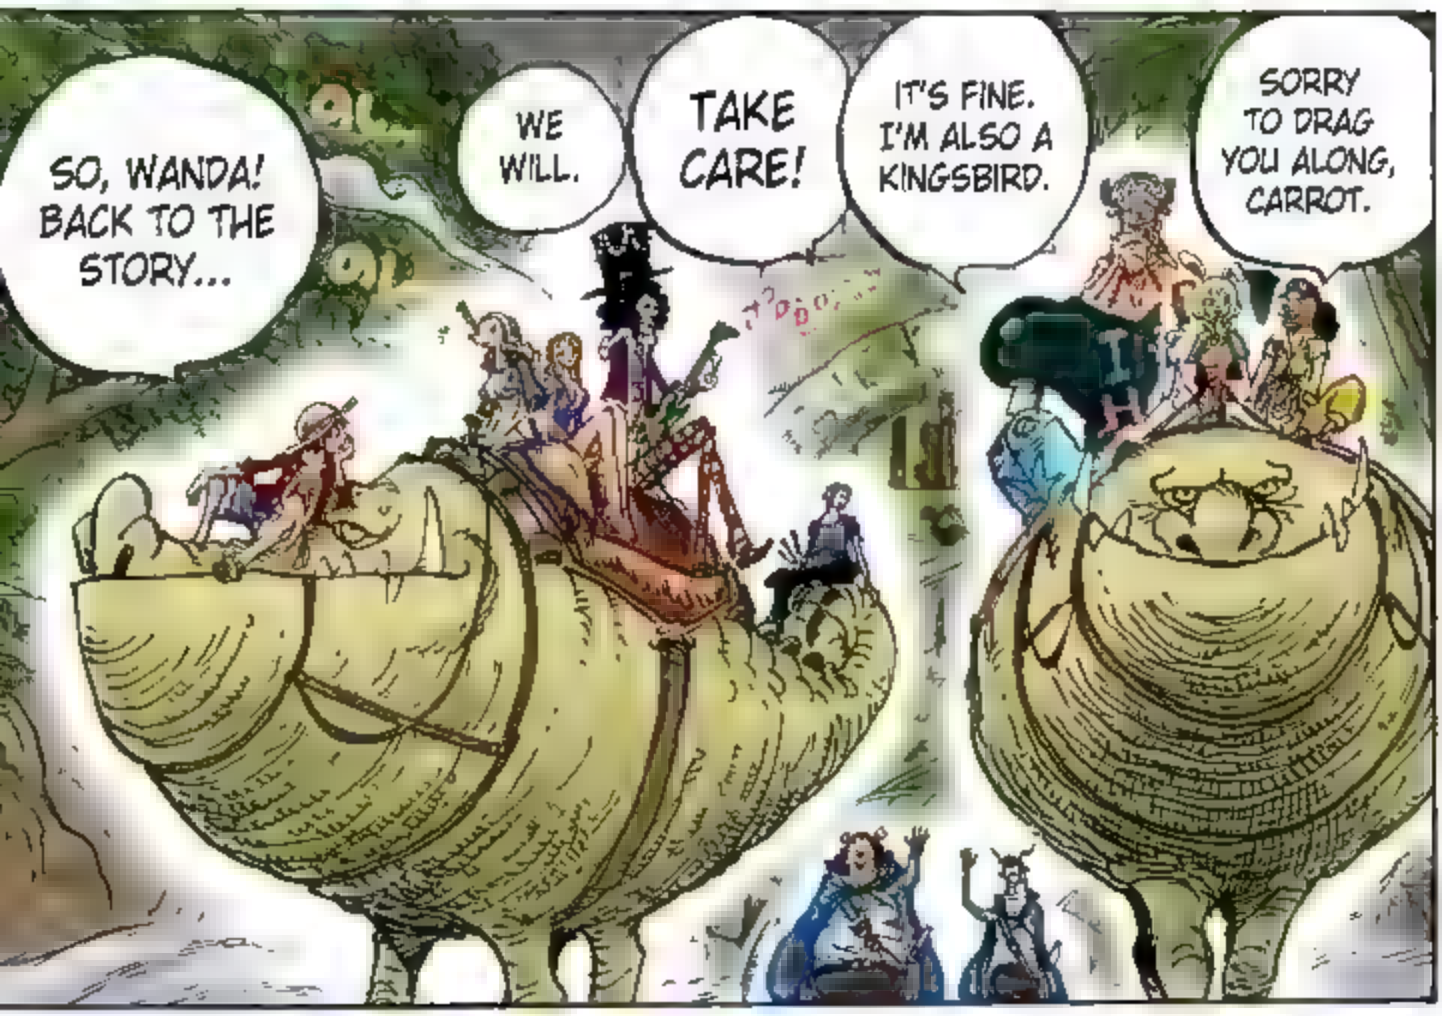

I AM A SPECIAL OFFICER KNOWN AS A KINGSBIRD WITH A UNIQUE STATUS...
...ISN'T IT YOUR BEDTIME TOO?
SPEAKING OF WHICH, WANDA...
IN THAT CASE, TAKE WARNEY.
...THAT ALLOWS ME TO ACT AS A GO-BETWEEN FOR THE TWO KINGS, DAY AND NIGHT.

AHH, THE CAT VIPER!! I AM VERY FOND OF THAT FELLOW!! I SHALL JOIN YOU!!

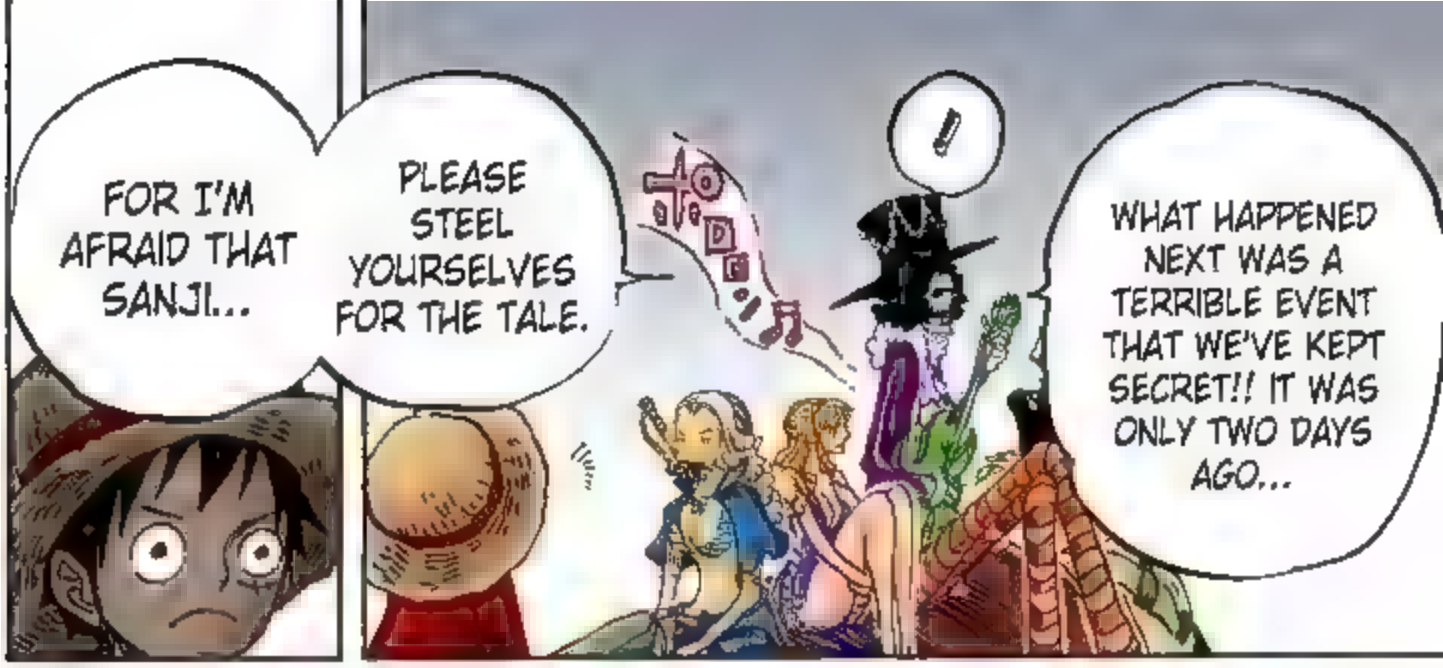

CAT VIPER!! I WANNA MEET THAT GUY TOO!!

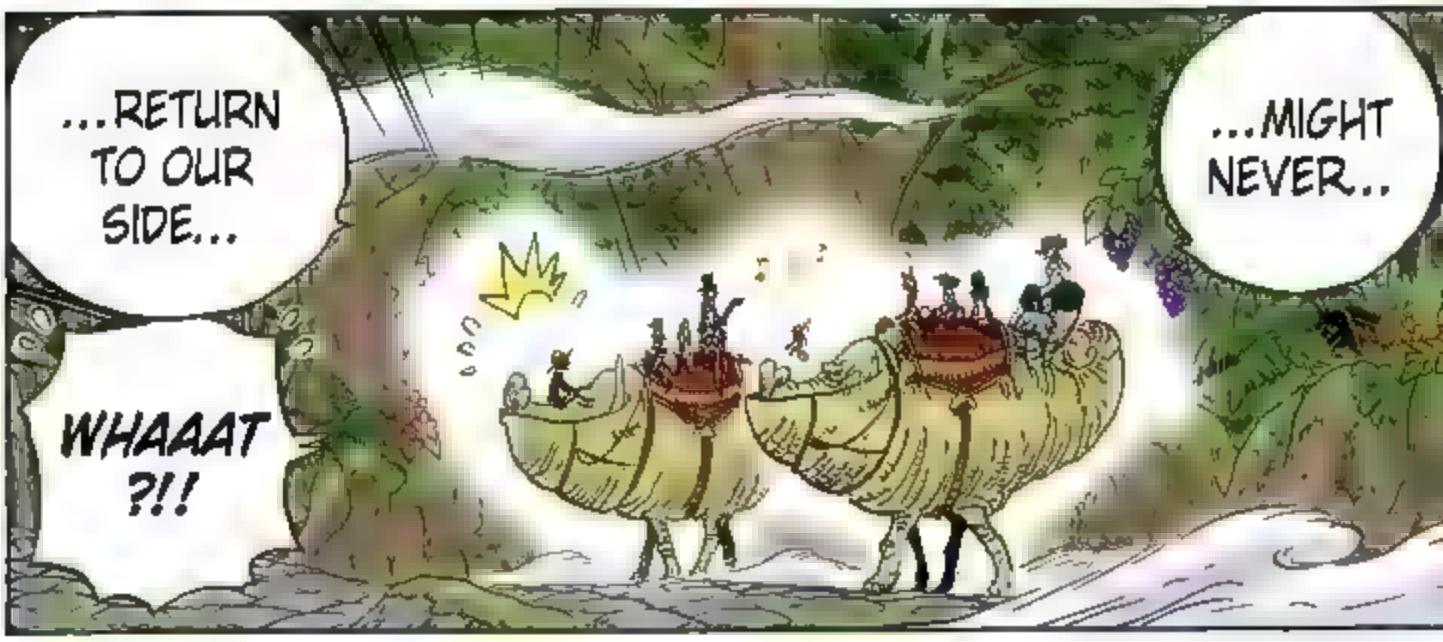

I NEED TO SEND THE MESSAGE THAT DUKE DOGSTORM IS ALIVE AND WELL...
I'M SURE HE WILL CLAIM HE DIDN'T CARE... HA HA.

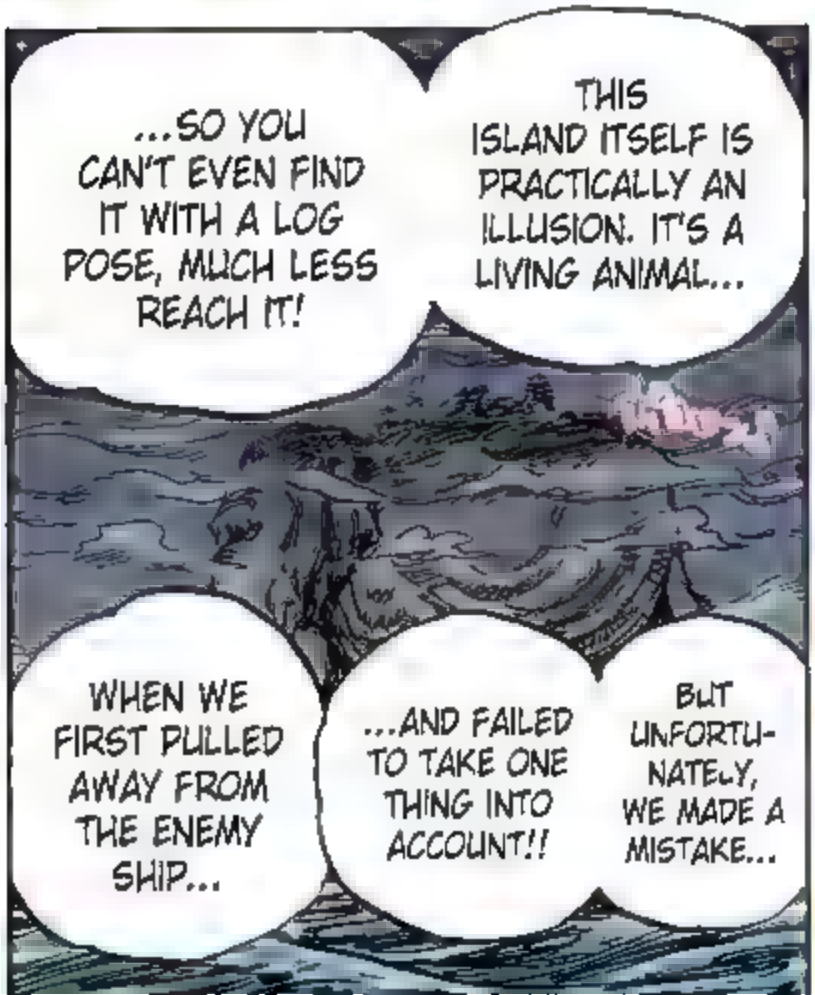

...BUT FORTUNATELY, THE CLOUDS ARE THICK.
??
IT IS A FULL MOON TONIGHT...

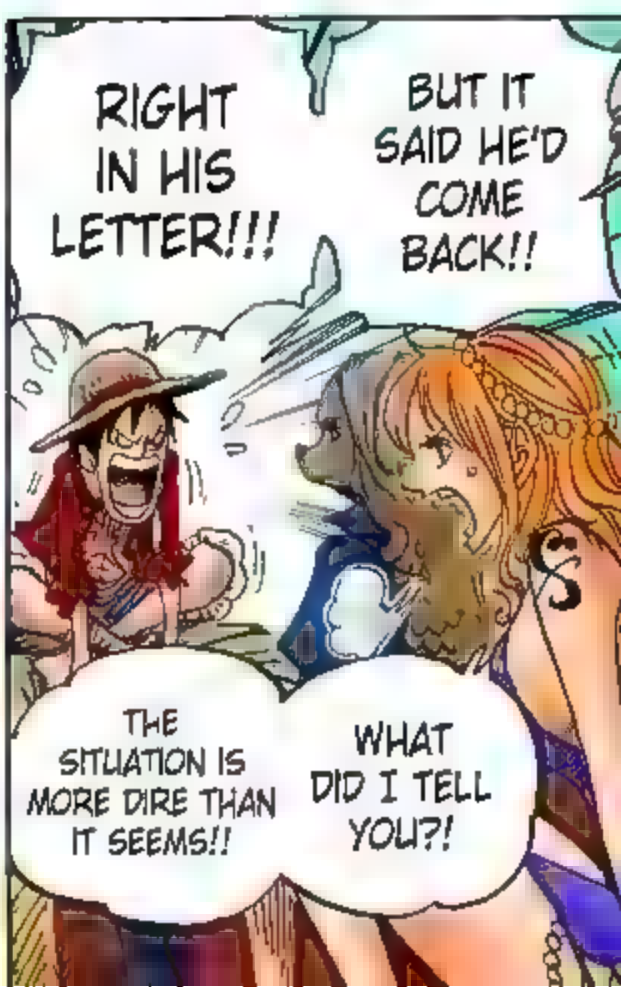

SO, WANDA! BACK TO THE STORY...
WE WILL.
TAKE CARE!
IT'S FINE. I'M ALSO A KINGSBIRD.
SORRY TO DRAG YOU ALONG, CARROT.

THIS ISLAND ITSELF IS PRACTICALLY AN ILLUSION. IT'S A LIVING ANIMAL...

BUT IT SAID HE'D COME BACK!!
THE SITUATION IS MORE DIRE THAN IT SEEMS!!
WHAT DID I TELL YOU?!

...WAS A RESIDENT OF THIS MYSTERIOUS ISLAND!!
AND ON THAT SHIP...

IN OTHER WORDS...TWO DAYS AGO, THE BIG MOM PIRATES APPEARED HERE...

(Yuki Yokohara, Kanagawa)

Q: Greetings, Oda Sensei! In Chapter 800 of Volume 80, I noticed that the sails of some of the Yontamaria ships said *3 Tamaria* (San Tamaria) and *2 Tamaria* (Ni Tamaria). Since *yon* means "four," are these a representation of the rank of the ships? Does Columbus ride on a 3 Tamaria? Also, is the insignia of the egg taken from the concept of the "Egg of Columbus"?

--Samurai Ryota

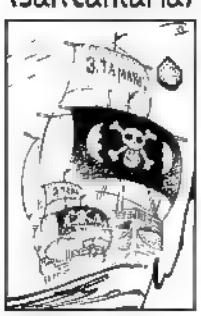

A: Good call. That's right: there are three ranks of ships in the Yontamaria Fleet. There are 50 *Nitamaria* ships that take the lead, another five *Santamaria* ships that are slightly larger, and the biggest one is the mothership, *Yontamaria*.

(Nitamaria)

(Santamaria)

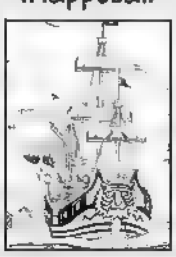

(Yontamaria)

(Happosai)

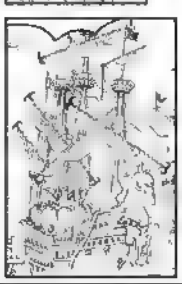

(Ipposai)

Meanwhile, Sai's Happosui have one big *Happosai* and seven armored *Ipposai* ships.

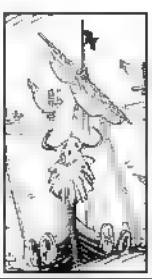

Cavendish leads the *Sleeping Forest White Steed*.

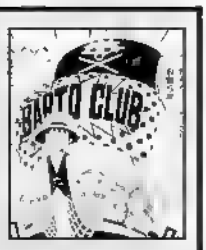

Hajrudin's Viking-style *Nagifar*.

Bartolomeo's weird ship.

Ideo and Leo don't have ships, so Ideo caught a ride with Orlumbus. Of course, you don't need to remember any of this information!

Q: I would like to be an excellent manga artist like you, Odacchi. So my question is, what do I need to be a manga-ka? Please teach me how to draw. Please, please, please.

--Iku

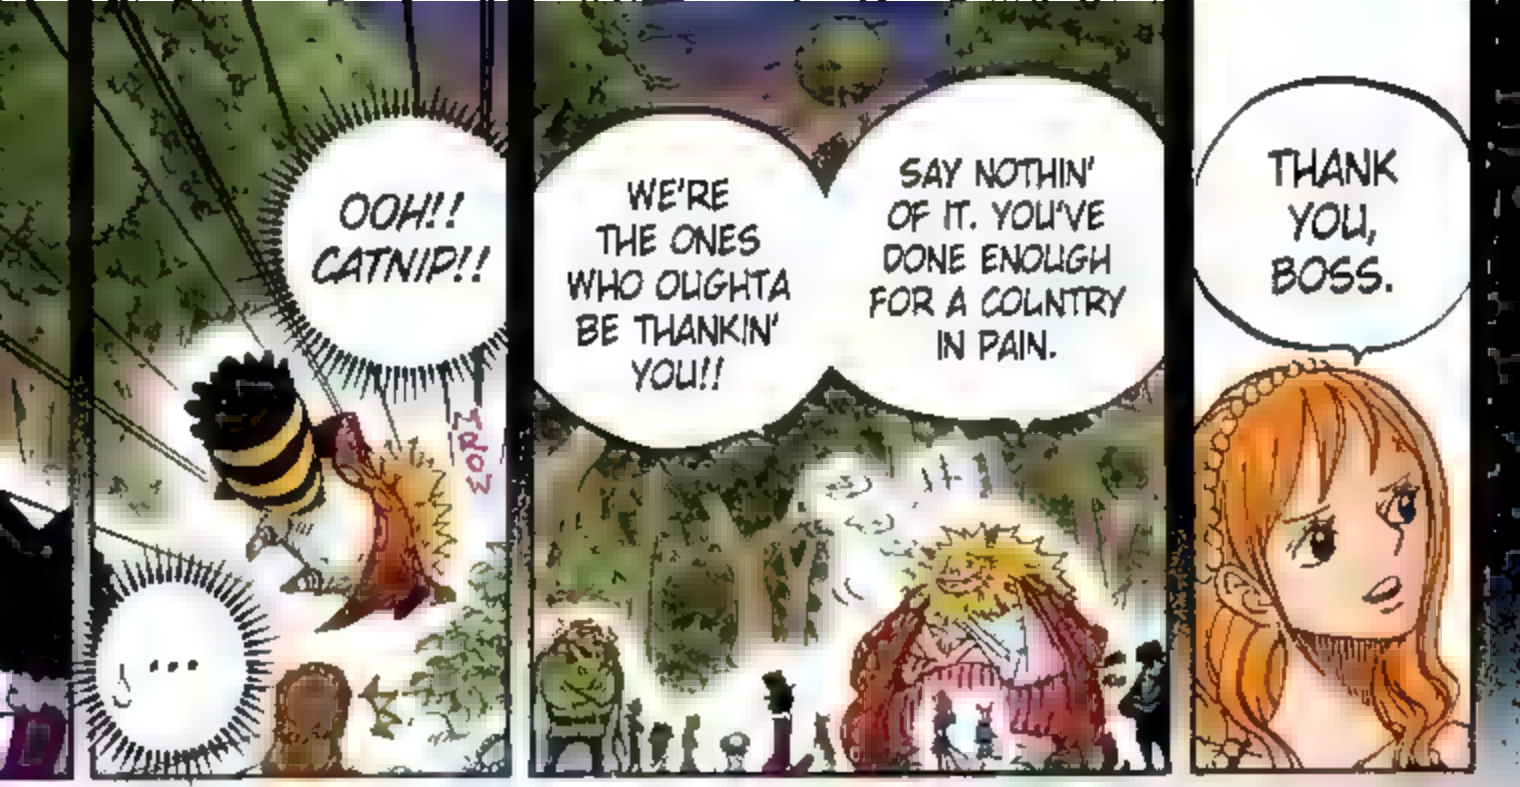

A: Oh, geez, what was that, "excellent"? Can you say it one more time? I just need to hit the "record" button. Anyway, I get a lot of these requests. It's a difficult thing to answer in the SBS, but in Japan recently, they came out with something called *Jump-ryu!* (Jump Style). They're magazines with DVDs containing footage of artists drawing their manga, which may or may not help you. As a matter of fact, these publications are put together by a former *One Piece* editor, Habu-yan. If it hadn't been by his request, I never would have allowed them to film such a thing (*laughs*). It's quite a rare opportunity, and I myself would like to check out some of the other artists involved, so check it out! I'm sorry if it's a little bit too expensive for you, Iku.

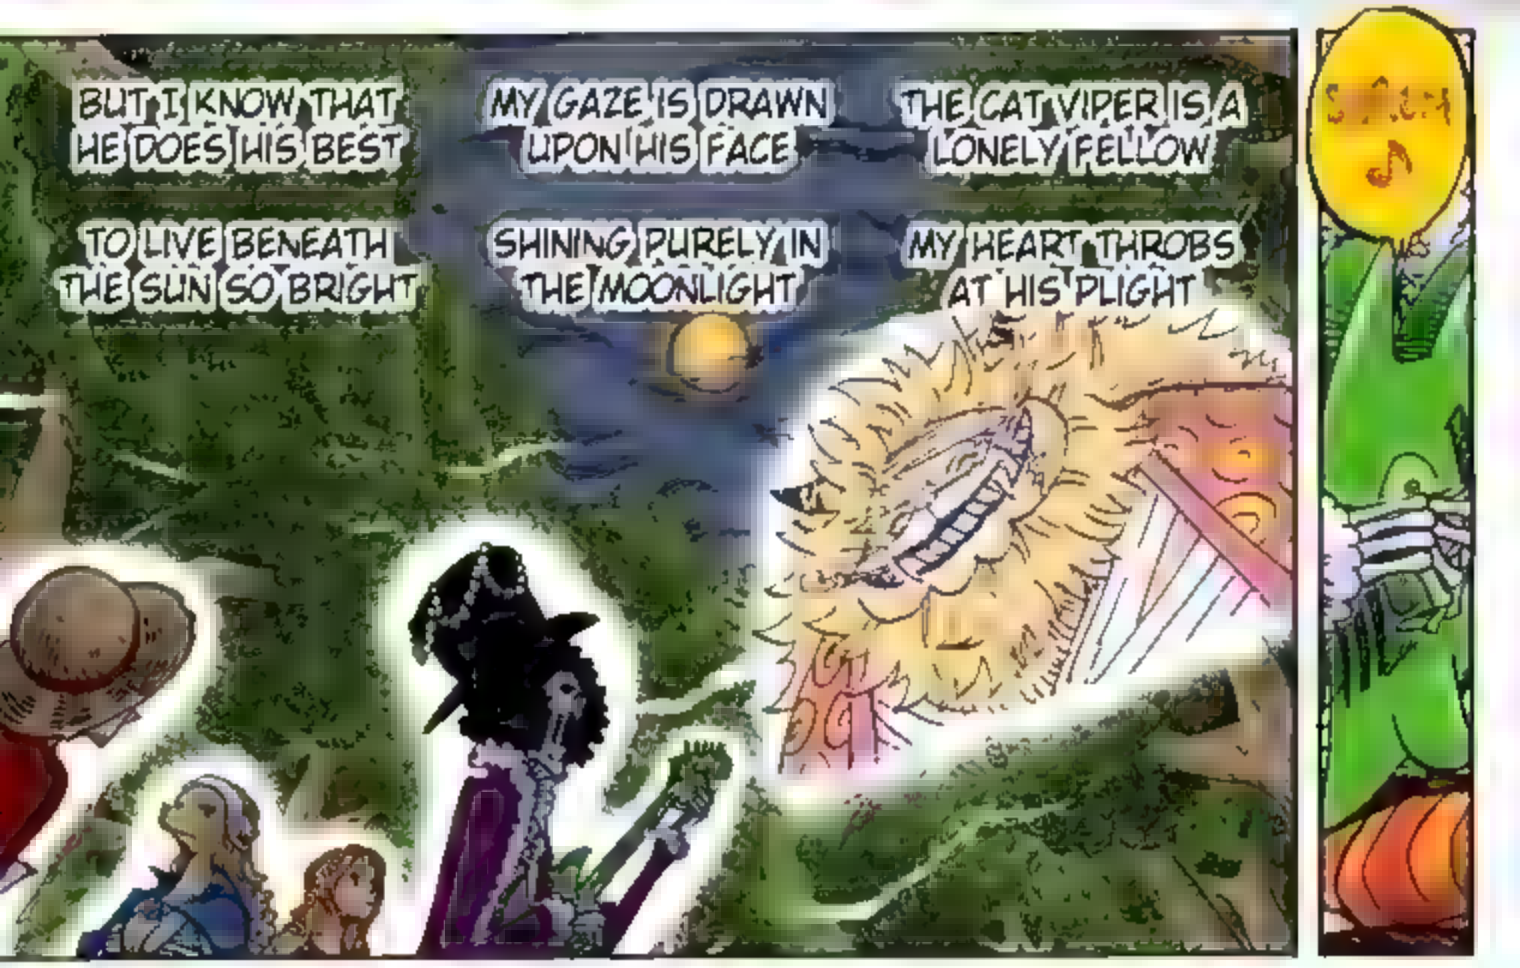

Chapter 814:
LET'S GO SEE THE CAT VIPER

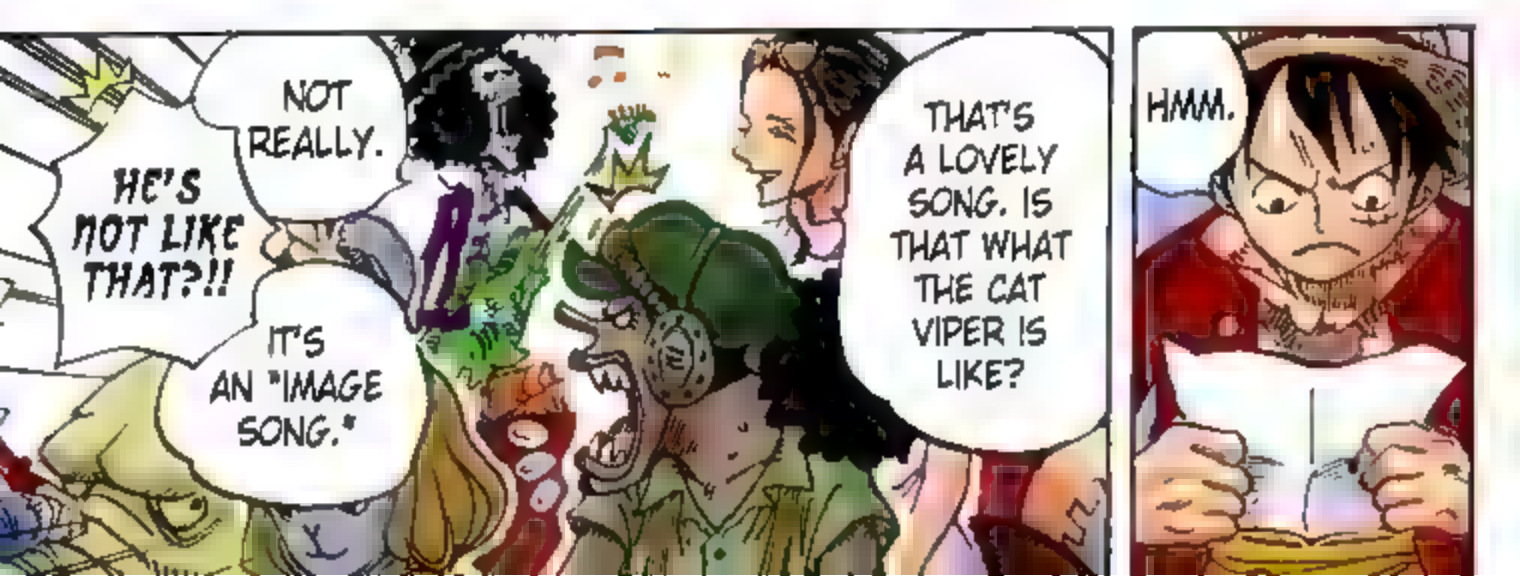

DECKS OF THE WORLD, 500-MILLION-MAN ARC,
VOL. 8: "DRUM KINGDOM--NEW DESIGN FOR THE
SOLDIERS' HELMETS"

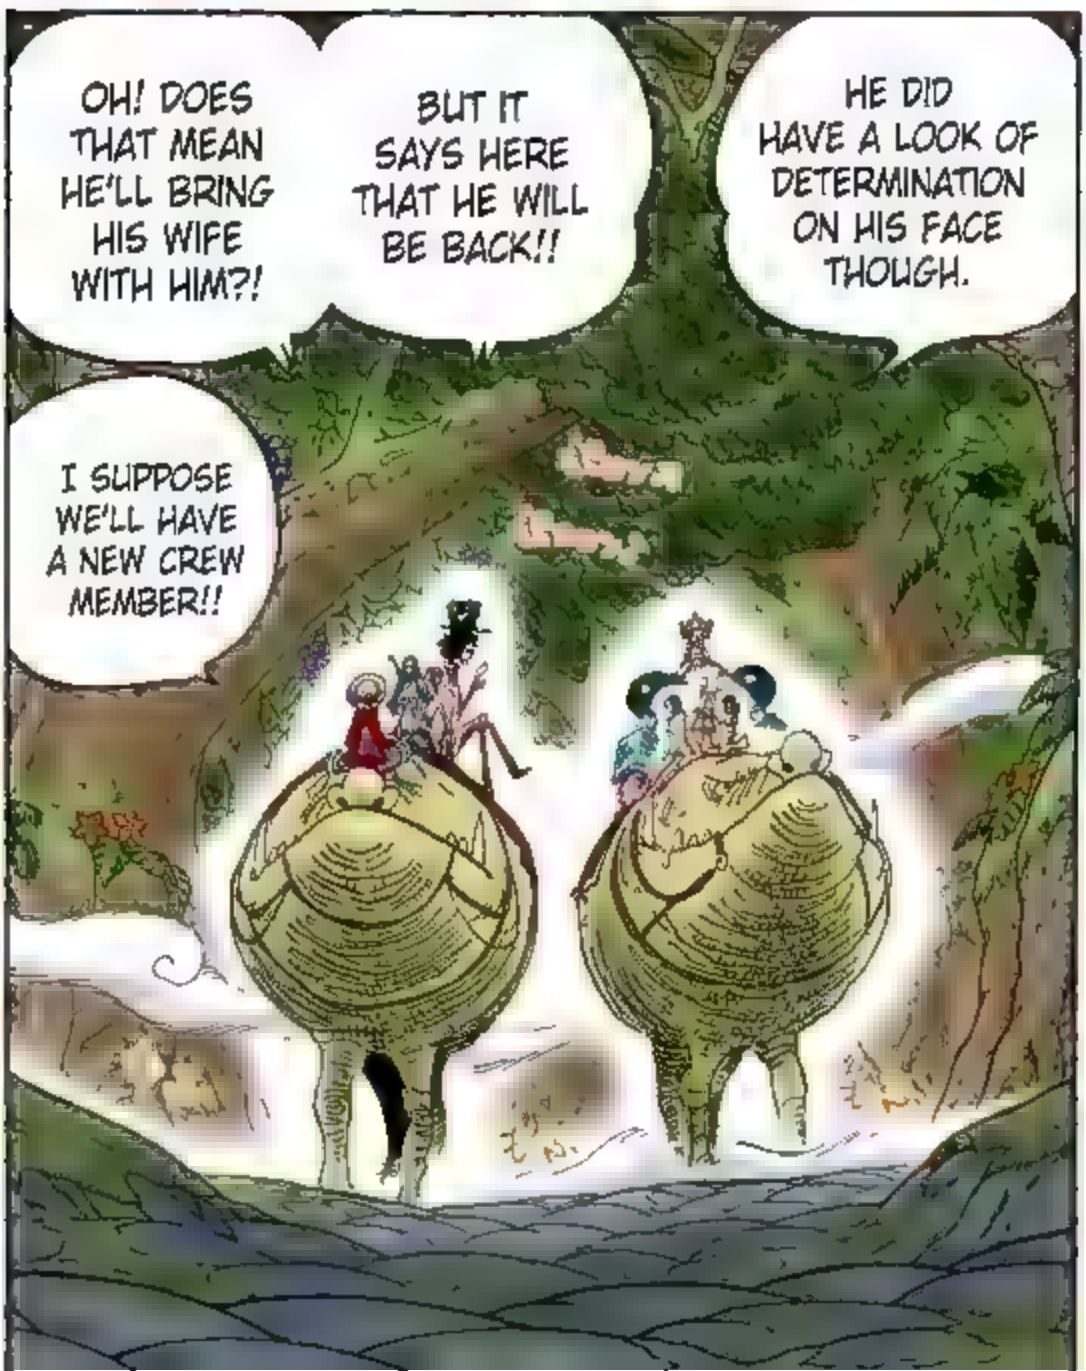

TO MEET THE CAT VIPERRR♪ WE SHALL GOOO...♬
AH, LET'S GO SEEEE♪ THE CAT VIPERRRR...♬
COULD THAT FELLOW HAVE TAKEN THEM AWAY...?
NO, IT WAS HIS OWN DECISION!!
?!
NAMI!! IT SEEMS THAT SANJI AND CEDAR ARE GONE!
TAKE A HINT.
!
I'LL MANAGE PEKOMS HERE! DON'T WANT THE DAY FOLKS WORRIED OVER NOTHIN'.
THEY'RE SAYIN' THEY WANT YOUGARA TO FORGET THIS HAPPENED.
WANDA! CARROT!

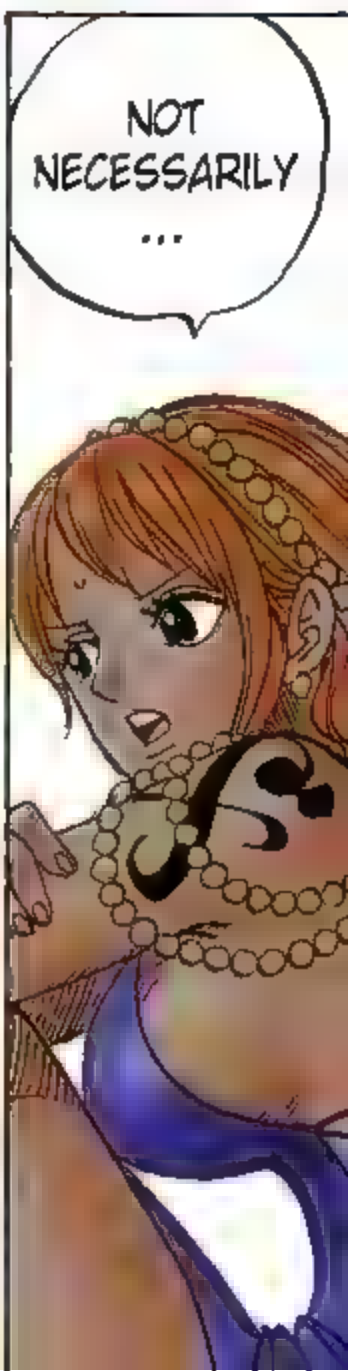

OOH!! CATNIP!!
ZORI
...
WE'RE THE ONES WHO OUGHTA BE THANKIN' YOU!!
SAY NOTHIN' OF IT. YOU'VE DONE ENOUGH FOR A COUNTRY IN PAIN.
THANK YOU, BOSS.

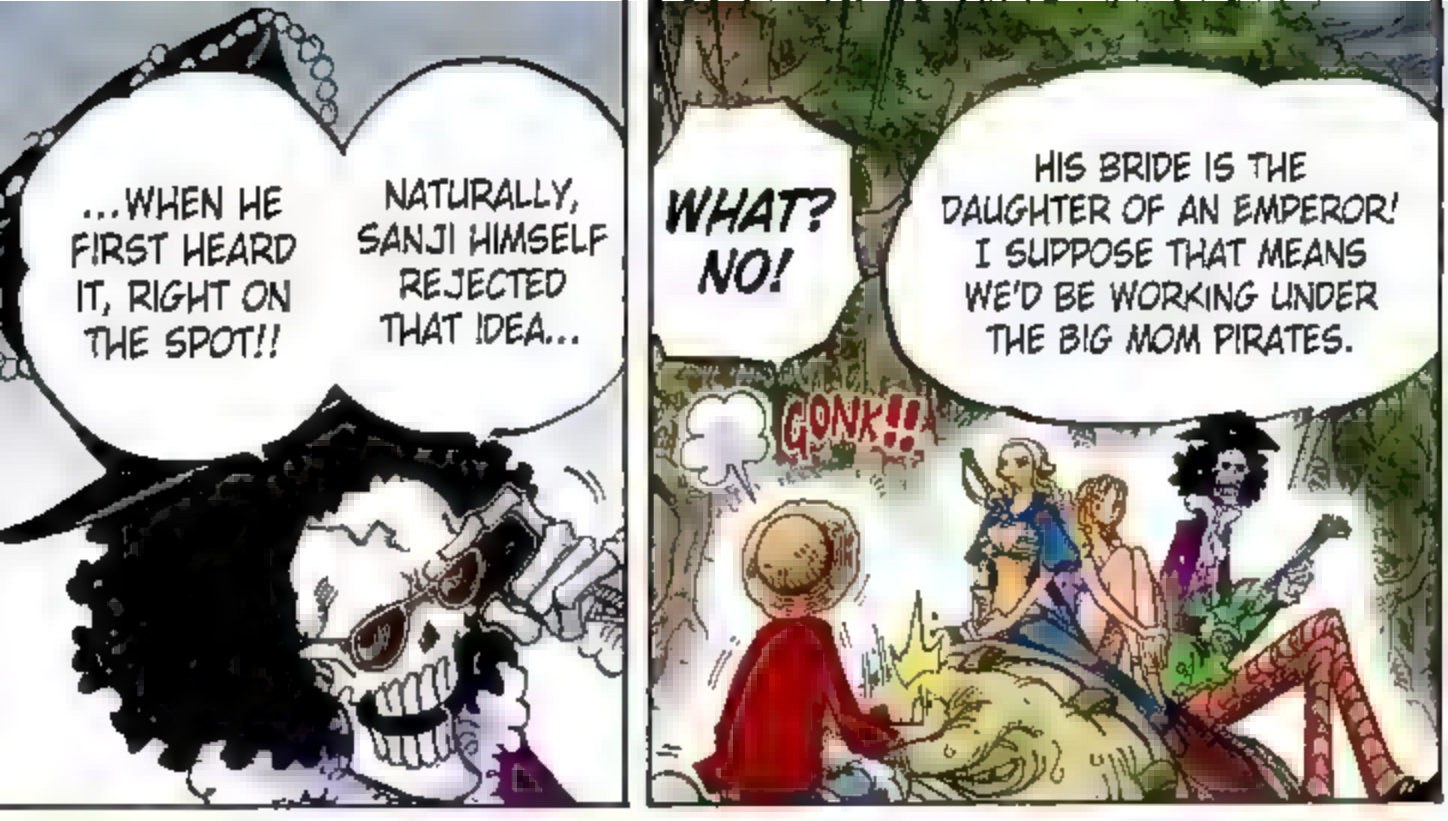

BUT I KNOW THAT HE DOES HIS BEST
MY GAZE IS DRAWN UPON HIS FACE
THE CAT VIPER IS A LONELY FELLOW
TO LIVE BENEATH THE SUN SO BRIGHT
SHINING PURELY IN THE MOONLIGHT
MY HEART THROBS AT HIS PLIGHT

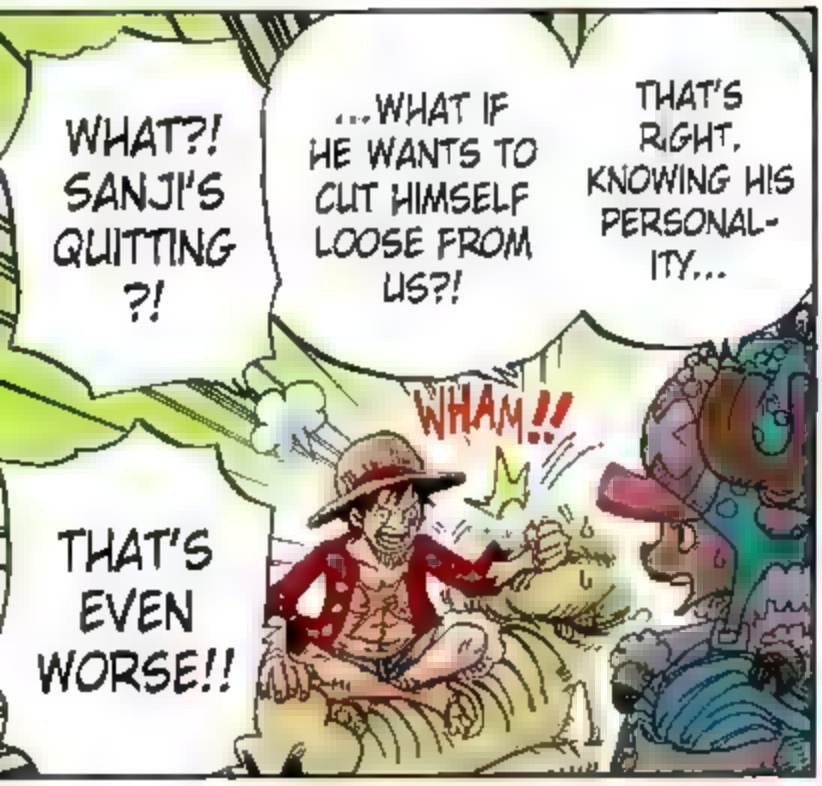

HE'S NOT LIKE THAT?!!
NOT REALLY.
IT'S AN "IMAGE SONG."
THAT'S A LOVELY SONG. IS THAT WHAT THE CAT VIPER IS LIKE?
HMM.

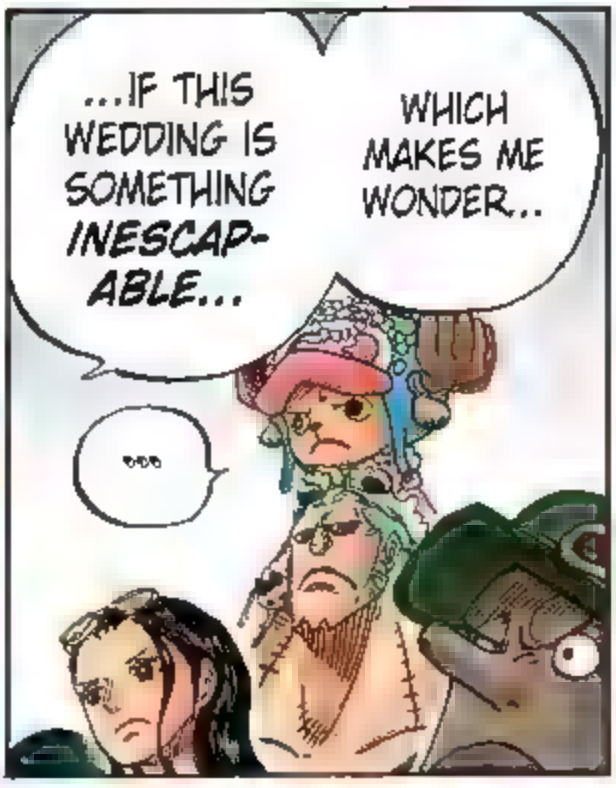

...IT MEANS HE'S GETTING MARRIED?!
SO WHEN SANJI SAYS HE'S GOING TO "MEET A WOMAN"...

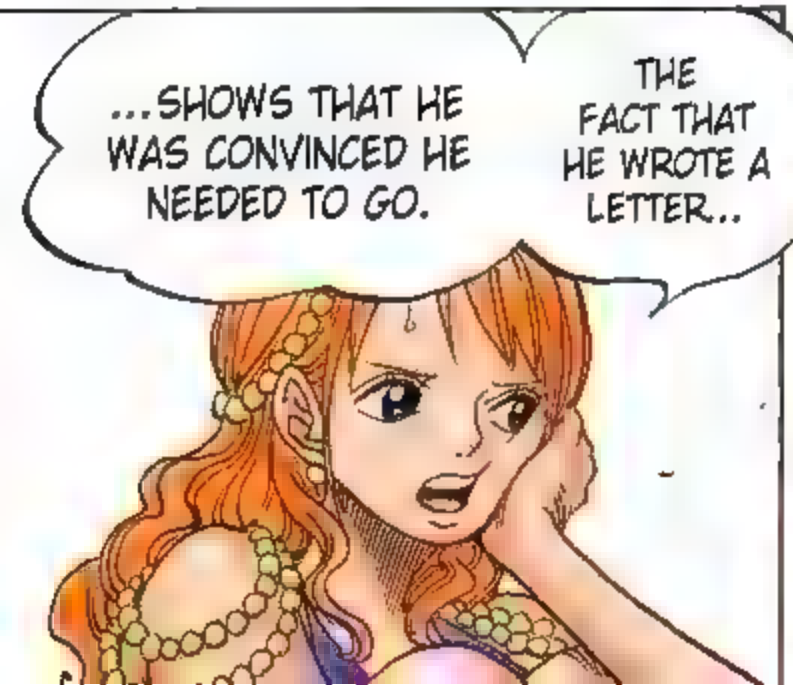

OH! DOES THAT MEAN HE'LL BRING HIS WIFE WITH HIM?!
BUT IT SAYS HERE THAT HE WILL BE BACK!!
HE DID HAVE A LOOK OF DETERMINATION ON HIS FACE THOUGH.
I SUPPOSE WE'LL HAVE A NEW CREW MEMBER!!

NOT NECESSARILY ...

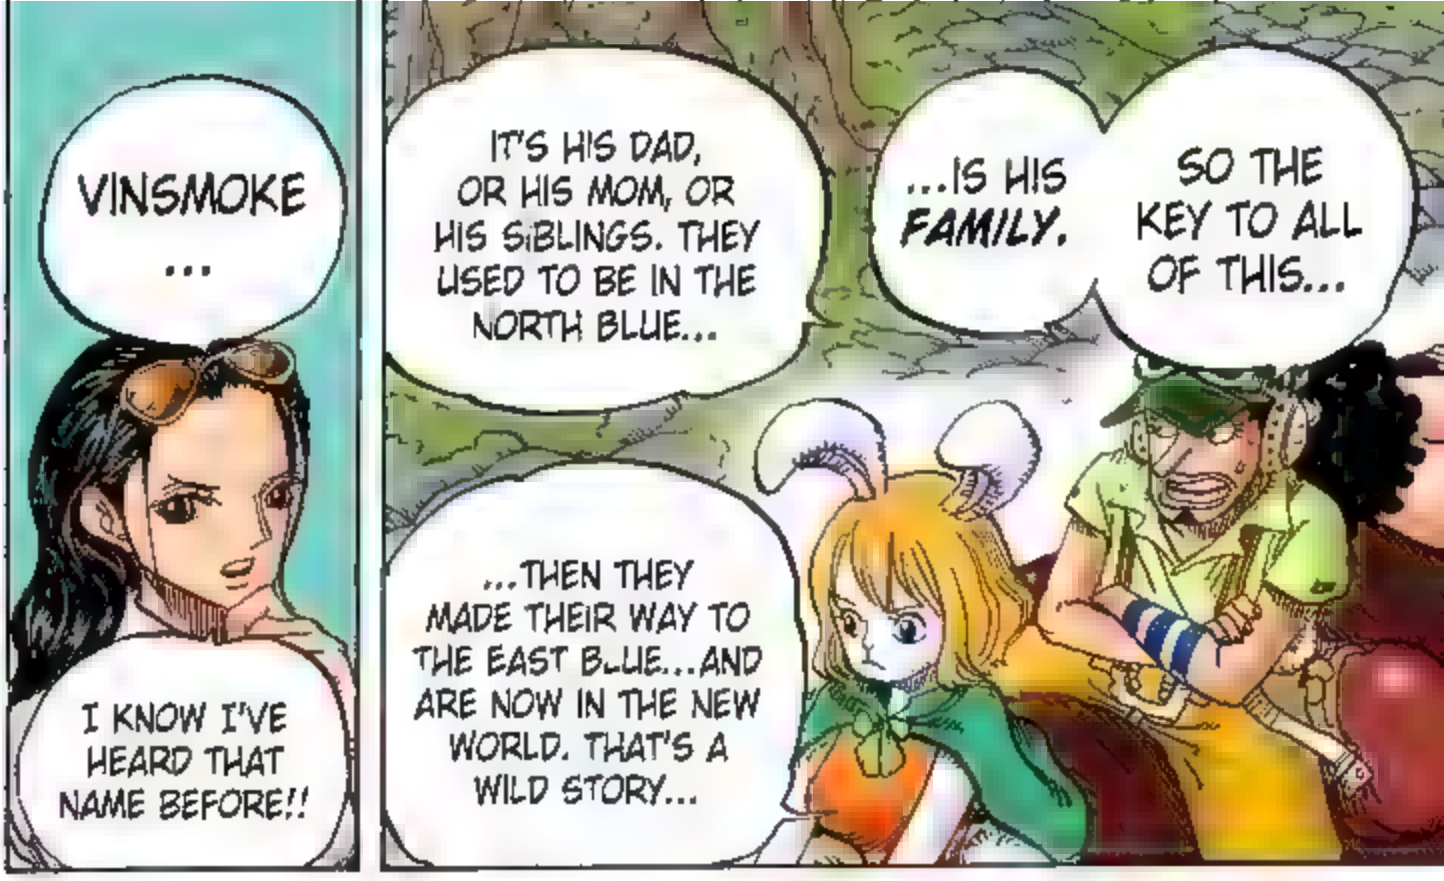

...WHEN HE FIRST HEARD IT, RIGHT ON THE SPOT!!
NATURALLY, SANJI HIMSELF REJECTED THAT IDEA...
WHAT? NO!
HIS BRIDE IS THE DAUGHTER OF AN EMPEROR! I SUPPOSE THAT MEANS WE'D BE WORKING UNDER THE BIG MOM PIRATES.
GONK!!

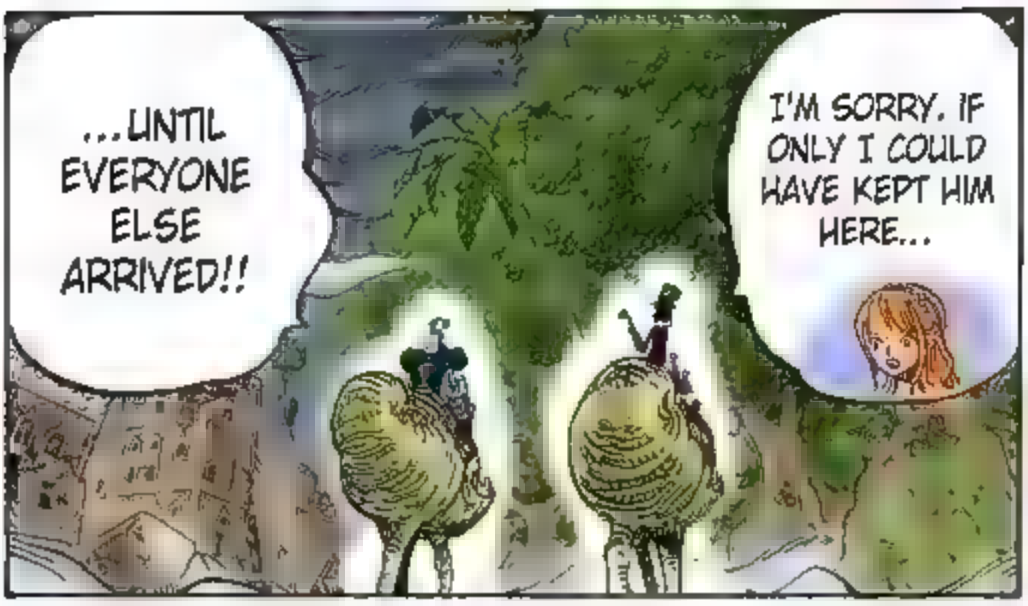

WHAT?! SANJI'S QUITTING ?!
...WHAT IF HE WANTS TO CUT HIMSELF LOOSE FROM US?!
THAT'S RIGHT, KNOWING HIS PERSONALITY...
WHAM!!
THAT'S EVEN WORSE!!

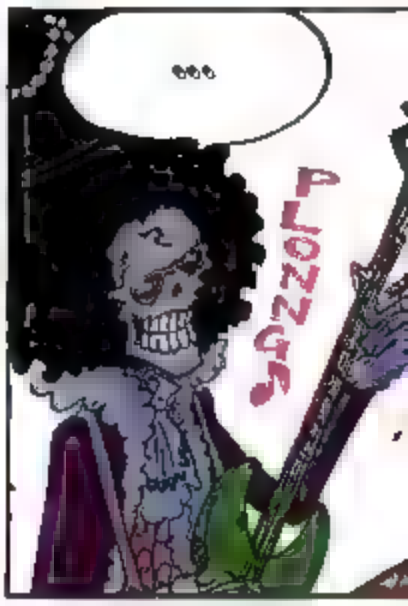

...IF THIS WEDDING IS SOMETHING INESCAPABLE...
WHICH MAKES ME WONDER..
...

...SHOWS THAT HE WAS CONVINCED HE NEEDED TO GO.
THE FACT THAT HE WROTE A LETTER..

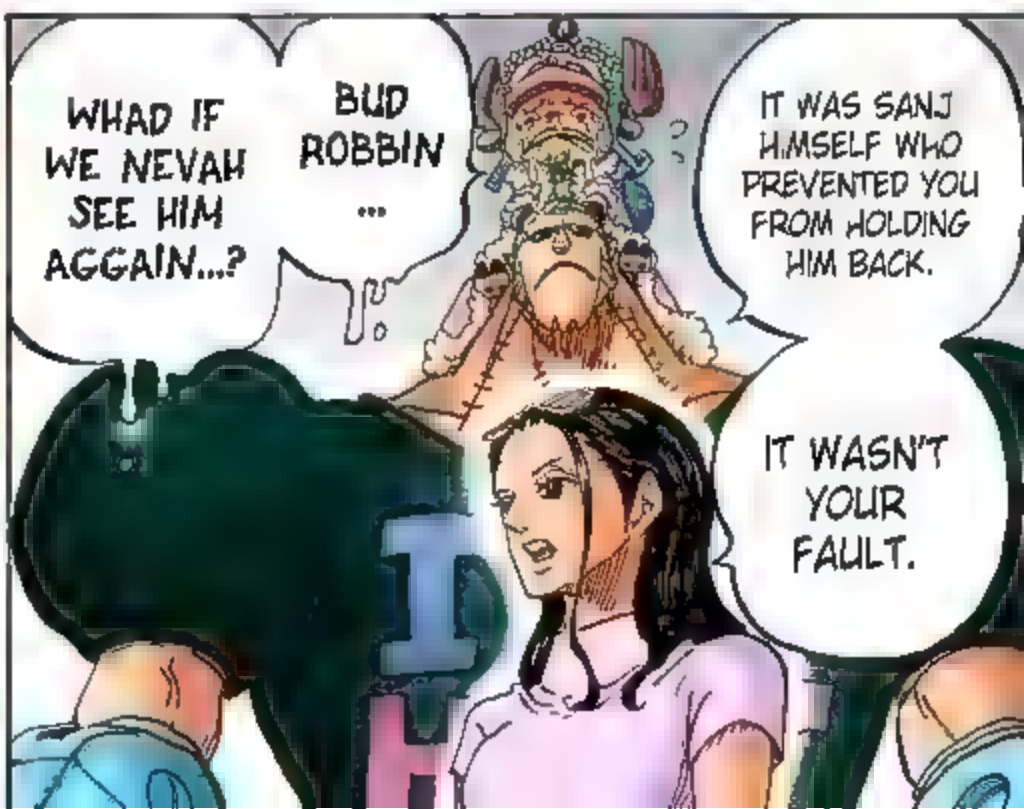

...SO HE COULD HAVE ESCAPED TOO, IF HE'D WANTED TO.
HE HAD THE CHANCE TO TOSS US OUT TO FREEDOM..
...

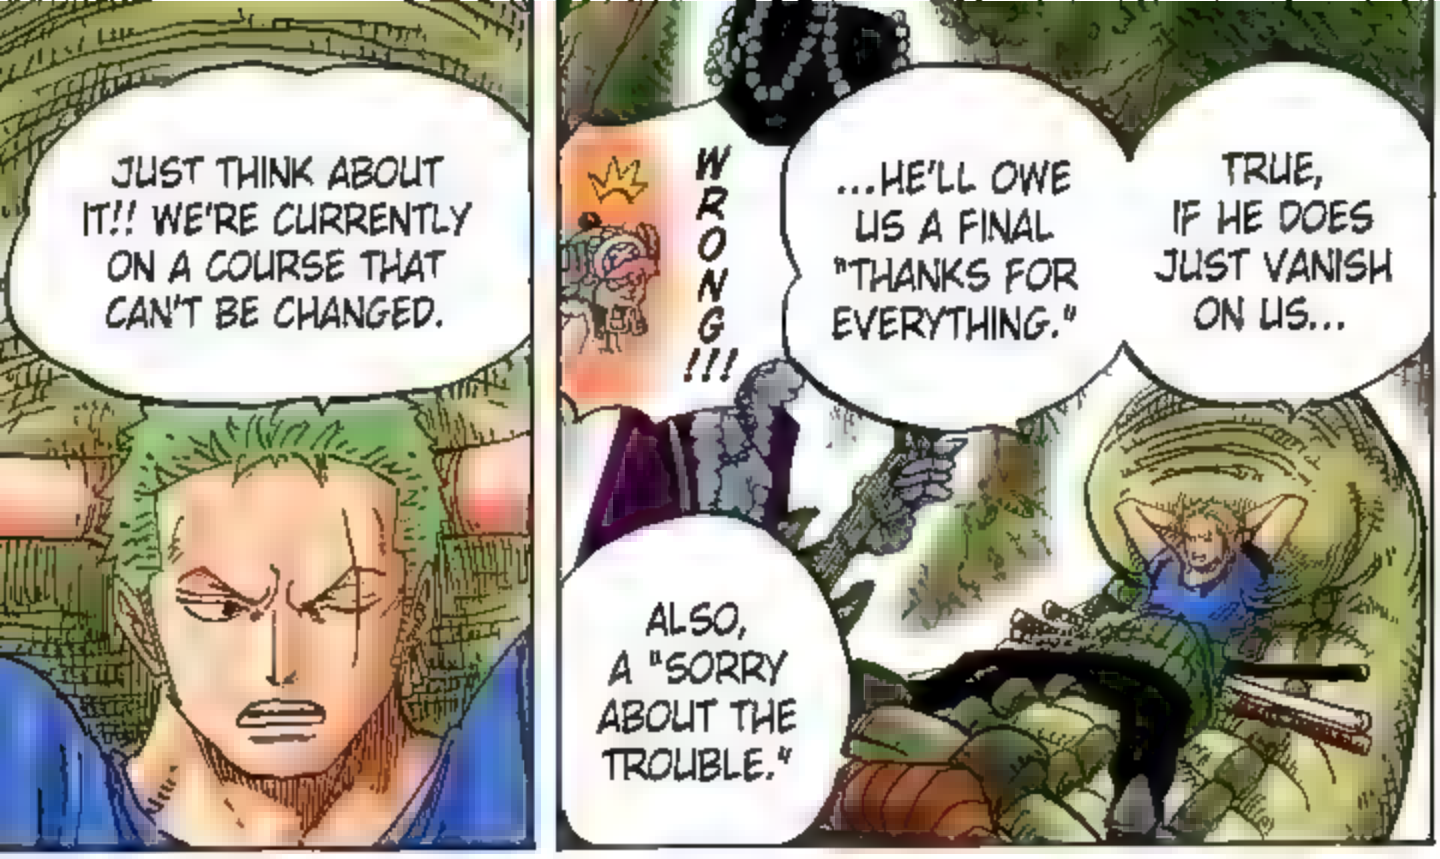

VINSMOKE ...
I KNOW I'VE HEARD THAT NAME BEFORE!!
IT'S HIS DAD, OR HIS MOM, OR HIS SIBLINGS. THEY USED TO BE IN THE NORTH BLUE...
...IS HIS FAMILY.
SO THE KEY TO ALL OF THIS...
...THEN THEY MADE THEIR WAY TO THE EAST BLUE...AND ARE NOW IN THE NEW WORLD. THAT'S A WILD STORY...

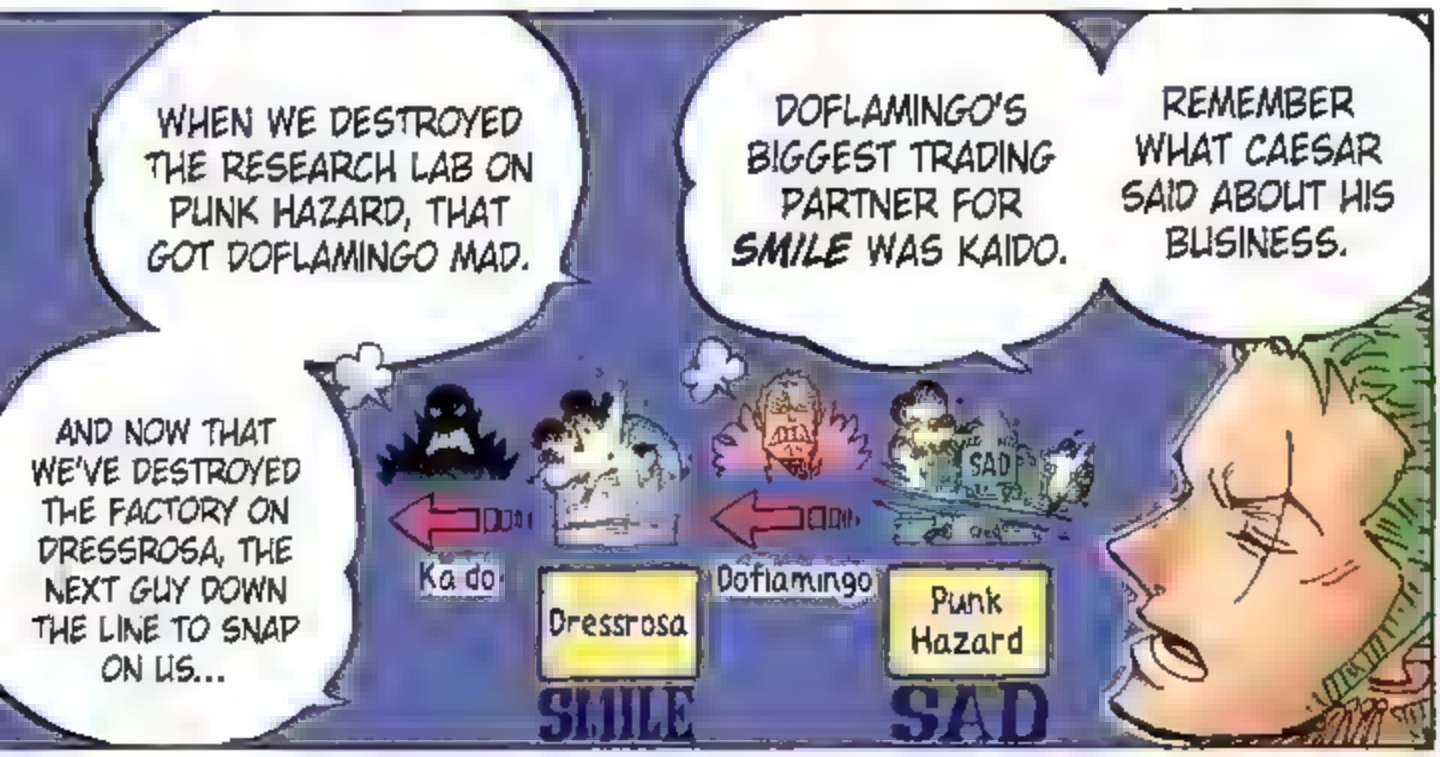

...UNTIL EVERYONE ELSE ARRIVED!!
I'M SORRY. IF ONLY I COULD HAVE KEPT HIM HERE...

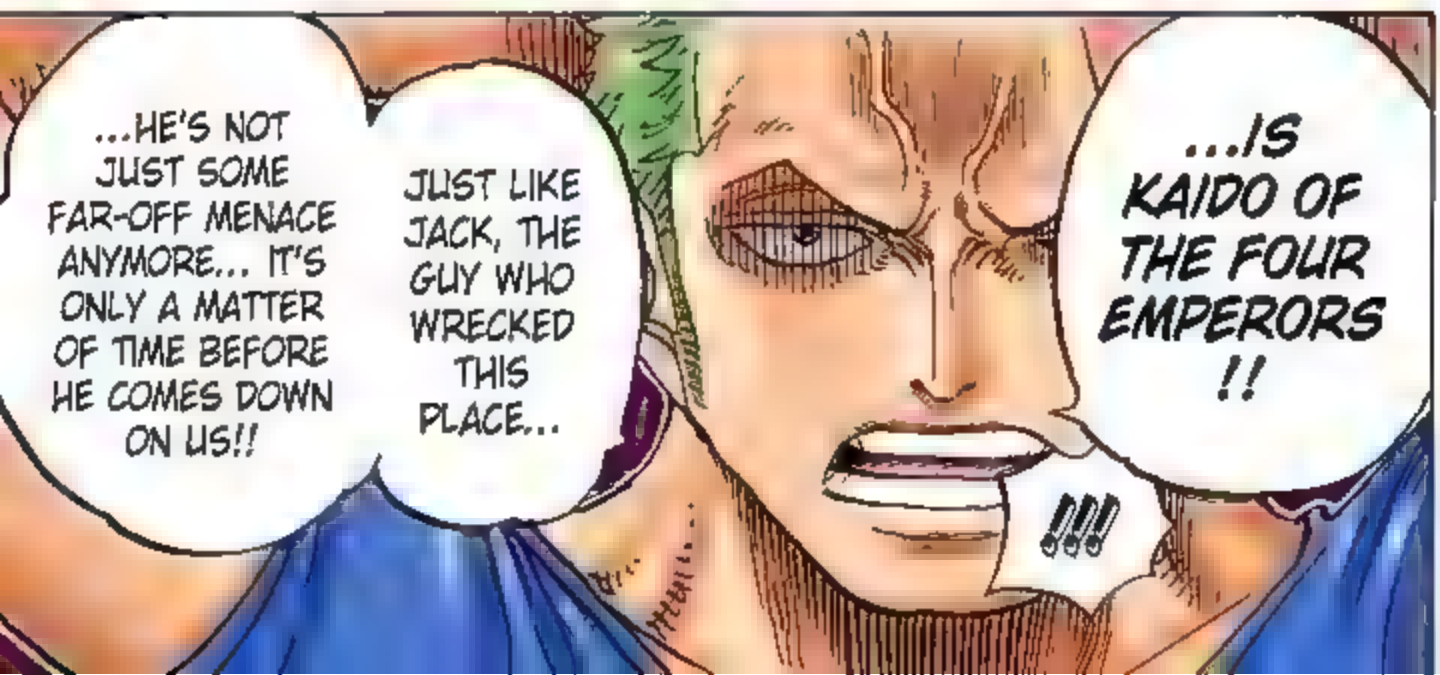

...
PLONG

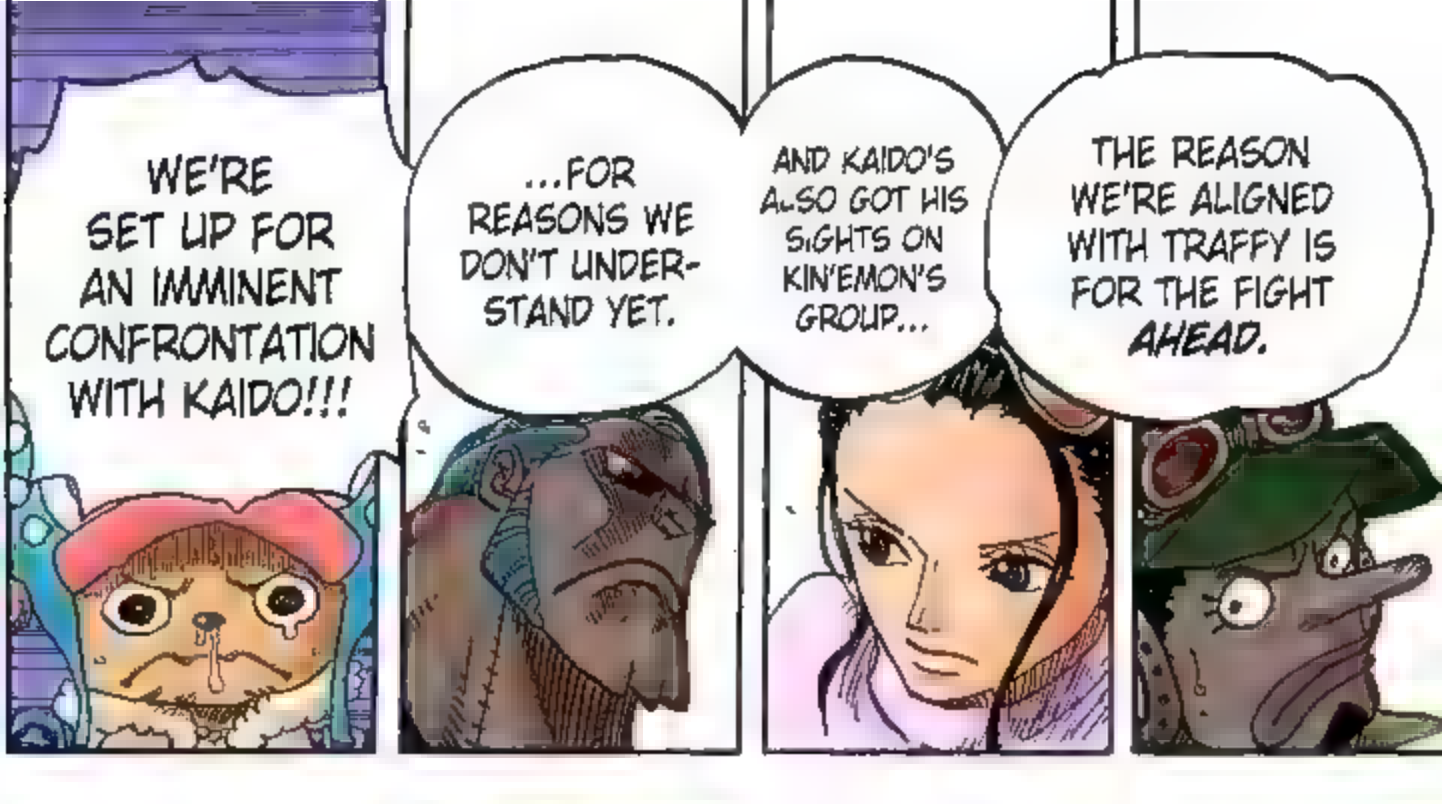

THAT'S PERFECTLY FINE.
WHAT ?!!

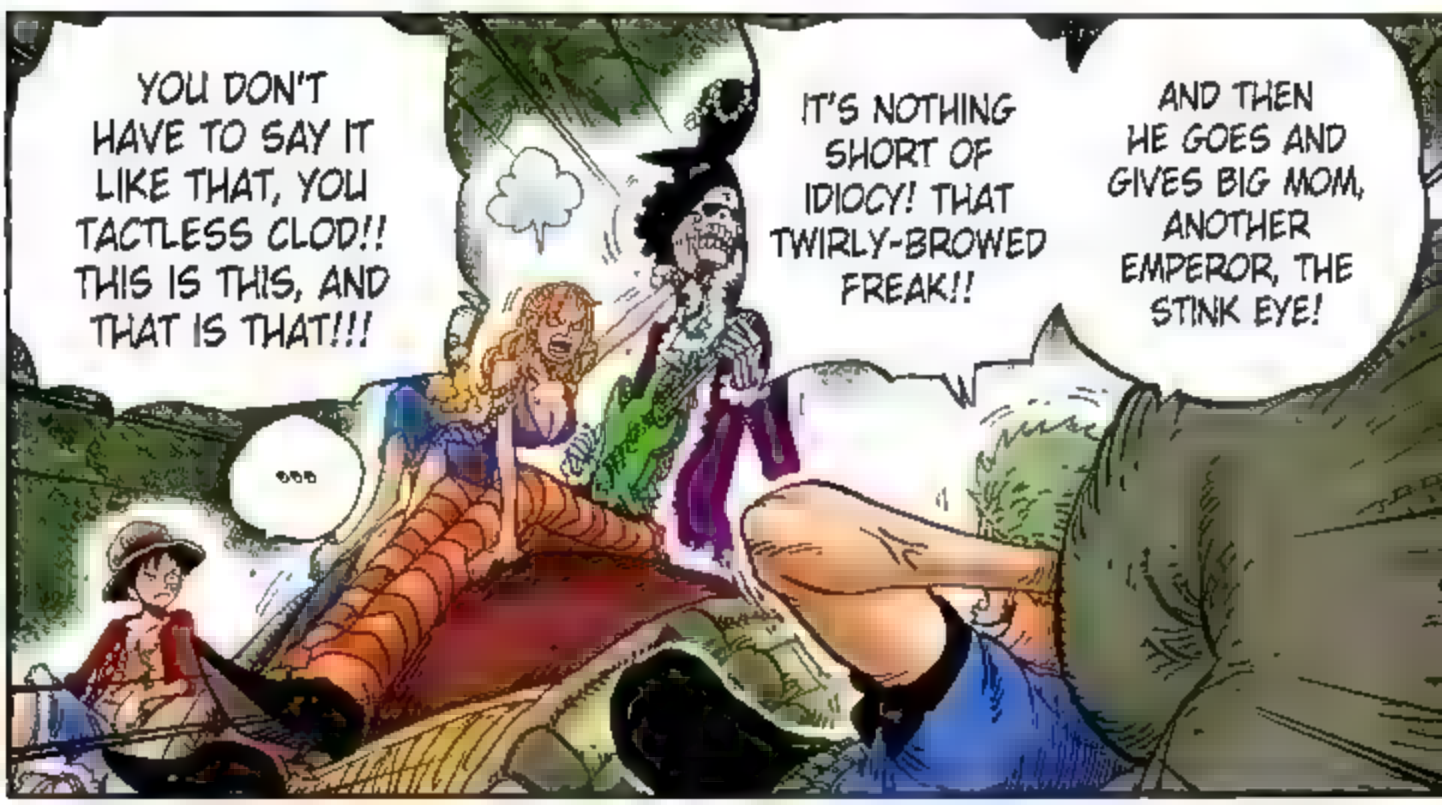

WHAD IF WE NEVAH SEE HIM AGGAIN...?
BUD ROBBIN ...
IT WAS SANJ HIMSELF WHO PREVENTED YOU FROM HOLDING HIM BACK.
IT WASN'T YOUR FAULT.

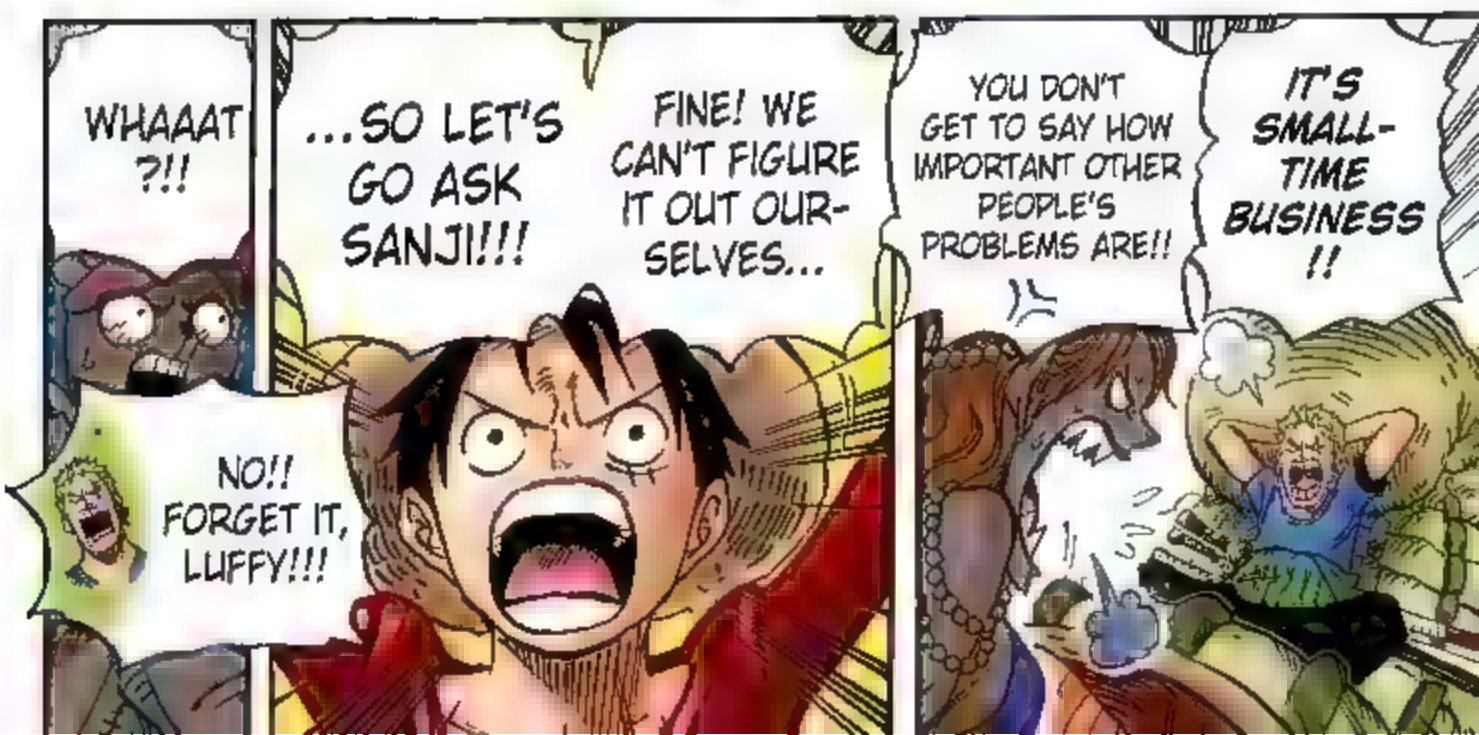

JUST THINK ABOUT IT!! WE'RE CURRENTLY ON A COURSE THAT CAN'T BE CHANGED.
WRONG!!!
...HE'LL OWE US A FINAL "THANKS FOR EVERYTHING."
TRUE, IF HE DOES JUST VANISH ON US...

WHEN WE DESTROYED THE RESEARCH LAB ON PUNK HAZARD, THAT GOT DOFLAMINGO MAD.

YOU DON'T HAVE TO SAY IT LIKE THAT, YOU TACTLESS CLOD!! THIS IS THIS, AND THAT IS THAT!!!
...
IT'S NOTHING SHORT OF IDIOCY! THAT TWIRLY-BROWED FREAK!!
AND THEN HE GOES AND GIVES BIG MOM, ANOTHER EMPEROR, THE STINK EYE!

WHAAAT ?!!
...SO LET'S GO ASK SANJI!!!
FINE! WE CAN'T FIGURE IT OUT OUR-SELVES...
NO!! FORGET IT, LUFFY!!!
YOU DON'T GET TO SAY HOW IMPORTANT OTHER PEOPLE'S PROBLEMS ARE!!
IT'S SMALL-TIME BUSINESS !!

SHE'S AN EMPEROR, LUFFY!! DON'T FORGET, THIS ISN'T LIKE BEFORE.
WITHOUT A PLAN OR SOME MUSCLE AT OUR BACK, WE'LL JUST GET CRUSHED FLAT!!!
YOU MEAN GO TO BIG MOM?! HAVE YOU FORGOTTEN YOU ALREADY PICKED A FIGHT WITH HER?!

SBS Question Corner

Q: Nice to meet you, Odacchi! Is it true that the source for the "Cat Viper" who appeared in Chapter 806 is a song by none other than Cho, the voice actor for Brook? I am a super-super-super fan of his, and I'm so fascinated by this that I can't sleep after 10 o'clock!! Please give Cho all of my best!!

--Puuchan-chan

A: Yes. This book contains both the first appearance of Cat Viper, and Brook's song about him. Go ahead and search on Youtube for "Nekomamushi Song" and watch the video. It's sung by Cho, Brook's actor! The melody and lyrics were penned by Choko, his wife. He just happened to have sung this song years ago, and I liked it so much that I asked him, "Can I have Brook sing this song?" With their permission, the Cat Viper has taken life in the manga, although his style is a bit different due to story reasons. I can't wait to hear Brook sing this in the anime (*laughs*).

Q: Hello, Oda Sensei. I have counted up the number of times each of the Straw Hats has delivered a verbal smackdown on someone else and ranked them in order.

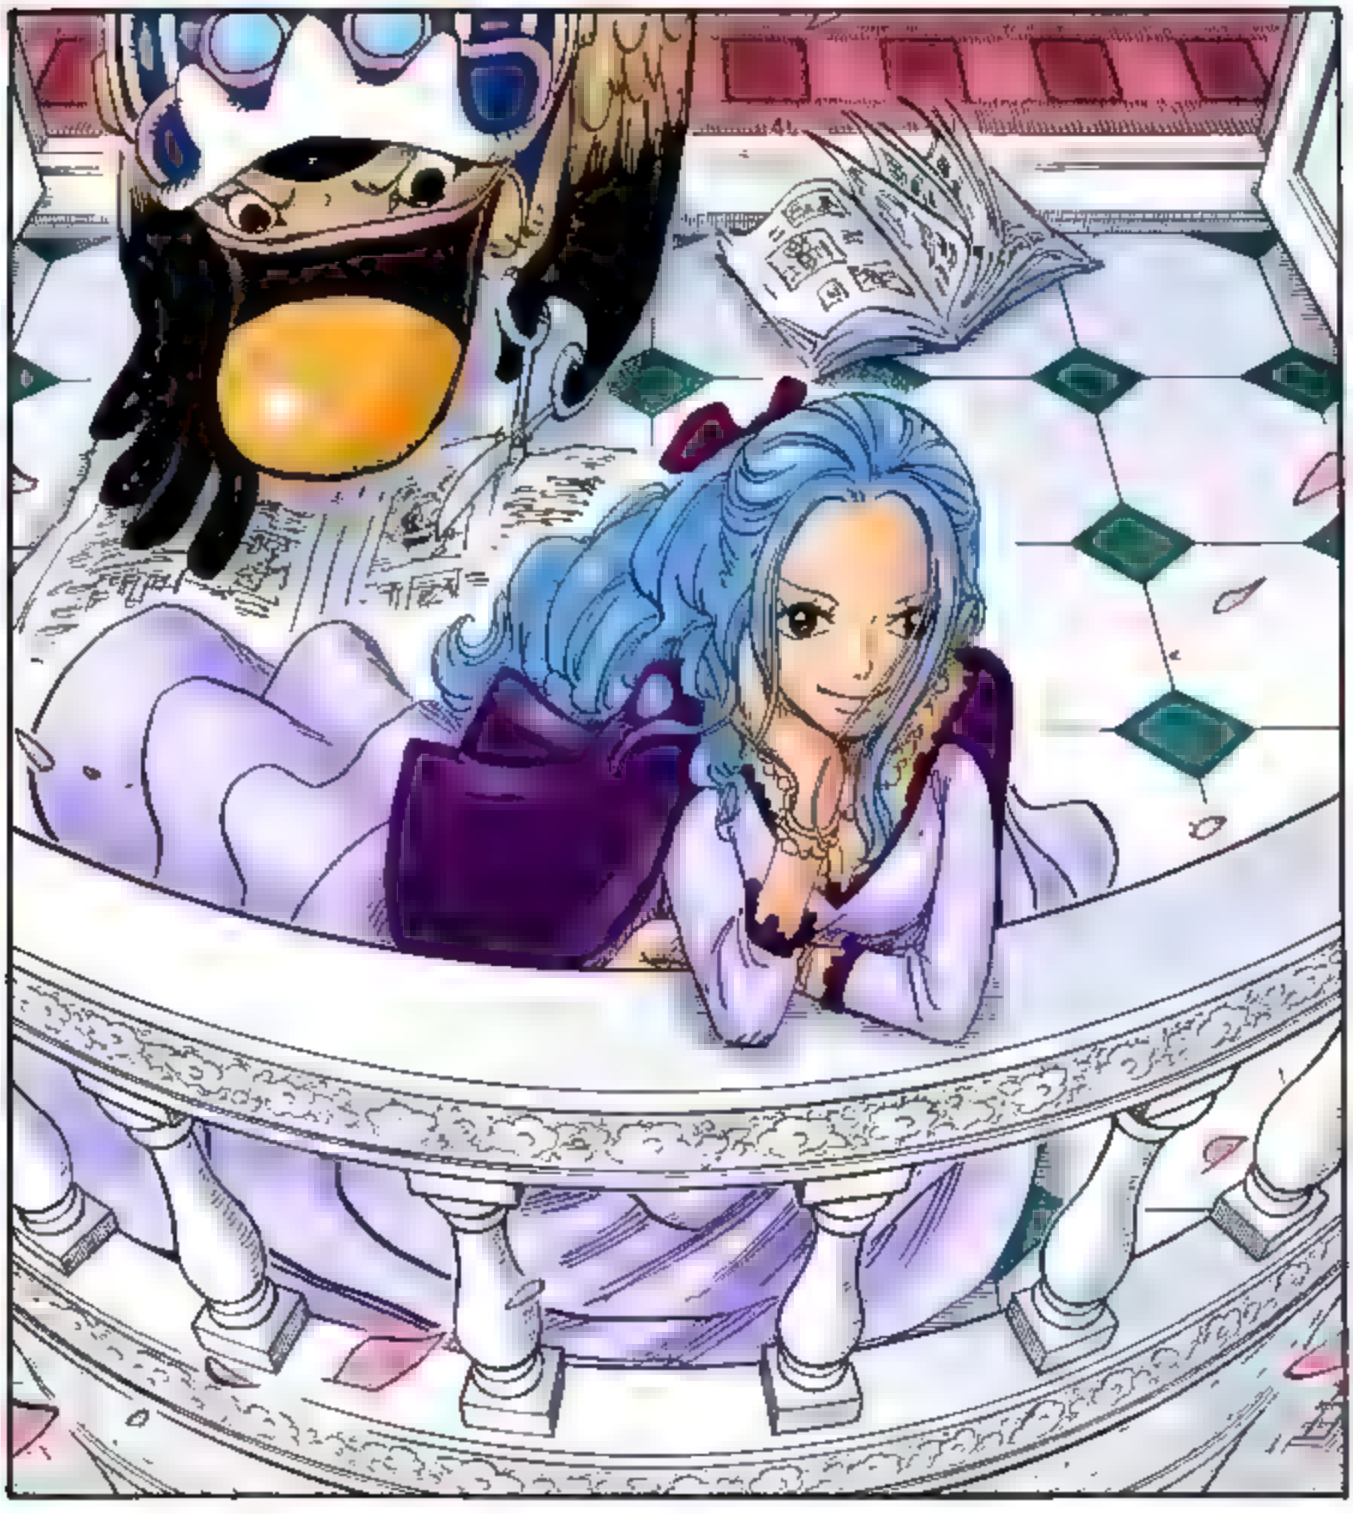

I covered from Volume 1 to Volume 80. It took me a month and a half.

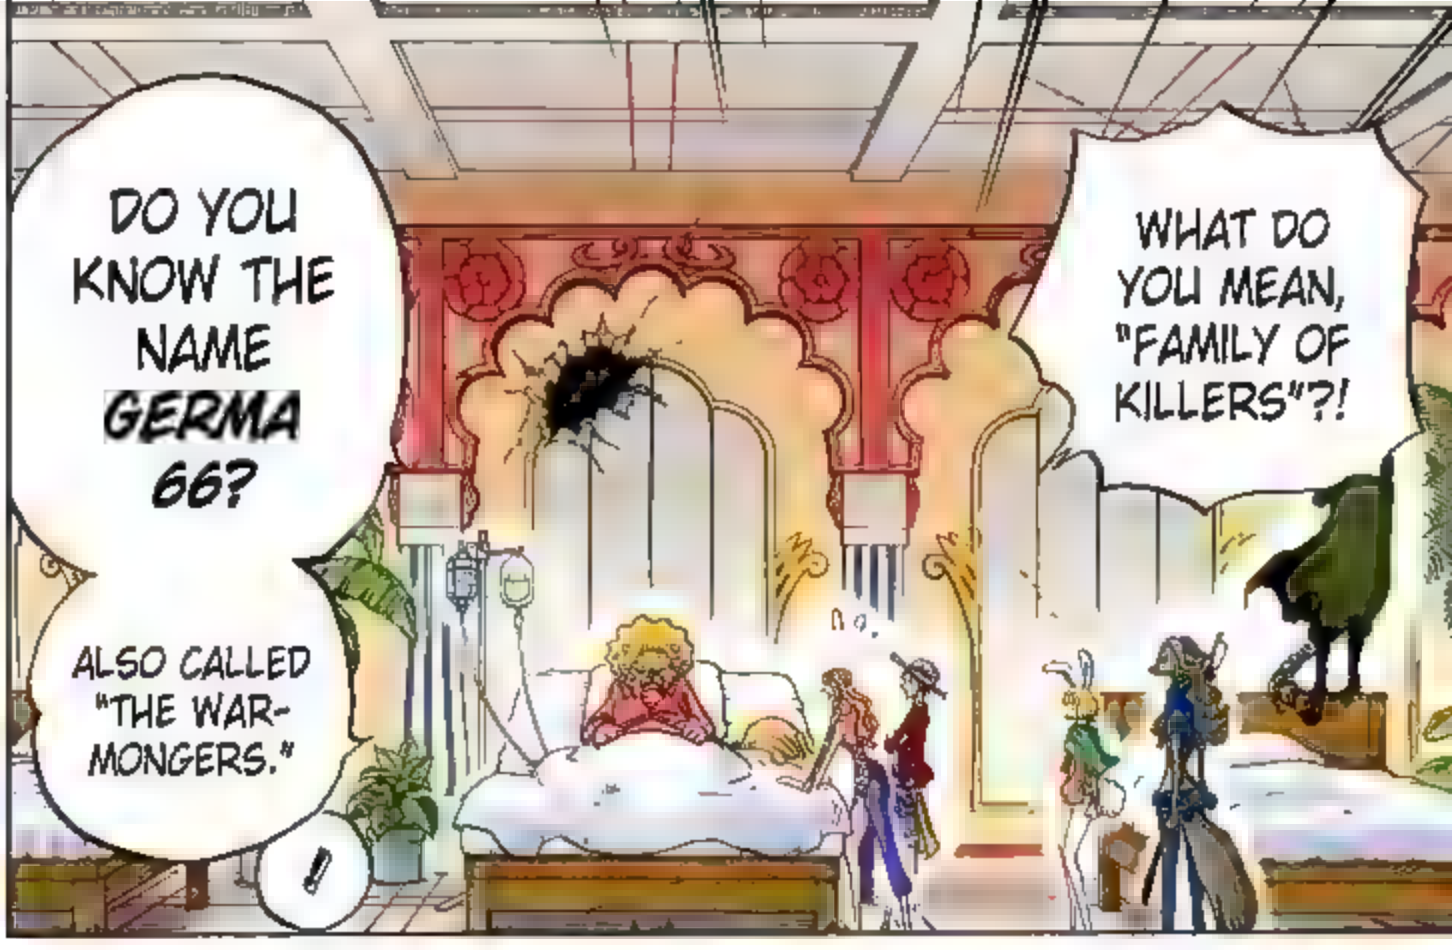

--Oda Sensei Loves Big Boobs

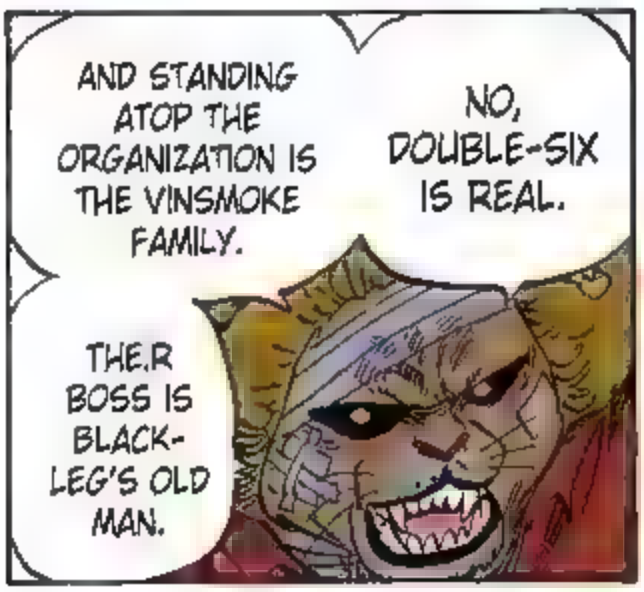

A: Wow, you must be bored!!! Whap!! Okay, put down one for me... I can't believe you counted these up. Thank you. This is really interesting. I'm surprised how high Zolo ranked.

Q: Please, Sensei, draw us a picture of Gambia's grandma back in the country!! I bet she looks so nice and sweet.
--Aminchi

A:

Here's Grandma. Technically, she's not related to anyone in the Barto Club. The club is basically just a huge street gang that grew out of a group of old pals that ran wild in the sticks. Eventually they got really obsessed with the Straw Hats, and then the best of the best of them went out to sea. As for Grandma, she owned the local candy shop that they used to hang out at, so they're all very fond of her. Her mind is packed full of folk remedies and wisdom, and she's always been a source of advice for them, given their lack of knowledge about the sea. Sometimes the advice is useful, sometimes not. (Usually not.)

Q: Hello there. In the scene where these ➡ sailors are searching for weapons and bullets, is that one guy, er...searching for his "rounds" down there? Did he find them?
--Boss Keyaki

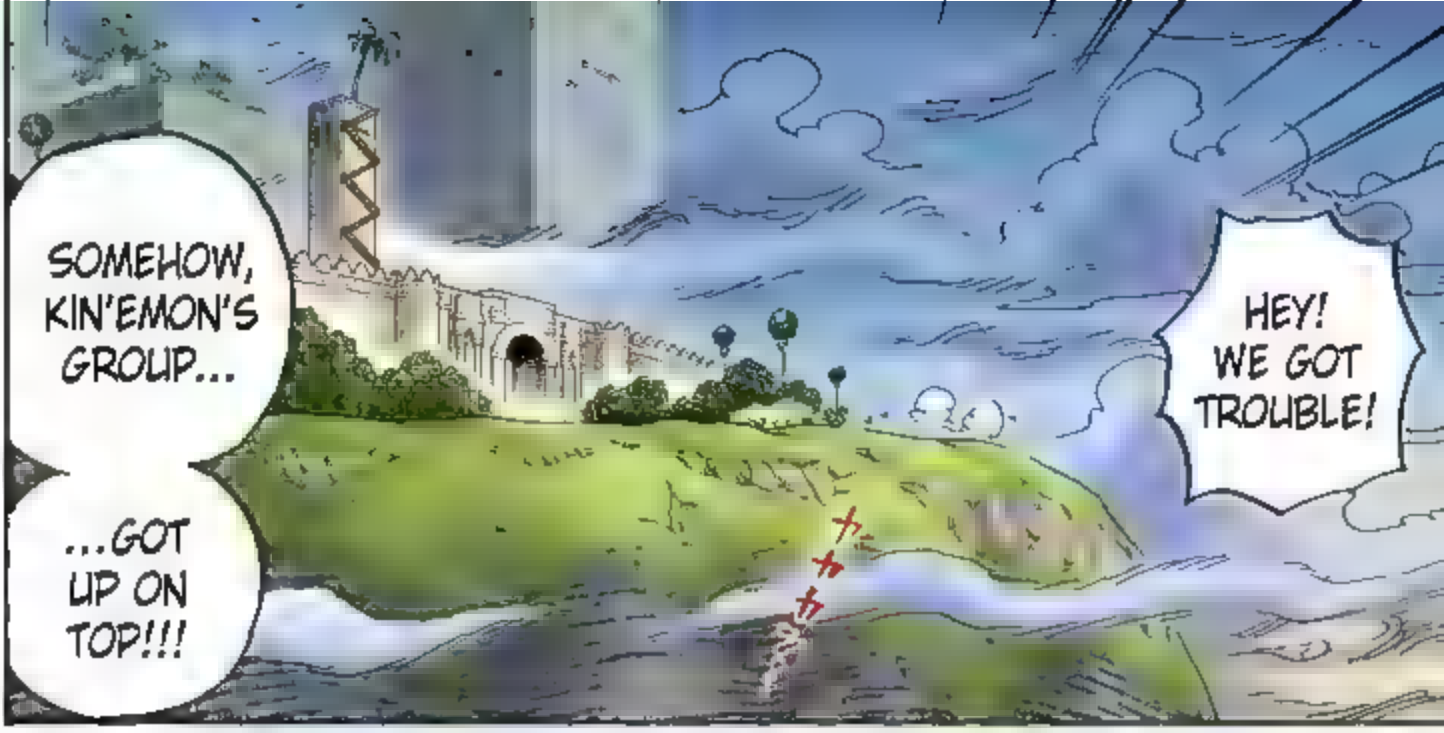

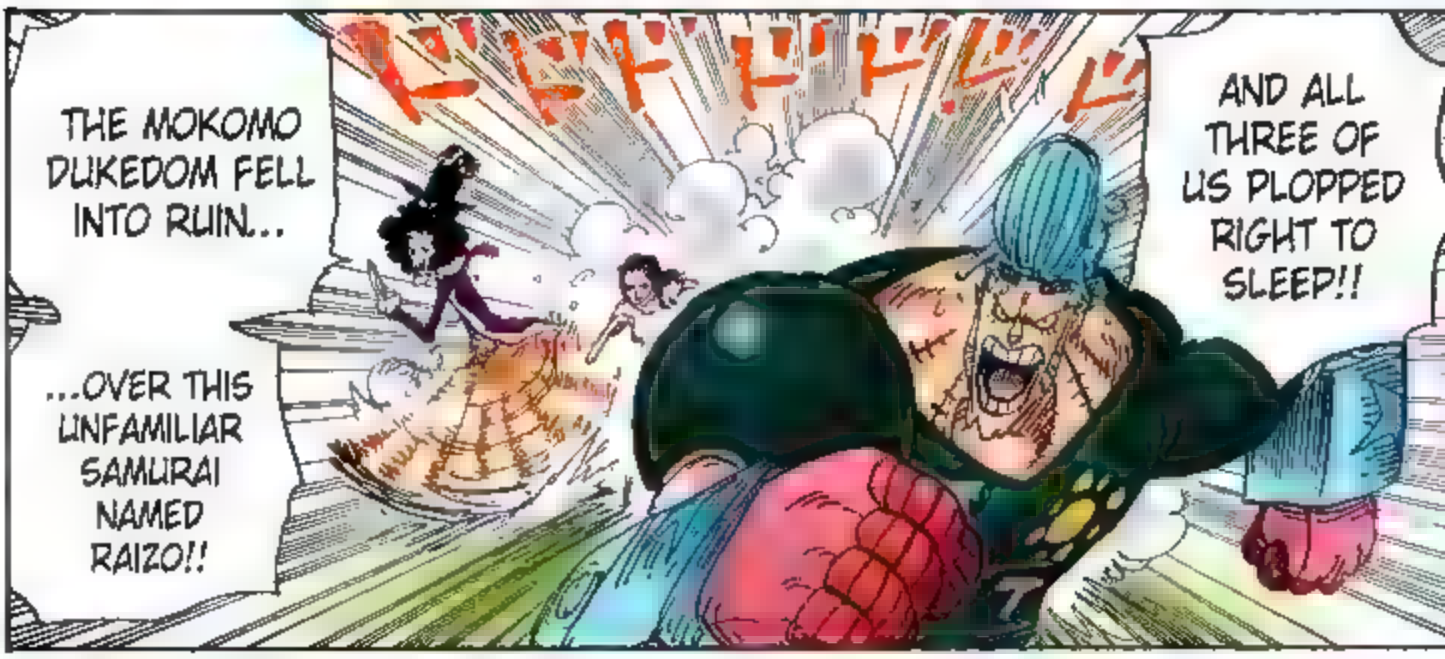

A: Have no fear. He found two.

ONE PIECE WORLD GUIDE

You want an explanation of the four seas and the Grand Line that Luffy's crew has been sailing? Look no further!

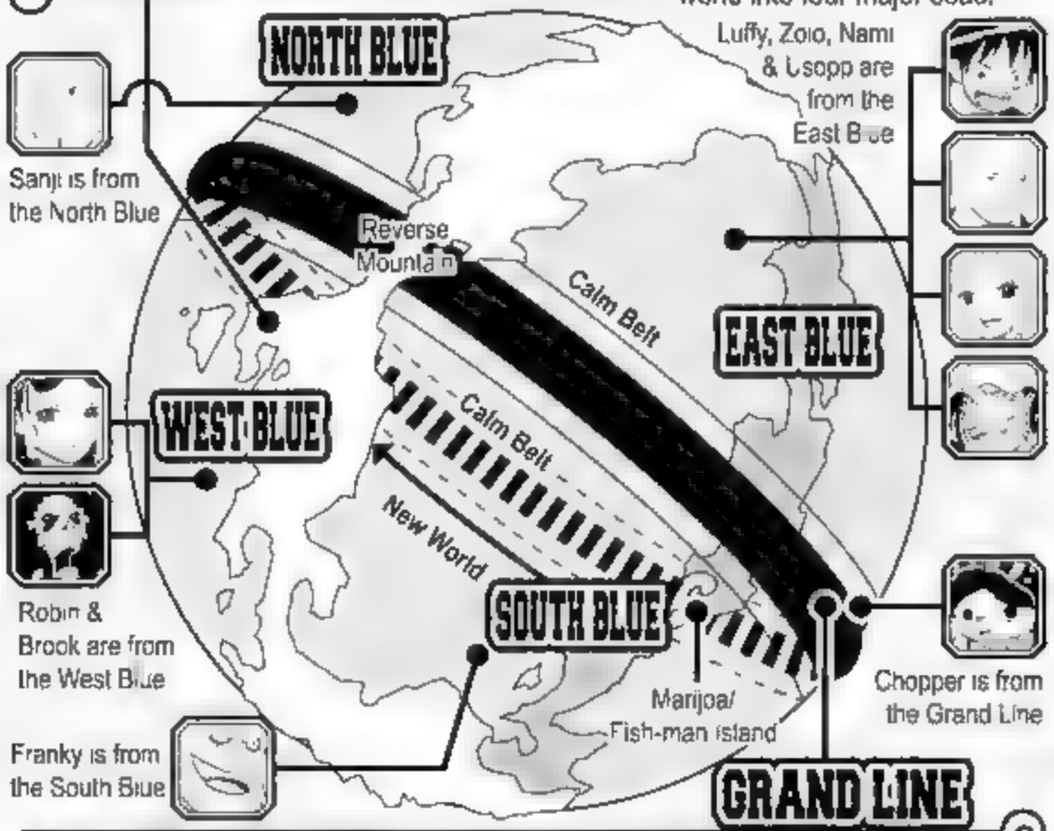

RED LINE

The enormous continent that cuts the seas into two. At its peak, it pierces the clouds, making it difficult terrain to cross by land.

The Red Line and Grand Line split the water into four seas!!

The perpendicular paths of the Grand Line and Red Line intersect in a way that splits the world into four major seas.

Travel through the Grand Line using a Log Pose!!

A special stretch of sea that runs along all four seas around the world bordered by the Calm Belt on either side. It features baffling currents and weather patterns - navigation is impossible without a Log Pose

LOG POSE

← The Calm Belts that border the Grand Line are home to Neptunians. They're impossible to cross without equipment like the Navy's sea prism stone-lined ships

A Cheat-Sheet Guide to the Straw Hat Travels!

We set sail from Windmill Village in the East Blue!!

Luffy's crew is on the way to Rafte. The journey from Reverse Mountain to Fish-man Island puts them about half of the way to their goal

Chopper joins at Drum Kingdom!!

Inviting Chopper the doctor reindeer.

Robin joins at Alabasta!!

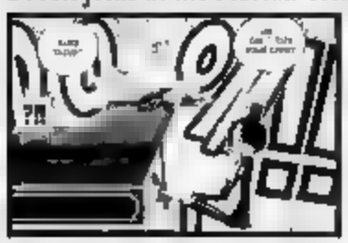

Croco-dile's former partner switches sides

Franky joins at Water Seven!!

The ship-wright comes along with the *Sunny*

Brook joins at the Florian Triangle!!

Once his shadow is back from Thriller Bark.

And on to the New World!!

Powered up after two years and ready for Fish-man Island!!

Grand Line (First Half)

New World (Second Half)

Zolo joins at Shells Town!!

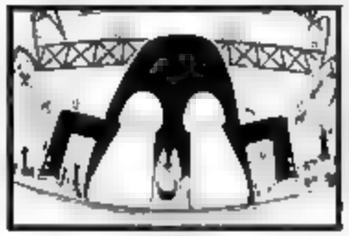

Once freed, Zolo is on board!

Usopp joins at Syrup Village!!

He brings the *Merry Go* with him!!

Sanji joins at Baratie!!

Sanji comes after the battle here.

Nami's officially in at Cocoyashi!!

The defeat of Arlong frees Nami at last

Cross Reverse Mountain to the Grand Line!!

This is where the Grand Line voyage begins!

KEY WE'RE PUTTING OUT A MOVIE ON 7.23

A: Saturday, July 23, 2016!! Our first animated film in three years!! July, right during summer vacation! Isn't summer great? How would you like a nice juicy slice of entertainment this summer?! Well, the entire staff is panting and wheezing to bring it to you!! It's called Gold!! And this movie is going to be Cool and Gorgeous!! What is my role in the project? Boom!

Executive Producer: Eiichiro Oda

★ Hey. Hi! I'm a guy who's pretty good at making One Piece!! I'm the secret mastermind behind the movie. I make everyone tea! (Just kidding.) I promise that we'll bring you something cool!! So right off the bat, I want to reassure you all of its quality! Here he is, the life of the film!!

Art Director: Masayuki Sato

★ Yes, it's "Satomasa"!! (Eek!) The adventurer who brought a new breath of life to the One Piece movies!! He has agreed to work with us again!! I put him through so much hell the last two times that I was certain he wouldn't agree to do it again (cries). Thank you so much, I really mean it!! He might look laid-back, but a burning passion hides behind those features!! The power of art!! Watch this movie closely!! Also, check out this fun guy who wrote the script!

Screenplay: Tsutomu Kuroiwa

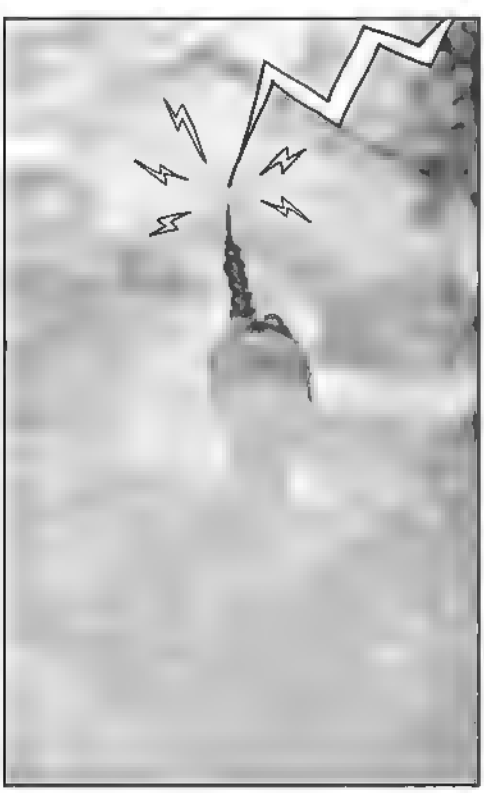

★ Okay, this part is important too!! It's a very talented writer, the clever Mr. Kuroiwa! Not only does he have an accomplished career, he's a sharp writer with a resiliency that rolls with the punches. He wrote us up a truly dynamic story!! I hope you're excited about *Film Gold*!! He also put in work on the summer TV special that ties in with the movie! That one's good too! Check it out!!

■ Tsutomu Kuroiwa
Screenwriter. His main credits are the *After-Dinner Mysteries* and *Liar Game* series, and the drama series *Welcome to My Home, Strawberry Night,* and *Samurai Sensei. One Piece Film Gold* will be his first animated feature.

★ Finally, in this movie, the music will play an important role! So we've got to get this part right!! Whom can we turn to for some real Big Band jazz?! The first name that popped into my head is a genius Blues singer I've been following for twenty years!!

Insert Songs: Mayumi Kojima

Yes, we've got her!! When we heard the first demo take, the entire staff said, "Wow! This is it!" Let me tell you, her music and singing are the real deal!! Mayumi Kojima is a monster in the music scene who has mastered jazz, Blues, swing, and anything else that catches her fancy. She offered to sing something for a character in the movie, so if you want a preview, check out any of her available music!! My favorites are "Amai Koi" and "Heart ni Hi wo Tsukete," but they're all great.

Genius in the house!!

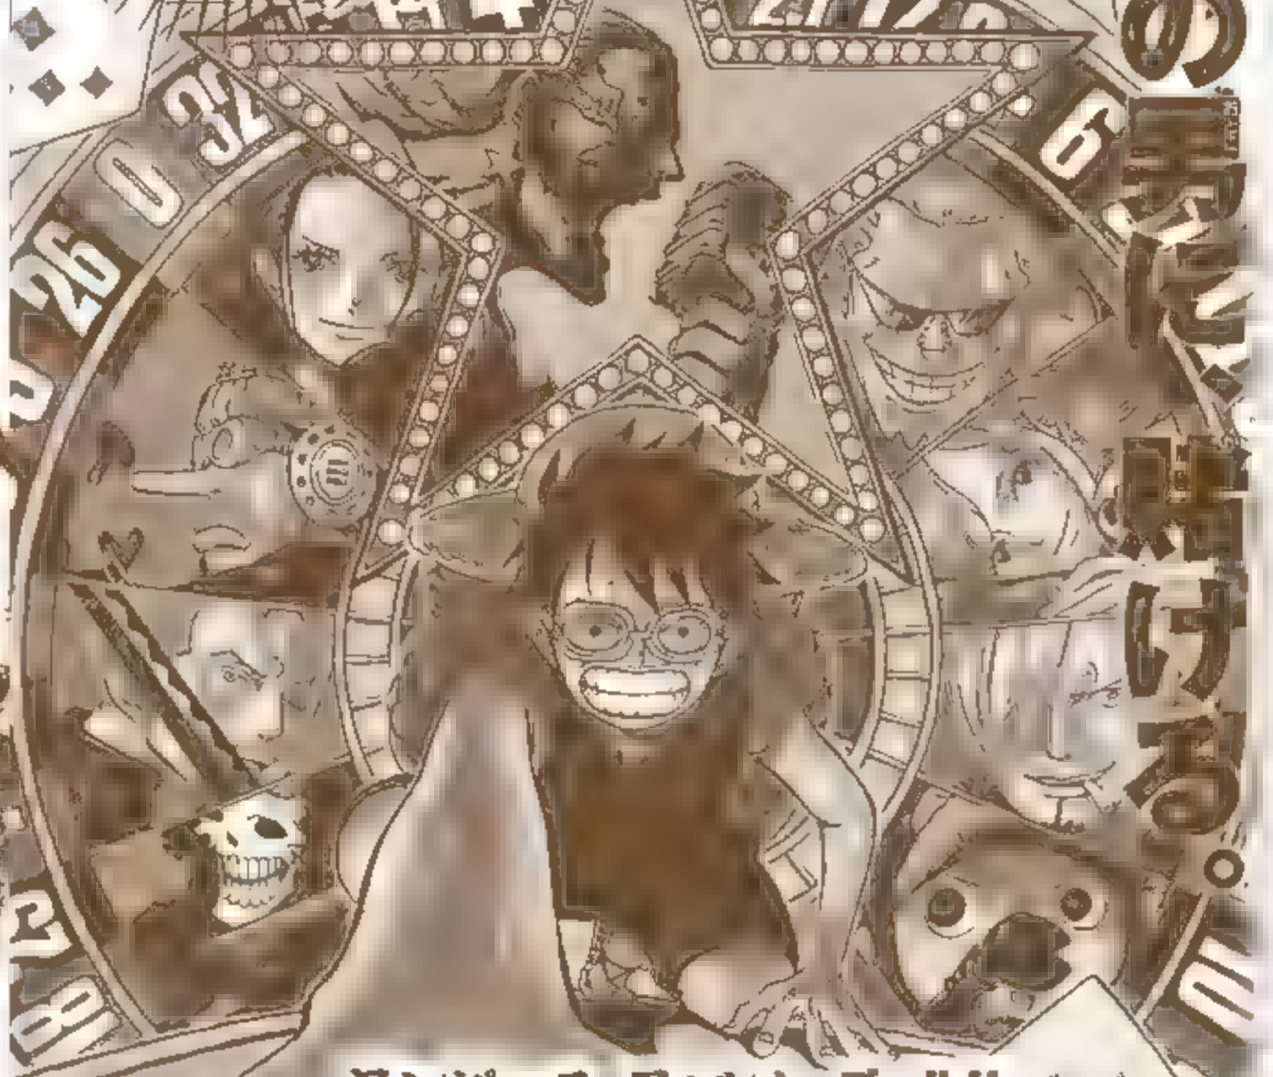

She's going to rock our opening theme and insert song!!

■ Mayumi Kojima
A girl-pop singer/songwriter who trades in "good-old-days" music. She debuted in 1995 with the single "Marriage Counseling Office." She's released nine albums since then.

EIICHIRO ODA

There's a Japanese game called Atchi Muite Hoi (Look That Way) where one player has to turn their head in one of the four directions while the other player points with a finger, hoping to guess the same direction.
Well, I've invented a secret weapon called Atchi Muite Hoi 3-D that has ten directions instead. If a kid ever challenges you to Atchi Muite Hoi, use this method to childishly avoid losing!!
Here comes Volume 82!!!

-Eiichiro Oda, 2016

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

CHAPTER 817: RAIZO OF THE MIST

OBSERVE !!!
FWUP!
DO

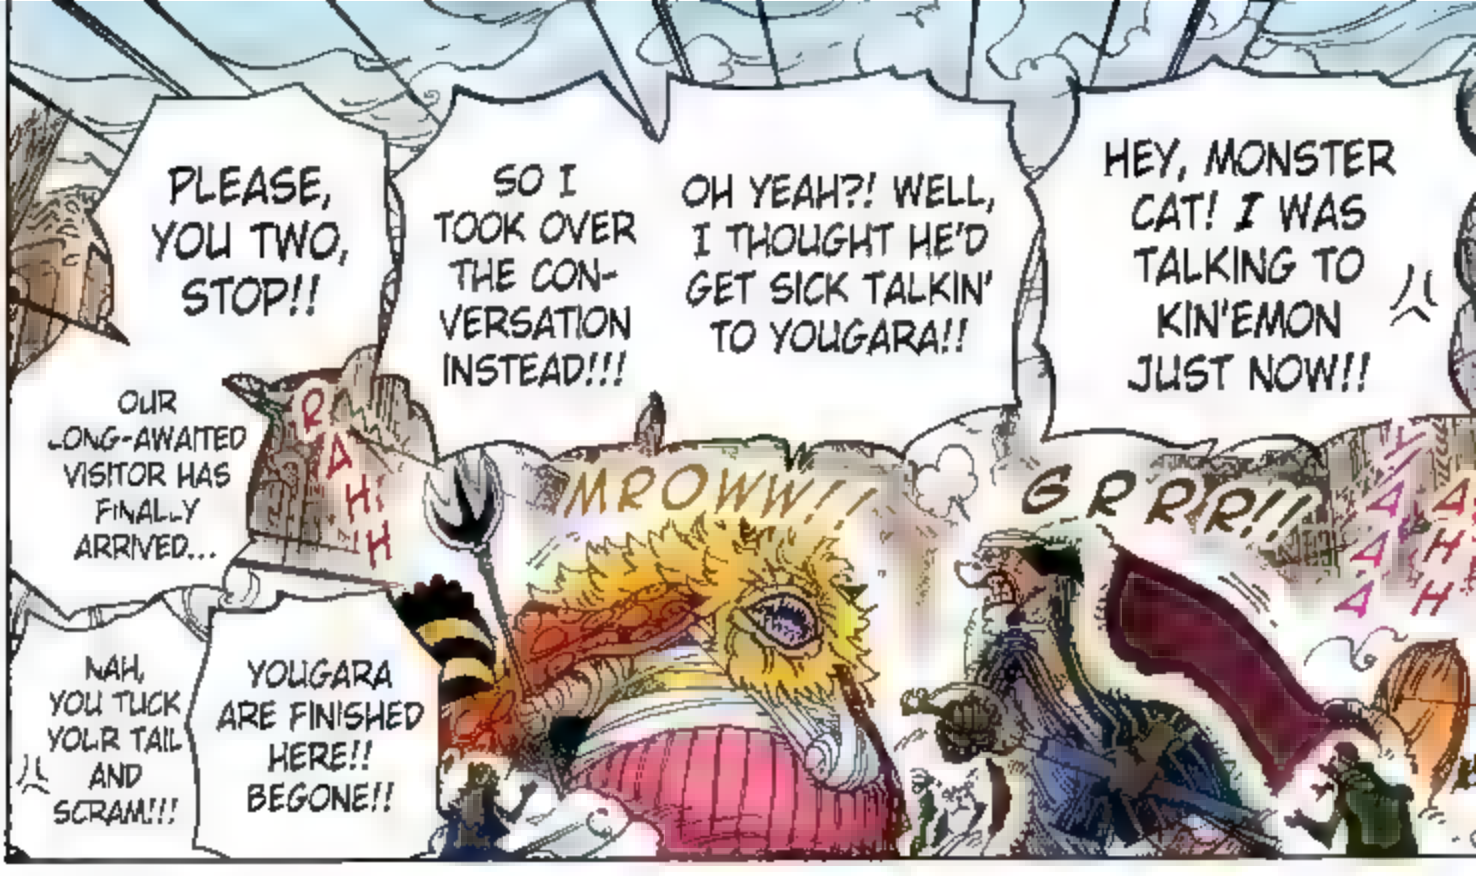

IT IS JUST AS RAIZO BEARS.
YOUR GRACE! BOSS!
YES, THAT IS IT!
!!

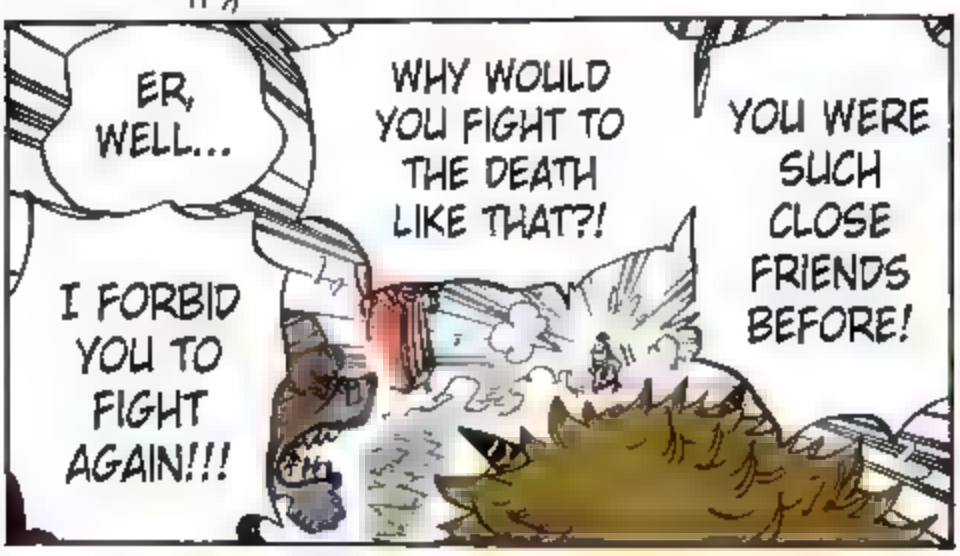

...OF THE KOZUKI CLAN!!
DA-DOOM!!
THE OFFICIAL CREST...

IT COULDN'T BE HELPED... IT WAS A SECRET FROM US TOO...
AND HERE WE WERE WORRIED ABOUT A CLASH WITH THE MINKS!
SO THEY KNEW EACH OTHER ALL ALONG...
KOE-ZOOKY?

MAYBE THE BOND BETWEEN THEM IS MUCH DEEPER THAN WE REALIZE.
THEY SAID THAT DOGGY AND KITTY HAVE THE CREST TOO!

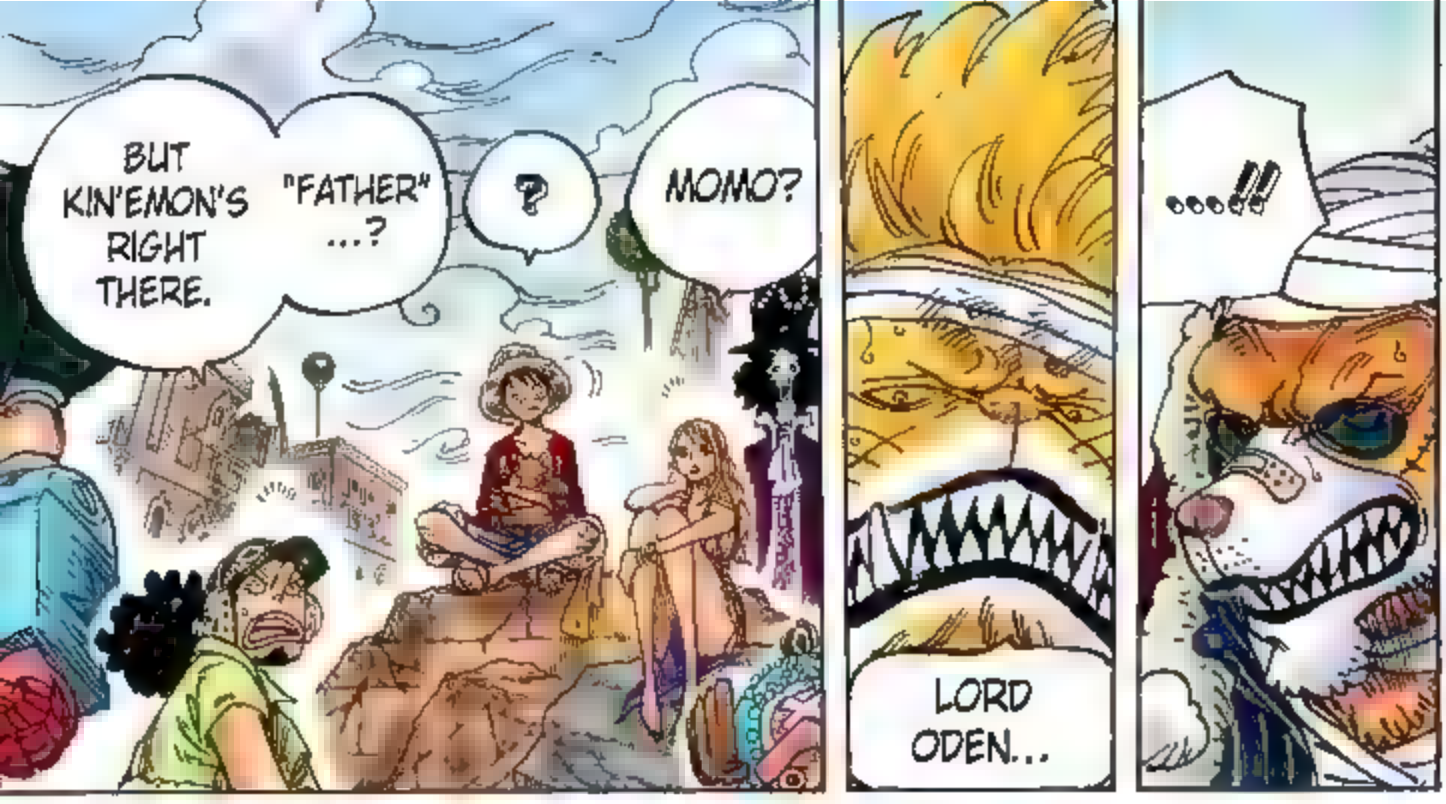

BUT WE NEEDED TO WAIT HERE, BASED ON THE PACT OF THAT DAY.
WELL, IT WAS A CLOSE CALL.
EXACTLY!! WE KNEW WE COULD MEET YOUGARA AGAIN!!
IT IS A SURPRISE TO ME THAT YOU ARE BOTH STILL ALIVE!!!
I'LL BE HONEST, DOGSTORM AND CAT VIPER!!

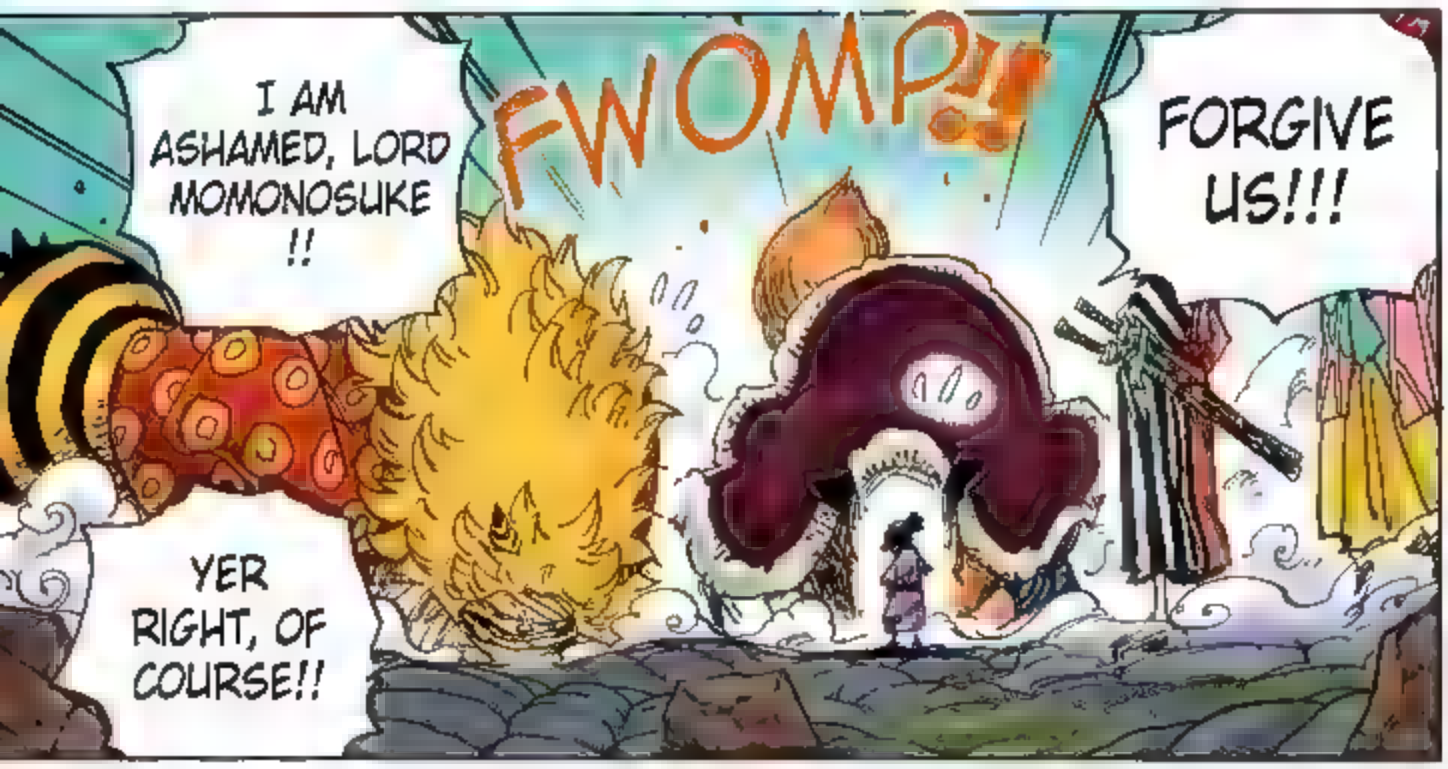

PLEASE, YOU TWO, STOP!!
SO I TOOK OVER THE CONVERSATION INSTEAD!!!
OH YEAH?! WELL, I THOUGHT HE'D GET SICK TALKIN' TO YOUGARA!!
HEY, MONSTER CAT! I WAS TALKING TO KIN'EMON JUST NOW!!
OUR LONG-AWAITED VISITOR HAS FINALLY ARRIVED...
RAH HA H
MROWW!!
GRRR!!
AAAAAH
NAH, YOU TUCK YOUR TAIL AND SCRAM!!!
YOUGARA ARE FINISHED HERE!! BEGONE!!

ER, WELL...
WHY WOULD YOU FIGHT TO THE DEATH LIKE THAT?!
YOU WERE SUCH CLOSE FRIENDS BEFORE!
I FORBID YOU TO FIGHT AGAIN!!!

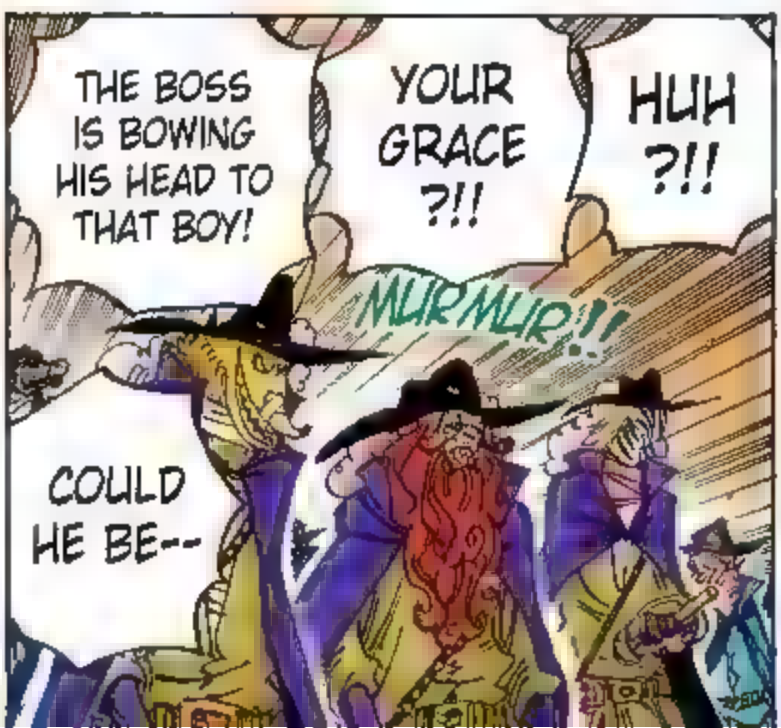

?!
CAT VIPER, DOG-STORM!! STOP THIS FIGHTING !!!

IF FATHER SAW YOU ACTING LIKE THIS, HE WOULD BE VERY SAD!!!
ESPE-CIALLY IF WHAT HAPPENED TO FATHER IS THE CAUSE!!!

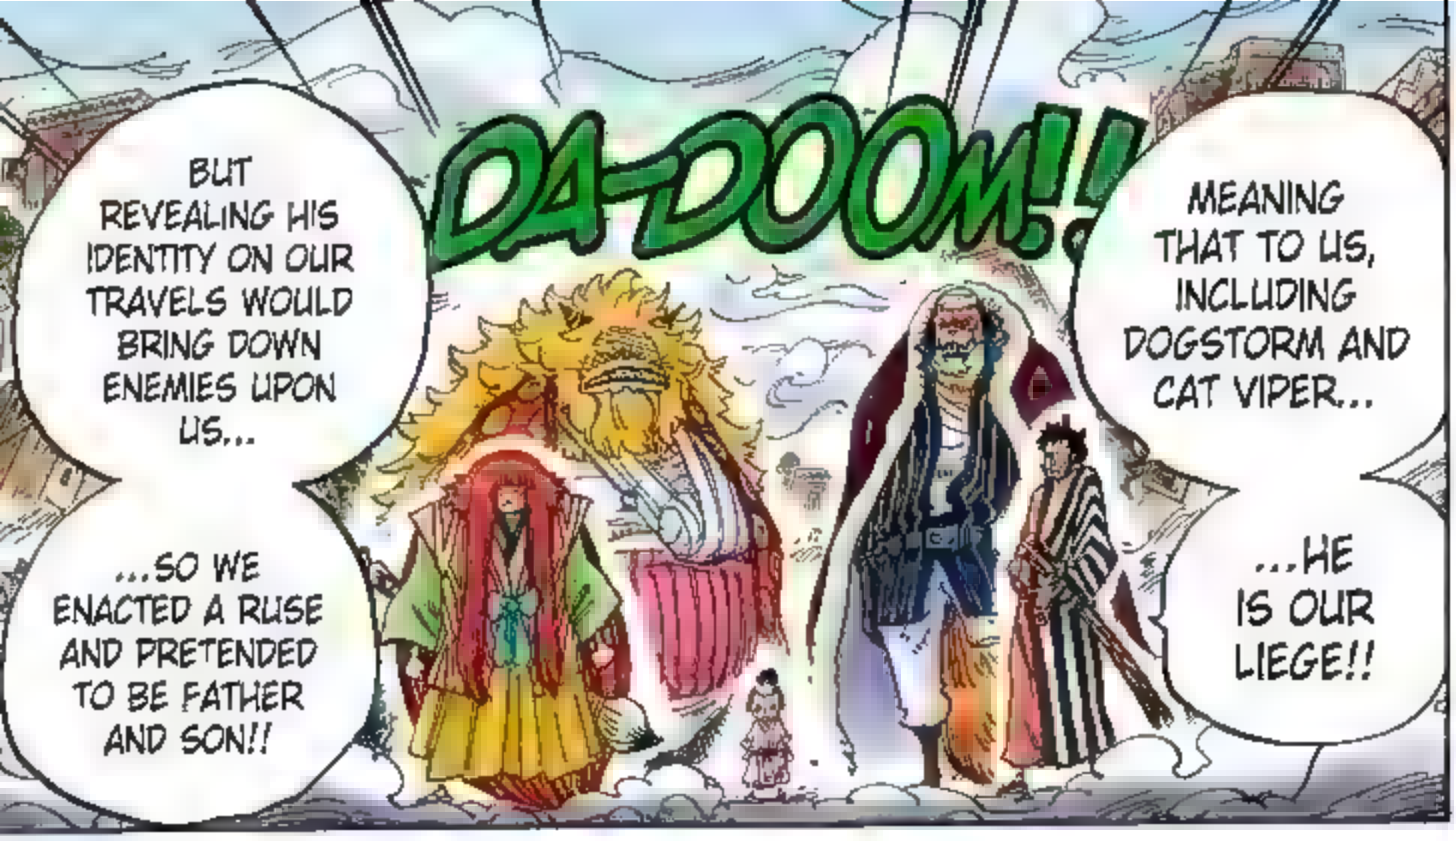

BUT KIN'EMON'S RIGHT THERE.
"FATHER" ...?
?
MOMO?
LORD ODEN...
...!!

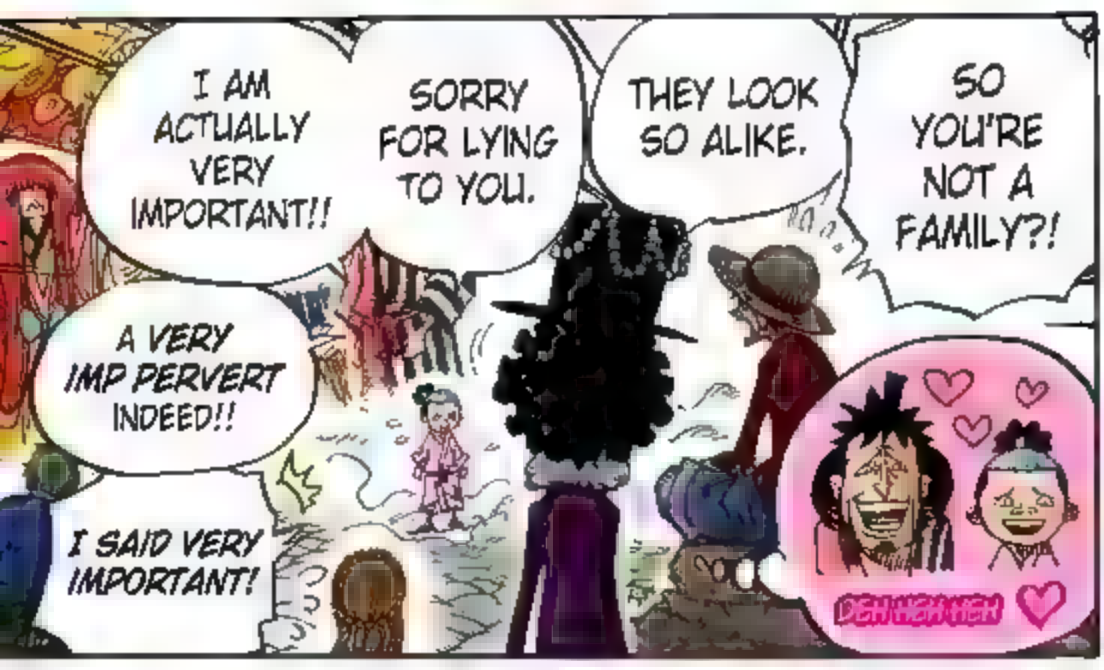

I AM ASHAMED, LORD MOMONOSUKE !!
FWOMP!!
FORGIVE US!!!
YER RIGHT, OF COURSE!!

IT IS AS LORD MOMONO-SUKE SAYS!!
?!!

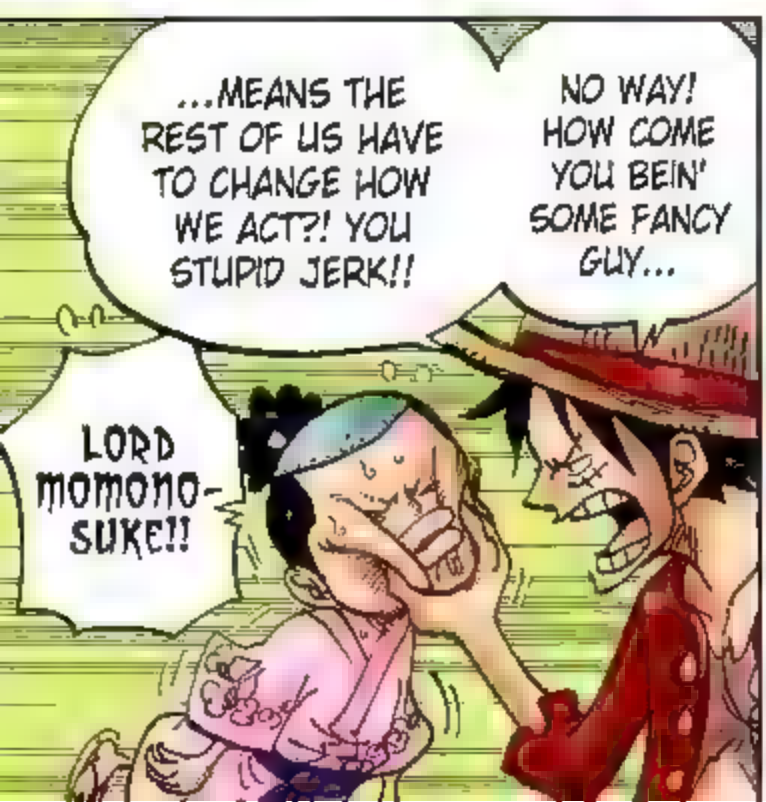

THE BOSS IS BOWING HIS HEAD TO THAT BOY!
YOUR GRACE ?!!
HUH ?!!
MURMUR!!
COULD HE BE--

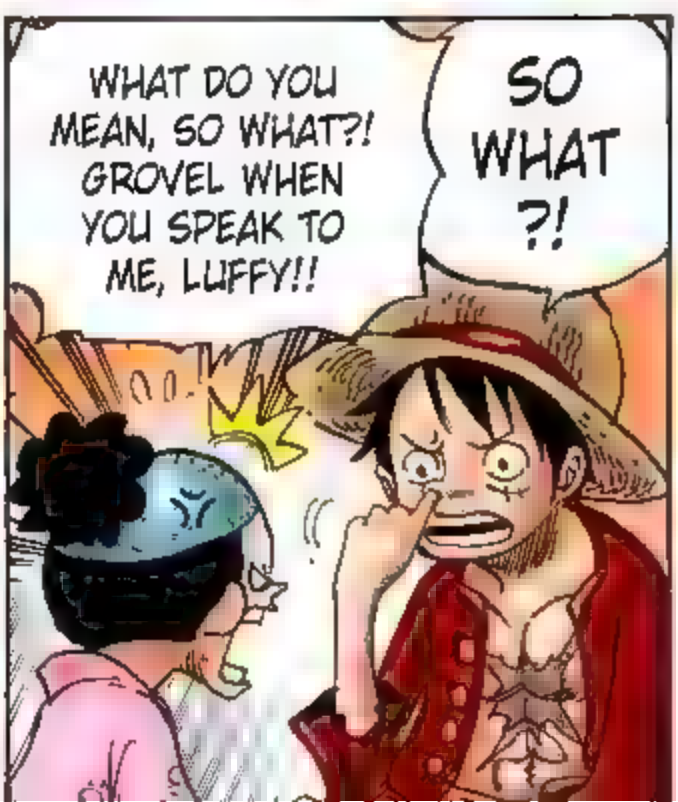

WHAT?!!
IN FACT, LORD MOMONOSUKE AND I ARE NOT FATHER AND SON!!!
FORGIVE US FOR DECEIVING YOU!!
!!
LORD KOZUKI MOMONO-SUKE!!!
STANDING BEFORE YOU IS THE HEIR...
...TO KOZUKI ODEN, GREAT DAIMYO OF KURI IN THE LAND OF WANO!!!
DAIMYO OF KURI, WANO (HEIR) KOZUKI MOMONOSUKE
IF THEY ARE THE FAMILY'S VASSALS, HE MUST BE A VERY POWERFUL LORD INDEED.
SO MOMO'S SOME KINDA BIG SHOT?
FORGIVE US FOR NOT REALIZING!!
LORD ODEN'S SON!!
HEIR OF THE KOZUKI CLAN!!

DA-DOOM!!
BUT REVEALING HIS IDENTITY ON OUR TRAVELS WOULD BRING DOWN ENEMIES UPON US...
...SO WE ENACTED A RUSE AND PRETENDED TO BE FATHER AND SON!!
MEANING THAT TO US, INCLUDING DOGSTORM AND CAT VIPER...
...HE IS OUR LIEGE!!

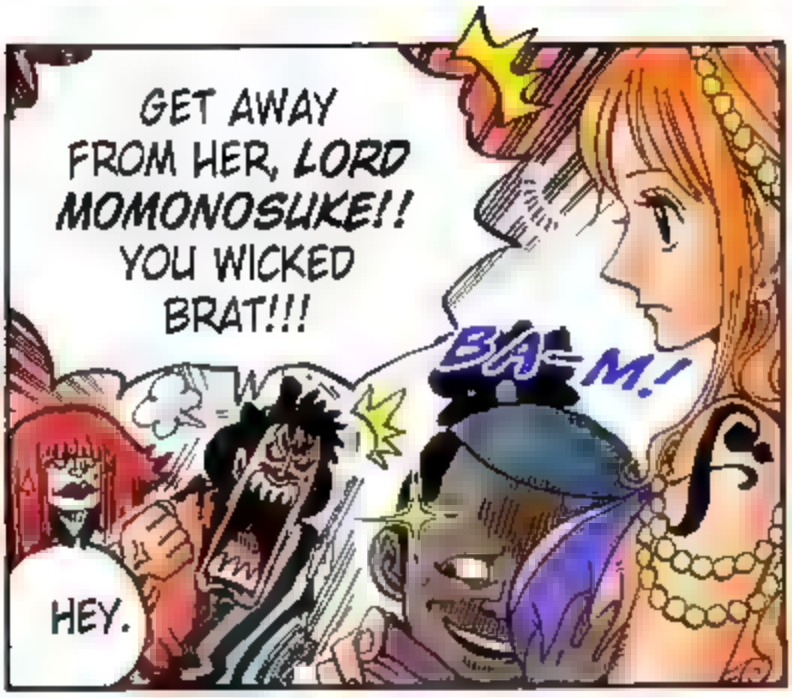

I AM ACTUALLY VERY IMPORTANT!!
SORRY FOR LYING TO YOU.
THEY LOOK SO ALIKE.
SO YOU'RE NOT A FAMILY?!
A VERY IMP PERVERT INDEED!!
I SAID VERY IMPORTANT!
DEN DEN DEN

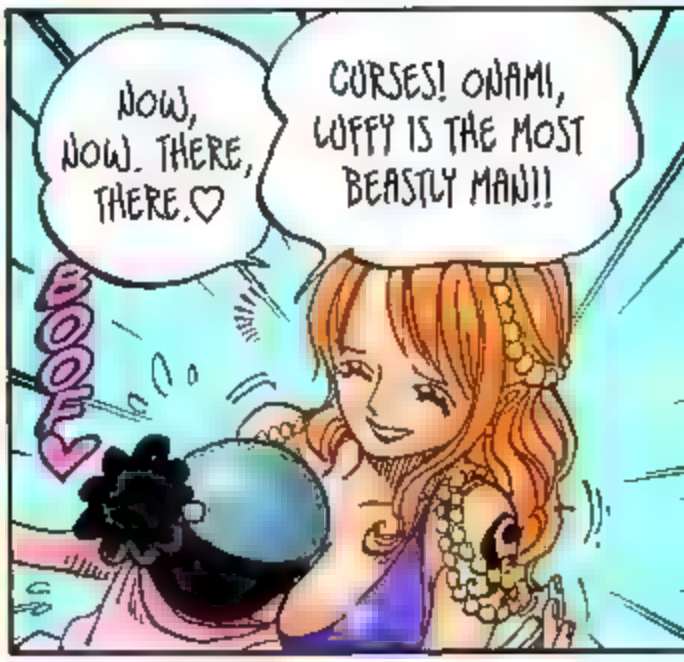

I DID TRUST YOU TO KEEP OUR SECRET, BUT I MISSED THE RIGHT OPPORTUNITY TO REVEAL ALL.

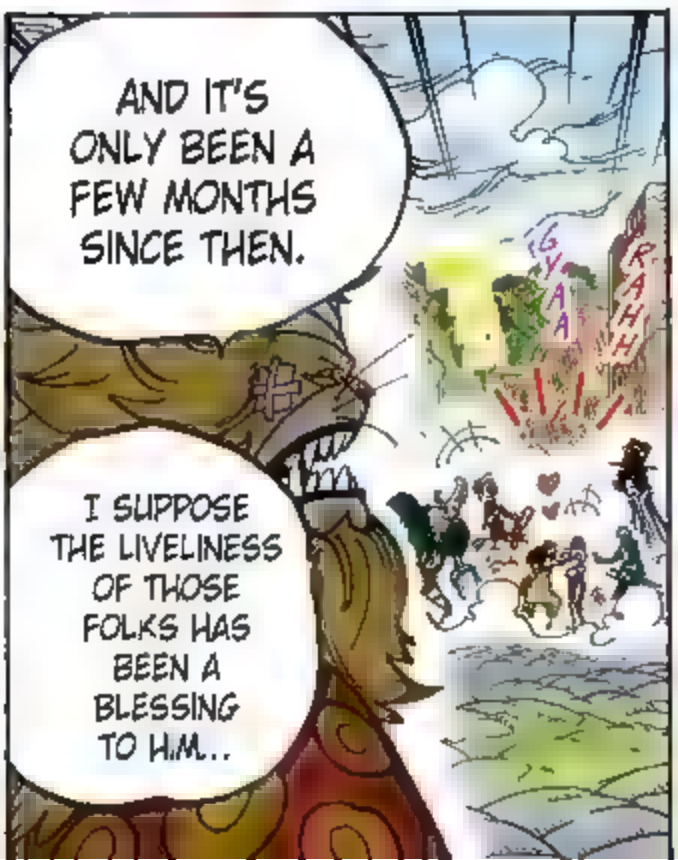

...MEANS THE REST OF US HAVE TO CHANGE HOW WE ACT?! YOU STUPID JERK!!
NO WAY! HOW COME YOU BEIN' SOME FANCY GUY...
LORD MOMONOSUKE!!

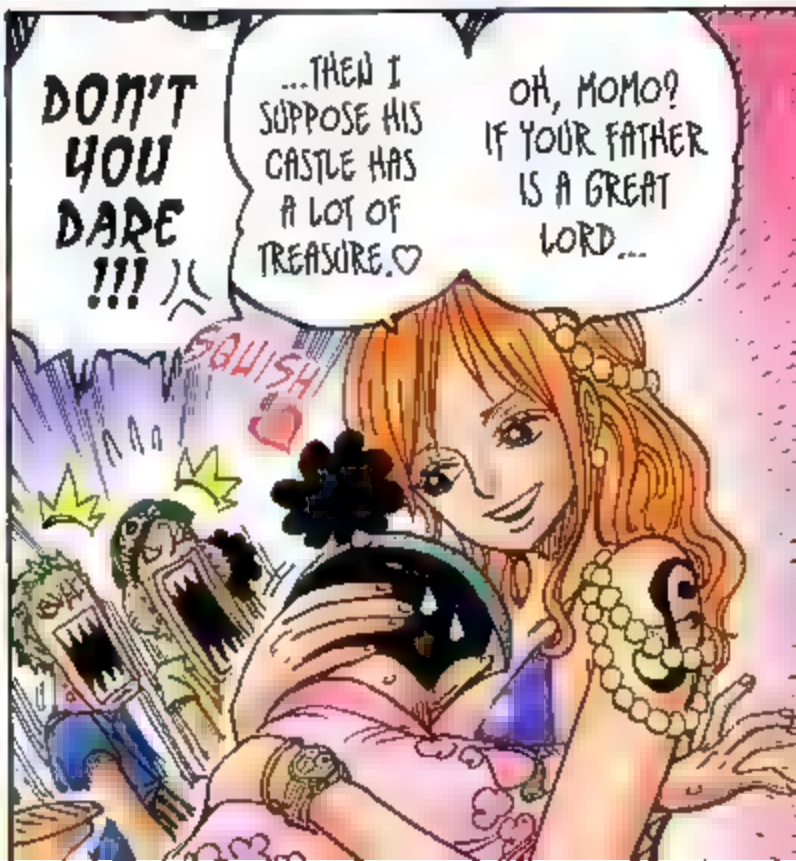

WHAT DO YOU MEAN, SO WHAT?! GROVEL WHEN YOU SPEAK TO ME, LUFFY!!
SO WHAT?!

YOU CANNOT EXPECT PIRATES TO HAVE MANNERS.
AT LEAST IT IS A GOOD DISTRACTION FOR HIM, PERHAPS?
THERE THEY GO AGAIN... WELL, THEY ARE OUR SAVIORS...
A WARRIOR IS AFRAID OF NOTHING, YOU BRAZEN LOUT!!!
YOU'RE JUST A WIMP WHO'S AFRAID OF HEIGHTS!!
GYAA
BOP BOP
GYAA
RAHH

GET AWAY FROM HER, LORD MOMONOSUKE!! YOU WICKED BRAT!!!
BA-M!
HEY.

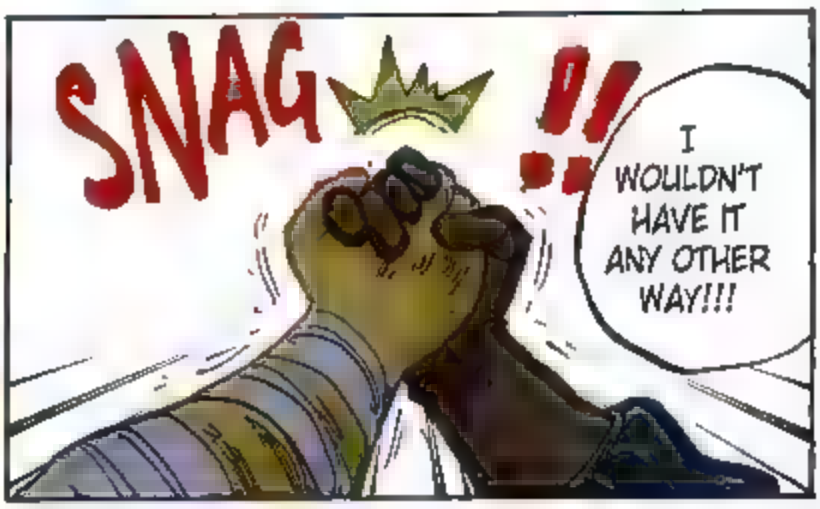

NOW, NOW. THERE, THERE.♡
CURSES! ONAMI, LUFFY IS THE MOST BEASTLY MAN!!
BOOF!

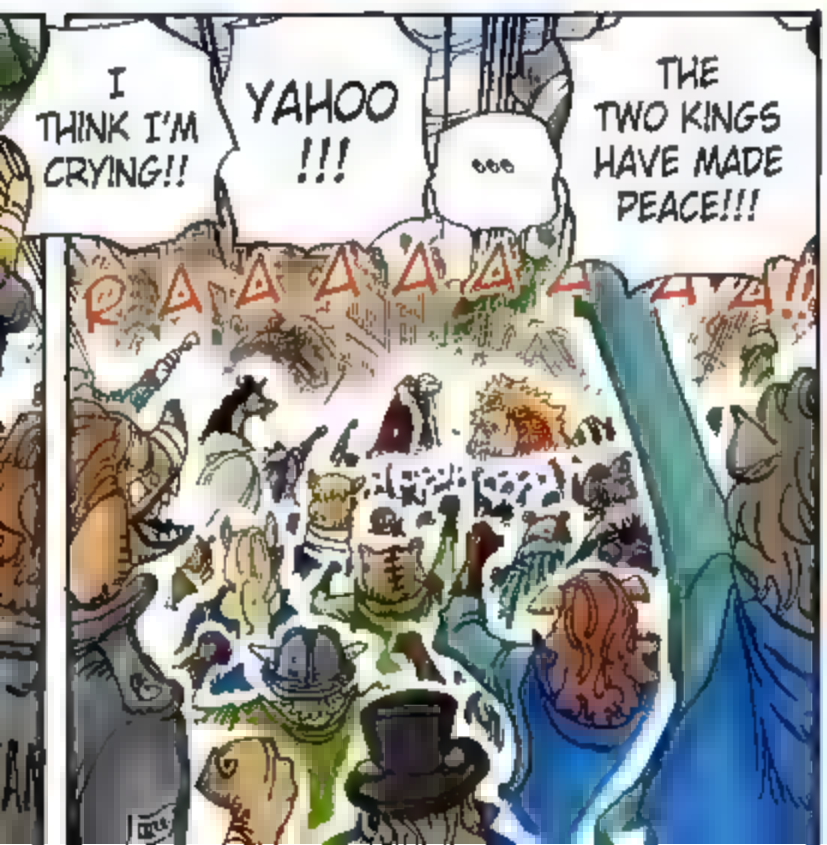

AND IT'S ONLY BEEN A FEW MONTHS SINCE THEN.
I SUPPOSE THE LIVELINESS OF THOSE FOLKS HAS BEEN A BLESSING TO HIM...
GYAA
RAHH

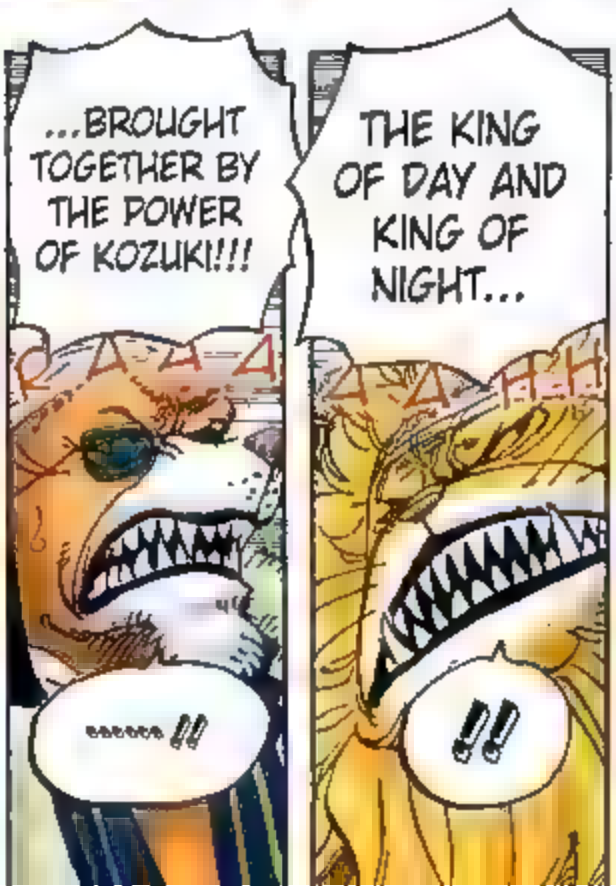

DON'T YOU DARE !!!
...THEN I SUPPOSE HIS CASTLE HAS A LOT OF TREASURE.♡
OH, MOMO? IF YOUR FATHER IS A GREAT LORD...
SQUISH

I MIGHT SHARE WORDS WITH YOUGARA BUT NOT MY SYMPATHIES!!
ONLY FOR THE SAKE OF OUR LIEGE!!
...IT WILL ONLY PAIN LORD MOMONOSUKE.
IF WE LET THIS DRAG ON AND ON...
LET'S HAVE A CEASE-FIRE, CAT!!

IT'S A MIRACLE !!!
OOOH !!!

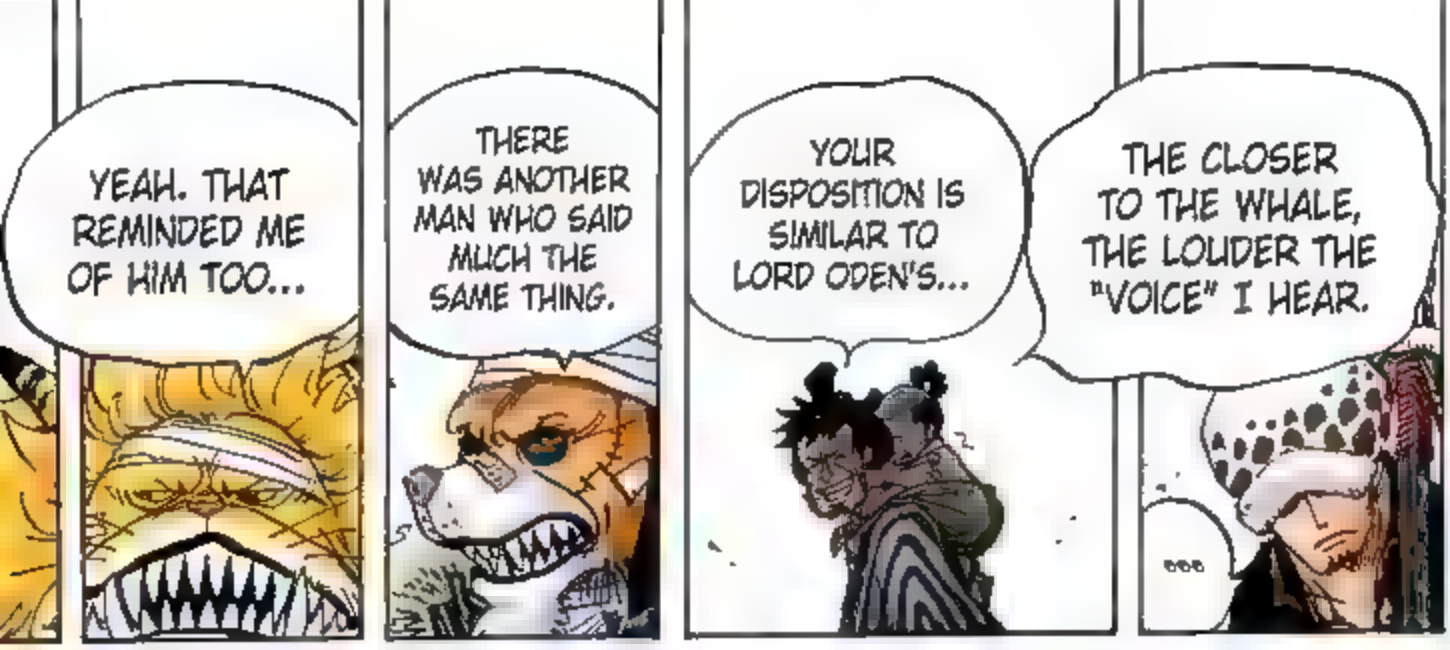

SNAG !!
I WOULDN'T HAVE IT ANY OTHER WAY!!!

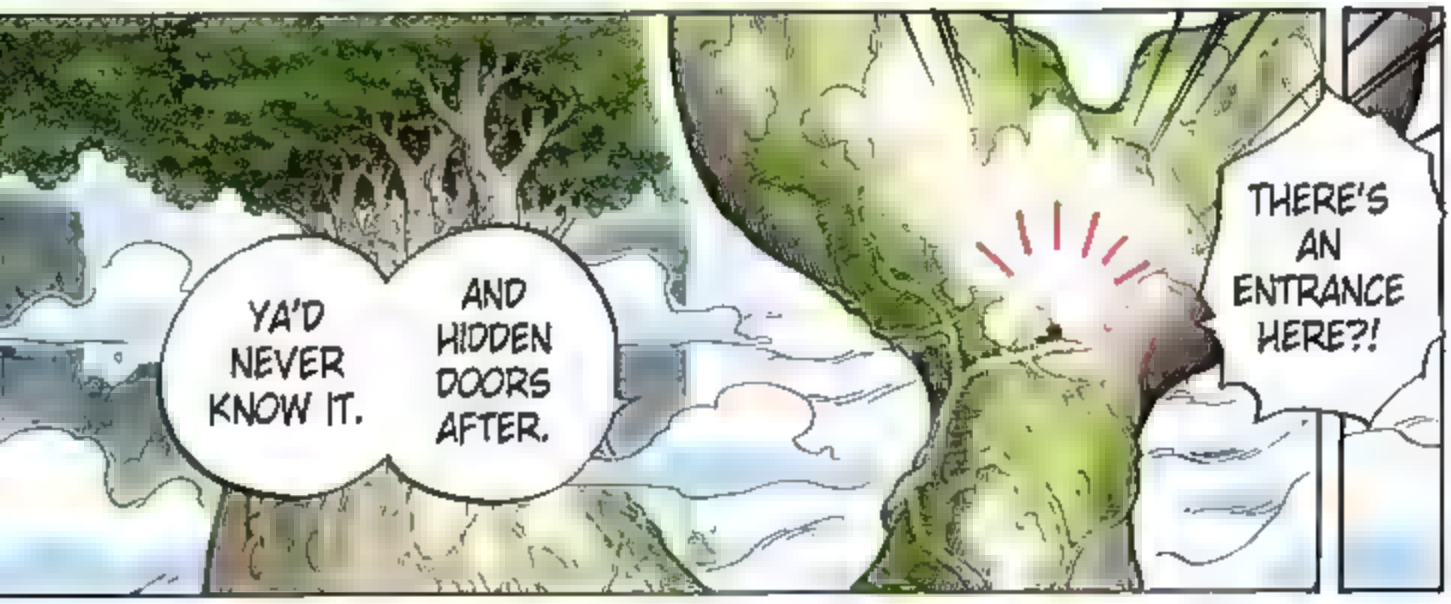

I THINK I'M CRYING!!
YAHOO !!!
THE TWO KINGS HAVE MADE PEACE!!!

...BROUGHT TOGETHER BY THE POWER OF KOZUKI!!!!
THE KING OF DAY AND KING OF NIGHT...
!!

GUARDIANS' DWELLING
THIS IS WHERE RAIZO IS?!
...AND IT'LL GETCHA TO THE TOP.
WE'RE GONNA CLIMB THE WHALE.
JUST REMEMBER THE ORDER OF VINES TO CROSS...
DO
GA!

UGH... I DO NOT FEEL GOOD, KIN'EMON.
NIN-NIN!!
NINJA, NINJA!!
I GET TO MEET A NINJA!!
I CAN'T WAIT TO SEE THE NINJA!!
YOU CAN WAIT DOWN BELOW, LORD MOMONOSUKE.
NIN!! NIN!!

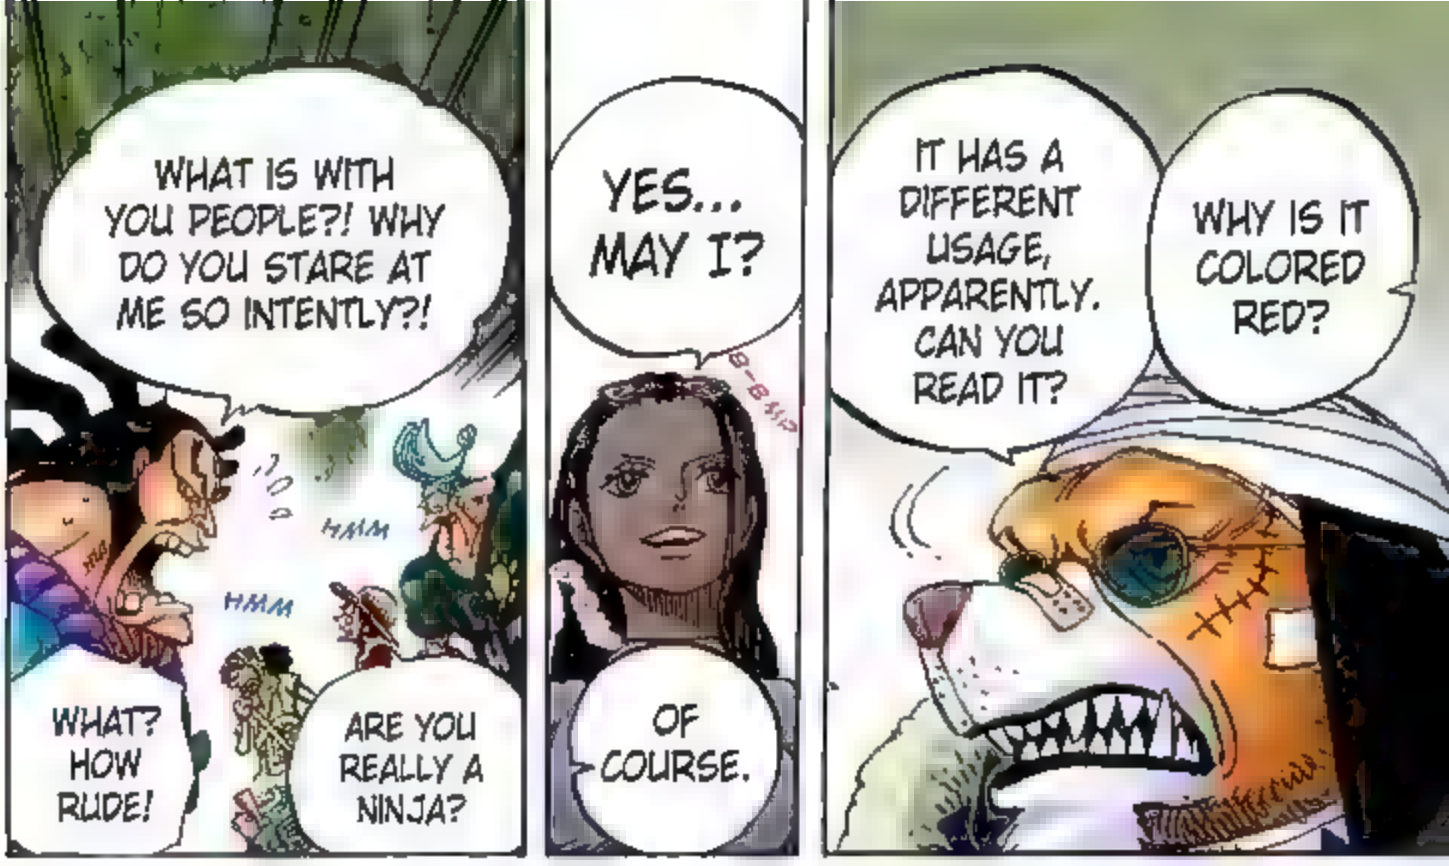

YEAH. THAT REMINDED ME OF HIM TOO...
THERE WAS ANOTHER MAN WHO SAID MUCH THE SAME THING.
YOUR DISPOSITION IS SIMILAR TO LORD ODEN'S...
THE CLOSER TO THE WHALE, THE LOUDER THE "VOICE" I HEAR.
...

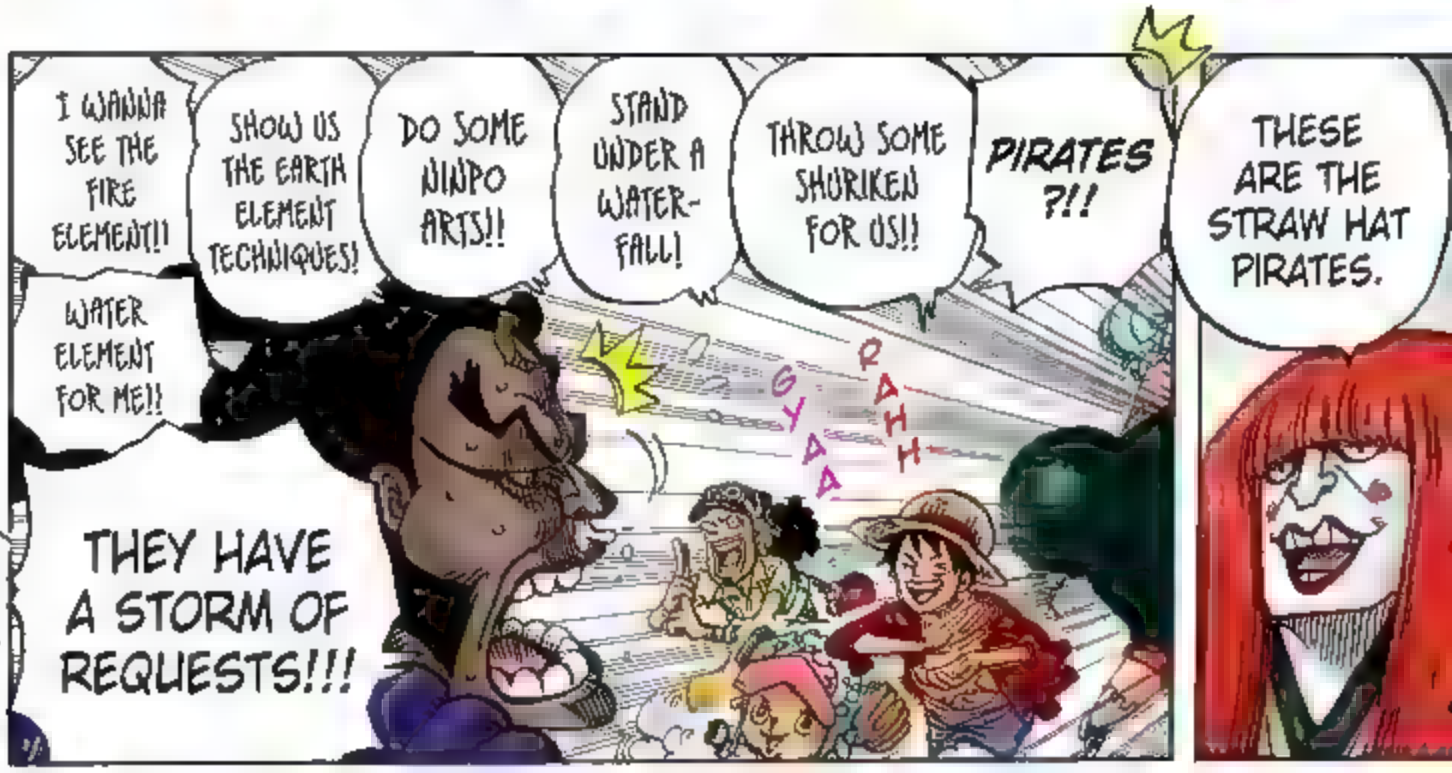

YA'D NEVER KNOW IT.
AND HIDDEN DOORS AFTER.
THERE'S AN ENTRANCE HERE?!

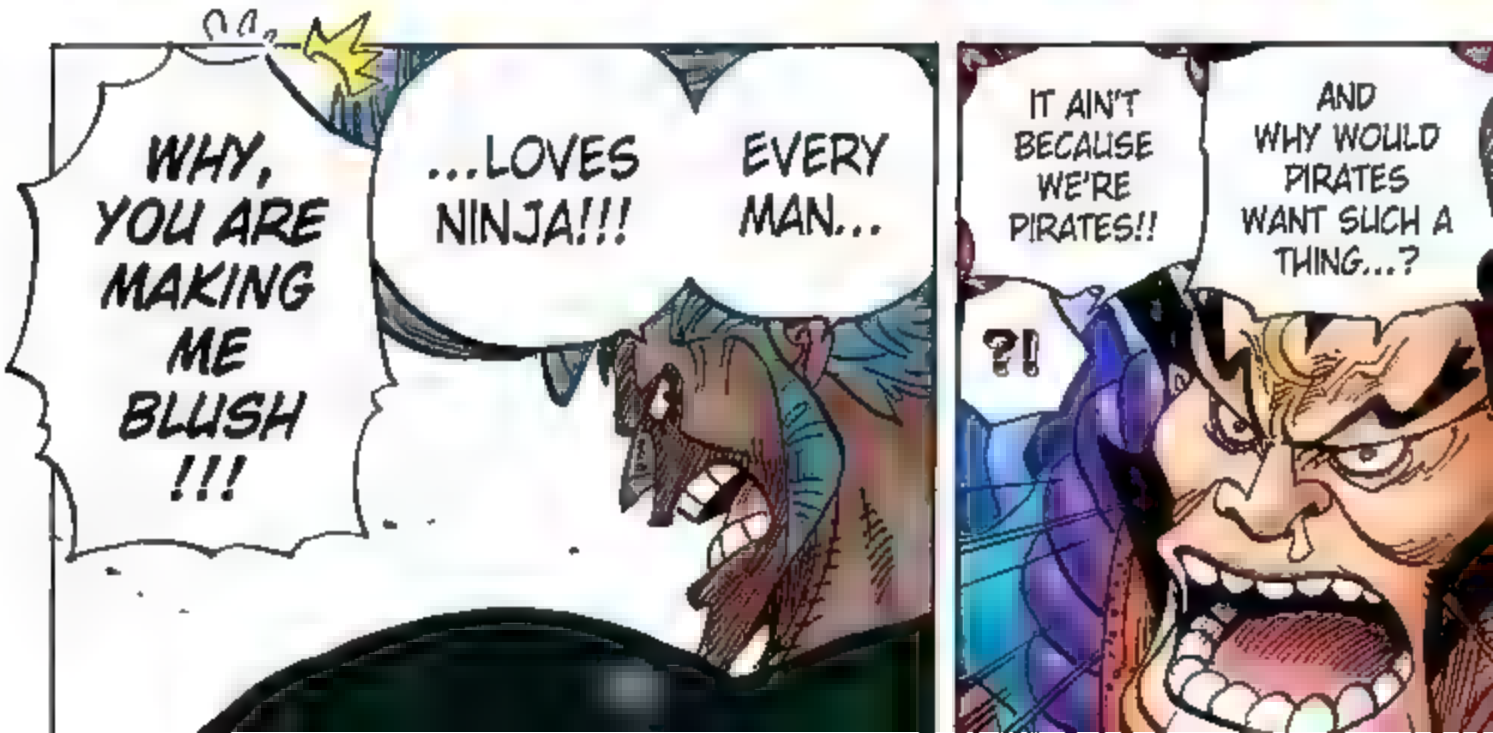

THERE YOU ARE, CAT VIPER!!!
YAHOO!! WHERE'S THE NINJA ?!!
WELL, HERE WE ARE!!
NINJA, NINJA!
NINJ...
NINJA !!
I HEAR SCREAMING FROM BELOW!!
YAARGH
THESE STAIRS LAST AWHILE.
WATCH YOUR STEP.

IF YOU ARE LYING TO ME, THEN KNOW THAT YOU HAVE EARNED THE WRATH OF RAIZO!!!
THEY TOLD ME THE COUNTRY WAS SAFE...BUT IS IT TRUE?!!
EVERY-ONE WHO BROUGHT MY FOOD WAS INJURED!!!
WHY DID YOU NOT HAND ME TO YOUR FOES?!!
KAAAH !!!
?!!
NINJA OF WANO
RAIZO OF THE MIST
...WHAT I EX-PECTED !!!
GO—NG!!
WHAAAT ?!! THAT IS NOT...

RAIZOOO!!

YOU ARE ALL WELL!!
AND YOU!!
LORD MOMONOSUKE!!
OHHH!! KIN'EMON!! KANJURO !!
THE CREST HAS BEEN HERE FOR CENTURIES.
YEP! IT'S A PONEGLYPH!!
I'VE NEVER SEEN ONE SO...RED!
AND... THAT STONE?!
AND I KNOW ABOUT YOUGARA, NICO ROBIN!! I'VE HEARD THAT OHARA DECIPHERED THOSE RUNES.

WHAT IS WITH YOU PEOPLE?! WHY DO YOU STARE AT ME SO INTENTLY?!
HMM
HMM
WHAT? HOW RUDE!
ARE YOU REALLY A NINJA?
YES... MAY I?
B-BAH?
OF COURSE.
IT HAS A DIFFERENT USAGE, APPARENTLY. CAN YOU READ IT?
WHY IS IT COLORED RED?

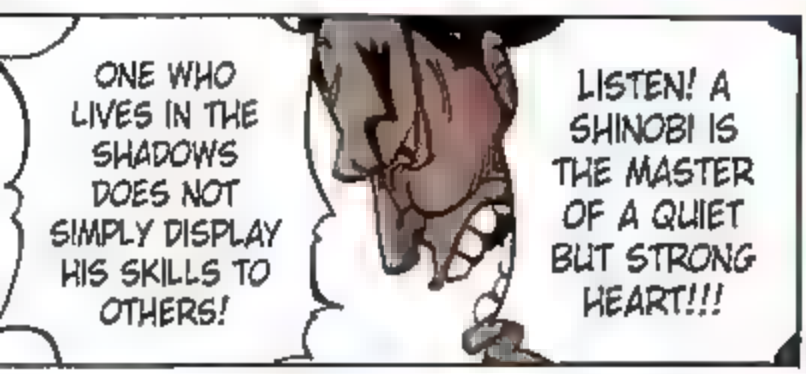

I WANNA SEE THE FIRE ELEMENT!!
SHOW US THE EARTH ELEMENT TECHNIQUES!
DO SOME NINPO ARTS!!
STAND UNDER A WATER-FALL!
THROW SOME SHURIKEN FOR US!!
PIRATES ?!!
WATER ELEMENT FOR ME!!
THEY HAVE A STORM OF REQUESTS!!!
GYAA
RAHH
THESE ARE THE STRAW HAT PIRATES.

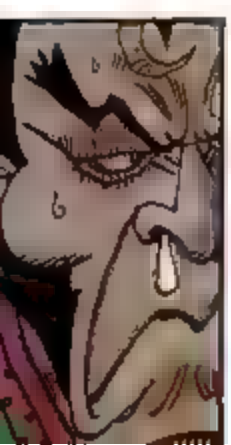

WHY, YOU ARE MAKING ME BLUSH !!!
...LOVES NINJA!!!
EVERY MAN...
IT AIN'T BECAUSE WE'RE PIRATES!!
AND WHY WOULD PIRATES WANT SUCH A THING...?
?!

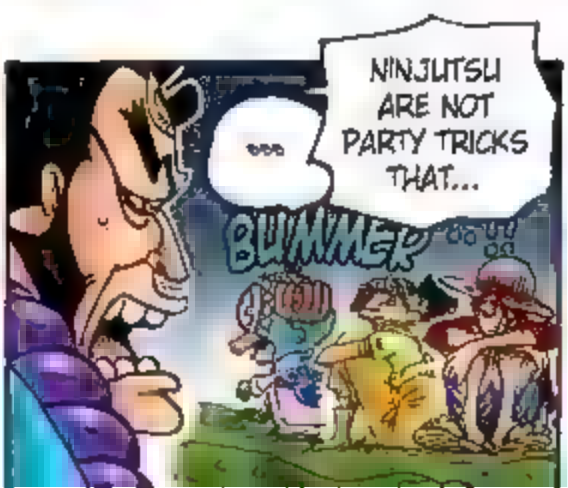

HOLD A SCROLL IN YOUR MOUTH AND SAY "NIN, NIN"!!!
HIDE BEHIND THE CEILING AND GET STABBED BY A SPEAR.
MUGYUU
SHOW ME YOUR DOPPEL-GÄNGER TECH-NIQUE.
TRAIN YOUR SKILLS BY JUMPING OVER EVER-GROWING BAMBOO STALKS!
HAVE YOU EVER GONE OUT WITH A KUNOICHI, A FEMALE NINJA?!

NINJA DO NOT SAY "NIN, NIN"!!

DON'T PUSH YOUR STEREO-TYPES ON ME !!!

*THE SHURIKEN SPELL OUT "SHINOBI."

SBS Question Corner

(Takahisa Fujimoto, Nara)

A: Hello there. I suppose we'll get started with our question and ans—

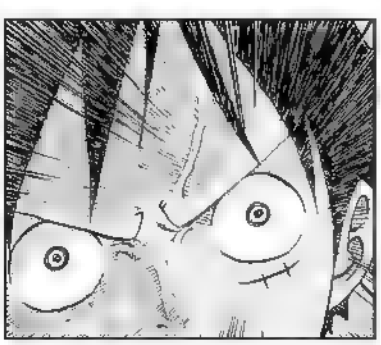

Q: I recognize that face… You're Eiichiro Oda, aren't ya? I hear you're having trouble with your SBS segment getting hijacked... So you tried to line up at the SBS arena first thing in the morning. Nice try, pal!!! I lined up three days ago. So **I'm** gonna say the words…

"Let's start the SBS!!"

--Komashu

A: Whoaaaa!!
I have to wait a hundred years to try again?!

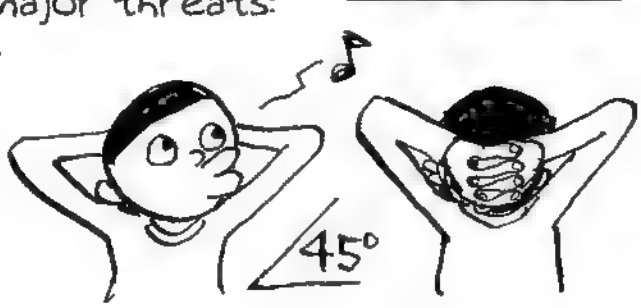

Q: Oda Sensei, I've got big trouble. Akainu is standing right behind me. What should I do?

--Junpei T.

A: First, stay calm. I'm going to show you the pose that will allow you to get past Akainu. Shape your mouth into a "3" sign, look up and to the left, and start whistling. This will help you slip past most major threats: Bears, ghosts, you name it.

A: Oh, they put one of those out, did they? It's called the *Polar Tang*. It's hard to work the names into the story, so these things slip through.

Q: Gorilla is yummy.
I like Lassen's dolphin paintings.

SBS Question Corner

(Can☆, Aomori)

Q: Hey, I just noticed something!! Is it possible that in the scene where the Cat Viper is singing in the bath, he's actually singing Beethoven's Ninth? Meow-meow-meow meowww, meow-meow-meow meowww!♪

--Samurai Ryota

A: Ooh, good call! It fits perfectly. I never realized that Beethoven's Ninth had lyrics! Try singing them in music class at school.

Q: There certainly are a lot of old men in *One Piece.* Is it a consequence of the story setting that there are so many old characters? Or do you just have a bad case of "Gotta-Draw-Old-Men-or-I'll-Die-itis"?

--Bootylicia

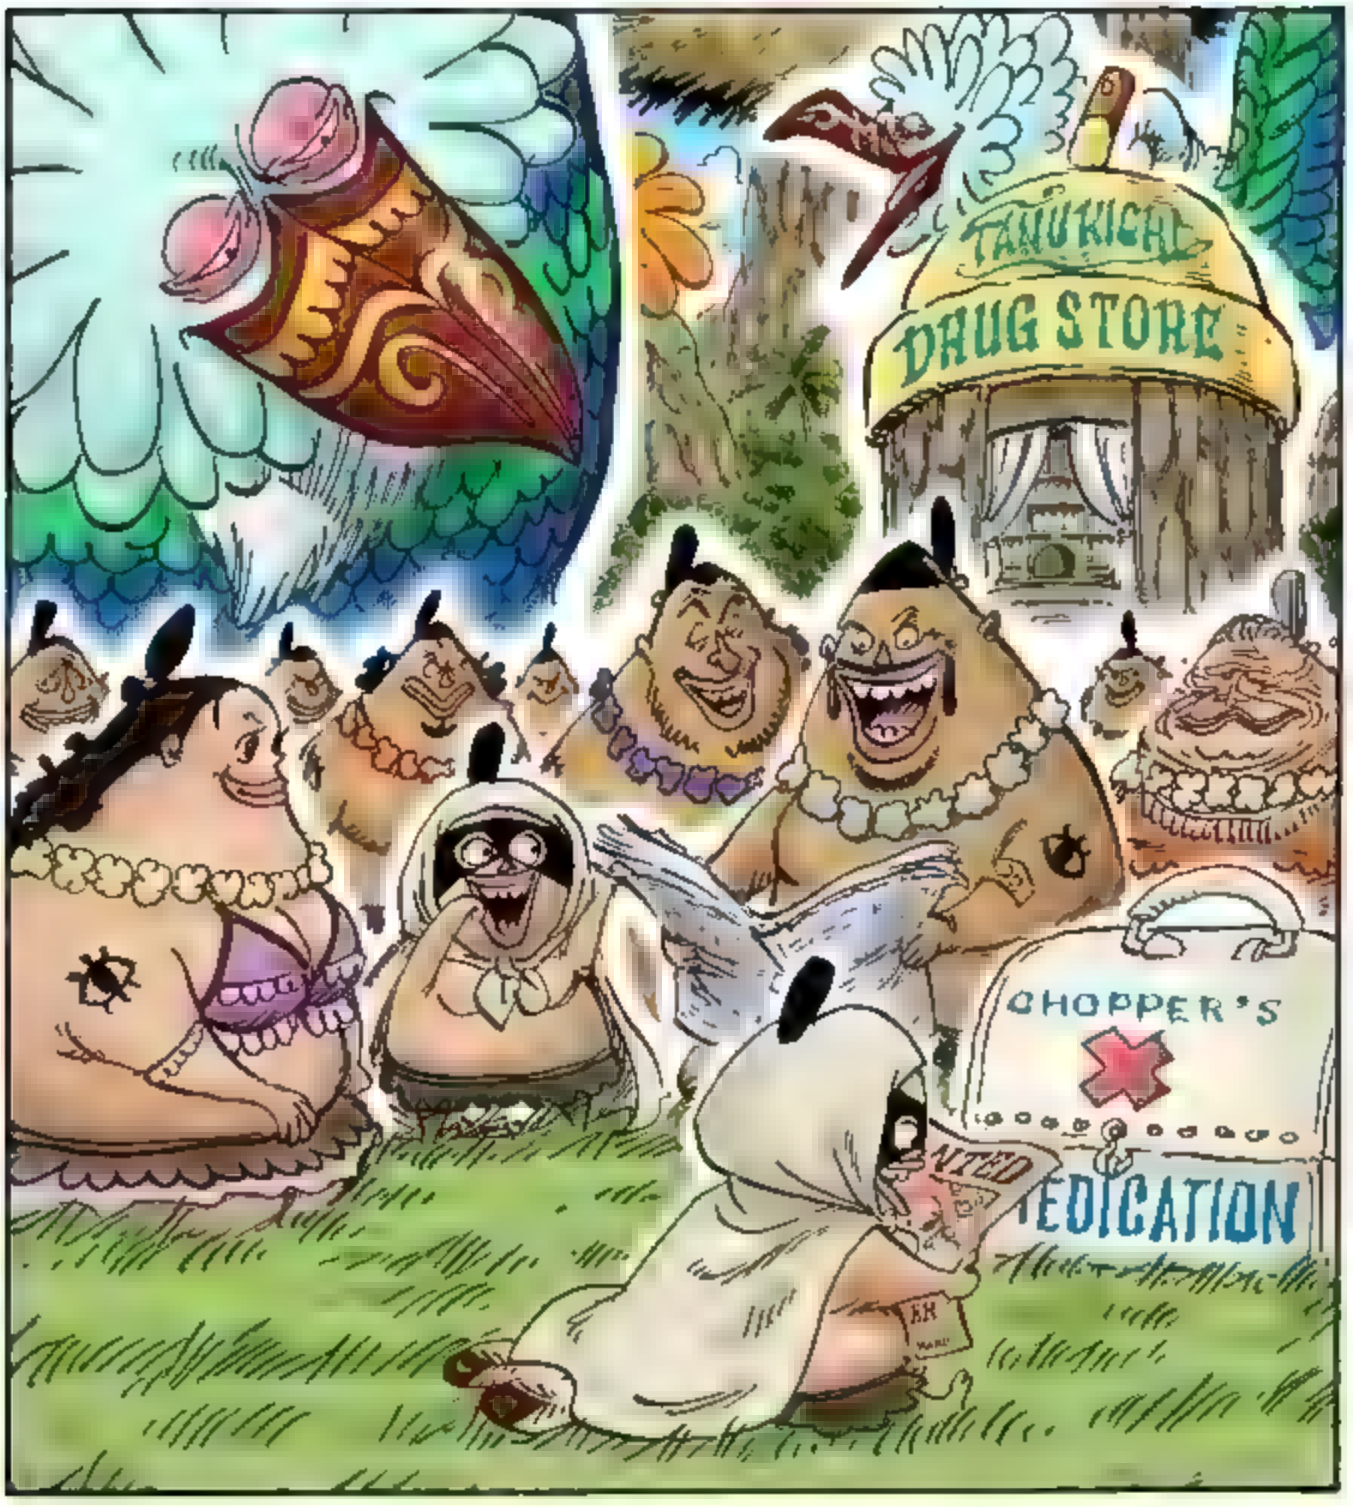

A: I love old dudes! I think that both men and women grow deeper and more interesting as they age. They're very often fascinating figures! However, reality means that you also grow physically weaker as you age. I've always had a deep disgust for young people who insult and disrespect their elders for this inevitable fact of life. So one of the fantasies that I depict in One Piece is a world in which old dudes, old ladies, gram-grams and pop-pops are still kickin' butt and takin' names. You'll be old like them one day too. Wouldn't it be cool to be this tough?

Q: Since you're the author of *One Piece,* have you ever worn a one piece dress? Also, how old is Silvers Rayleigh?

--Jabras Rayleigh

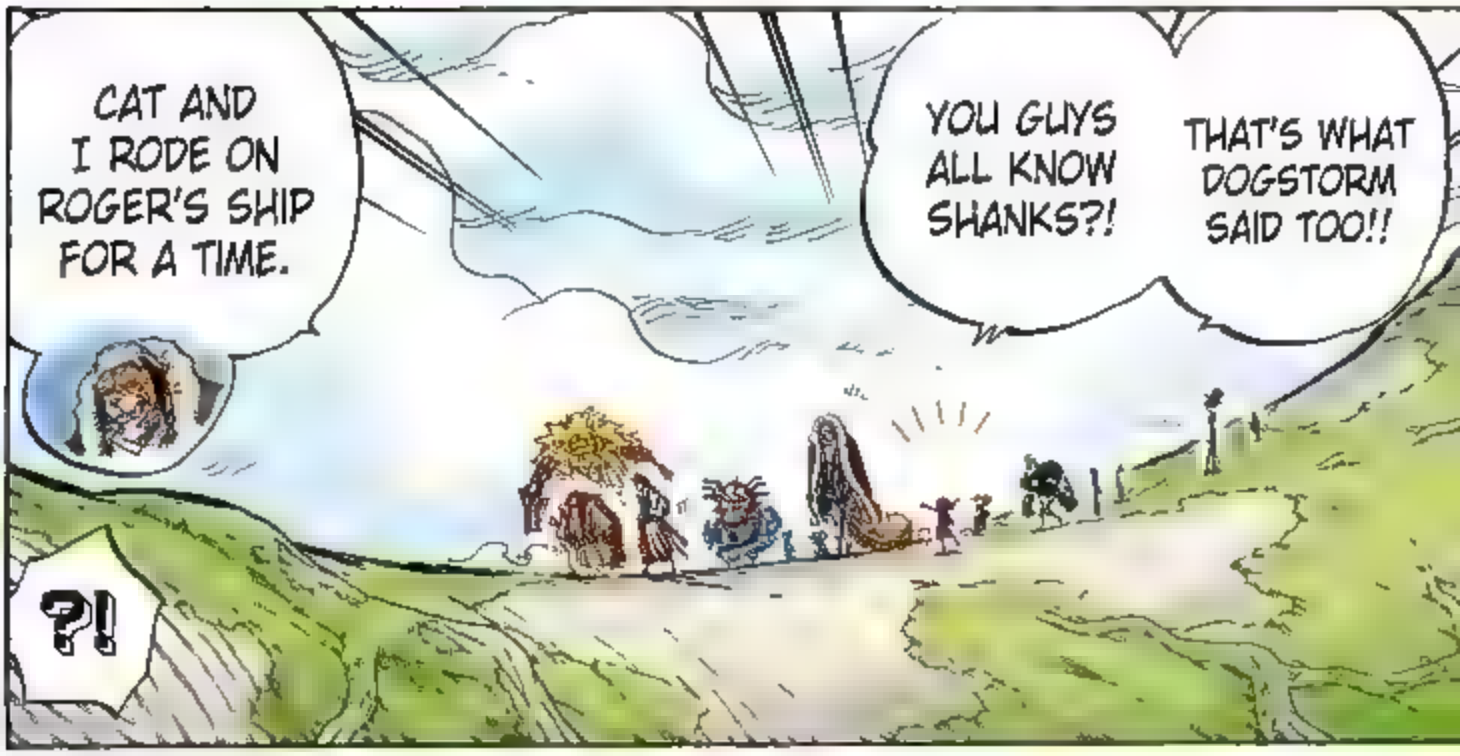

A: I always wear a one piece while at work. Rayleigh is 78 years old. On that note, Roger would be 77, Garp is 78, Sengoku is 79, and Otsuru is 76.

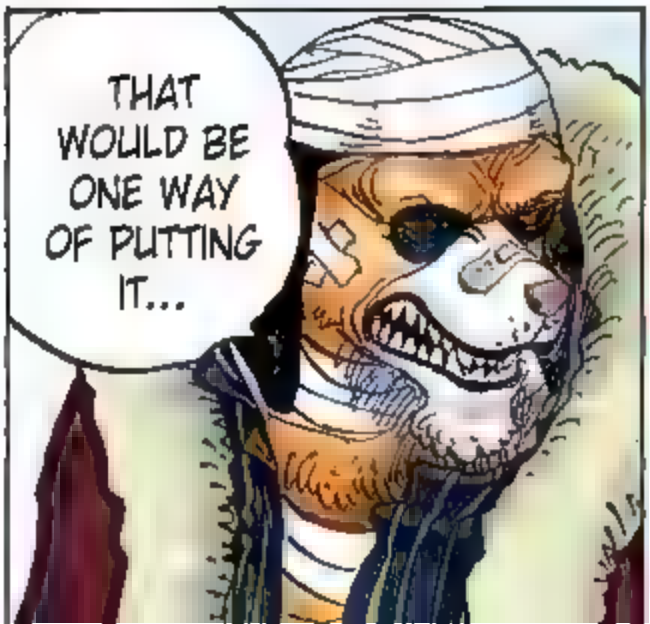

Chapter 820:
CATS AND DOGS HAVE A HISTORY

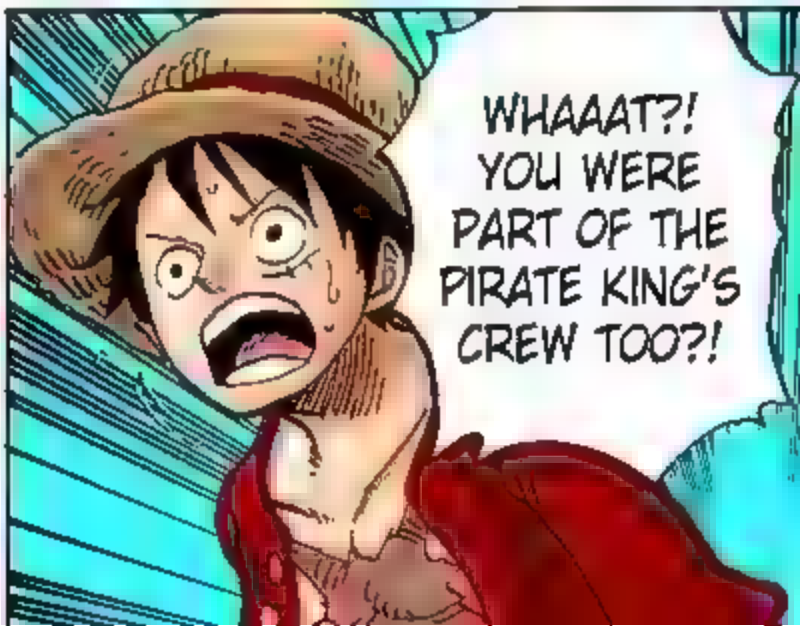

DECKS OF THE WORLD, 500-MILLION-MAN ARC,
VOL. 13: "BIRDIE KINGDOM"

NO WONDER THAT STRAW HAT LOOKED FAMILIAR!!
AH, I SEE!

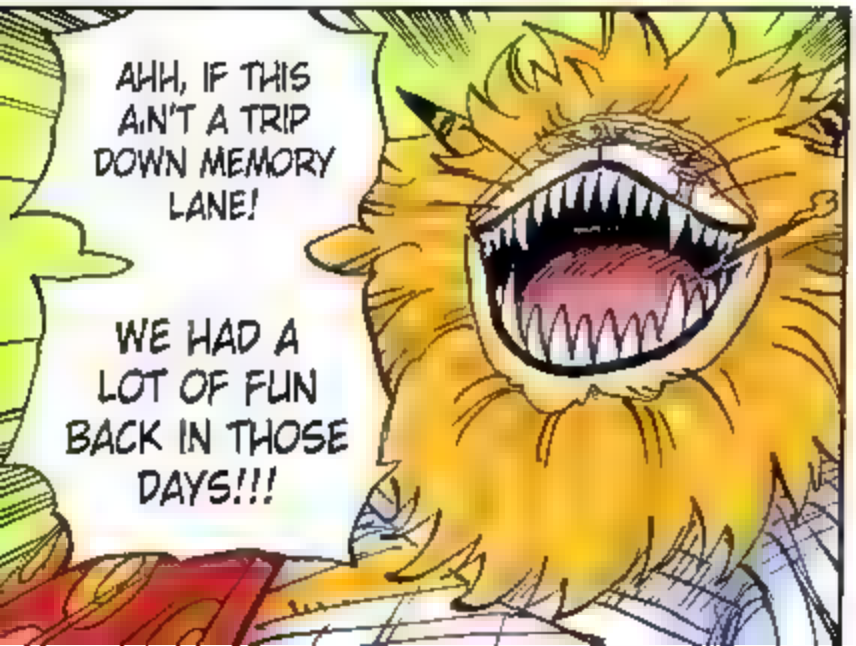

CAT AND I RODE ON ROGER'S SHIP FOR A TIME.
YOU GUYS ALL KNOW SHANKS?!
THAT'S WHAT DOGSTORM SAID TOO!!
?!

THAT WOULD BE ONE WAY OF PUTTING IT...

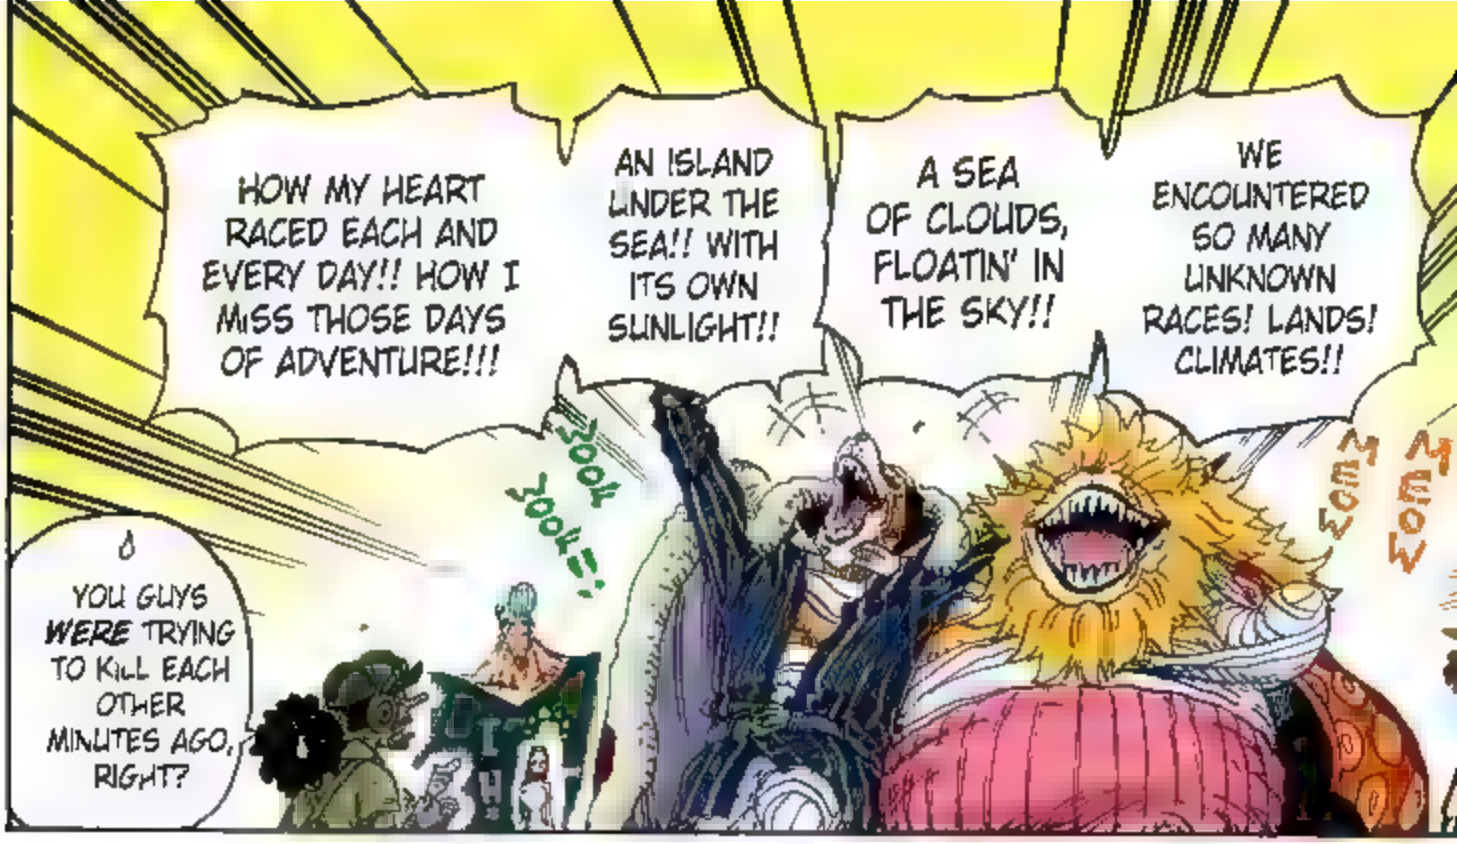

WHAAAT?! YOU WERE PART OF THE PIRATE KING'S CREW TOO?!

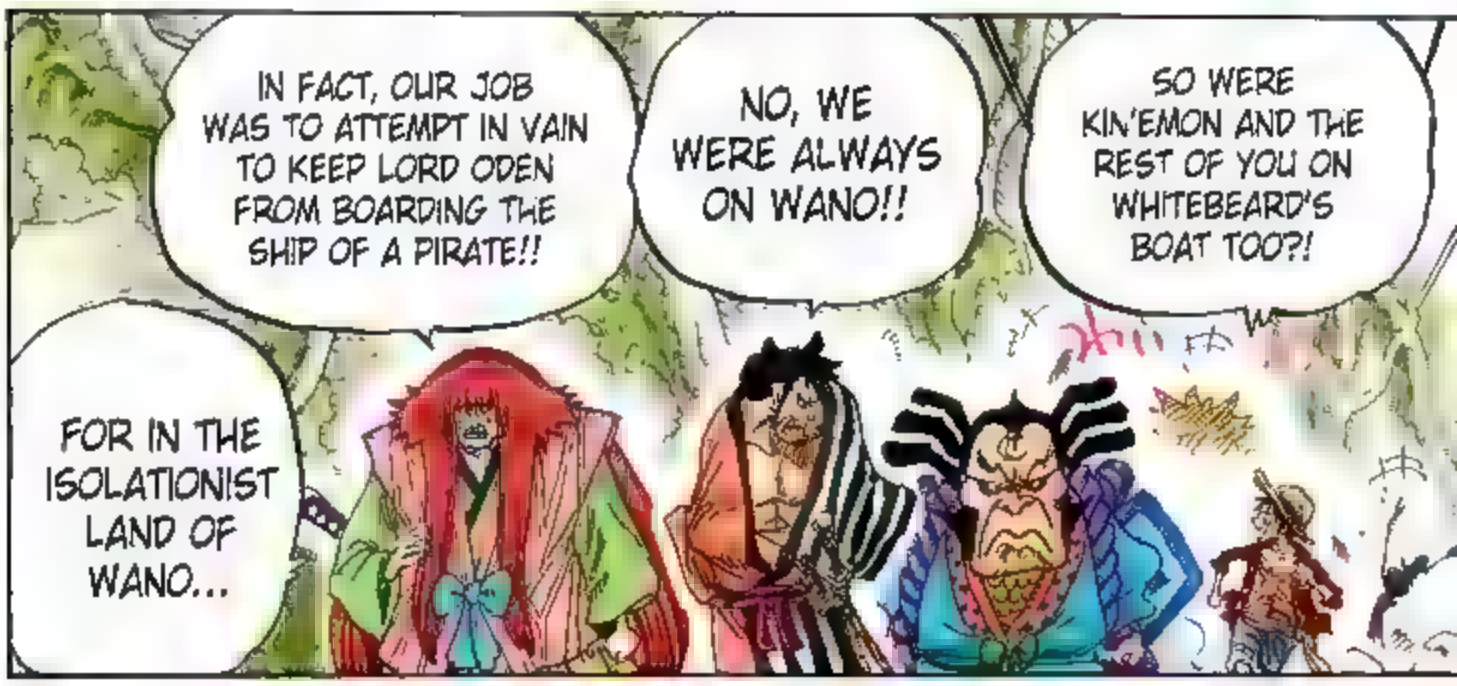

IT WAS FROM THERE THAT ROGER SCOUTED LORD ODEN, AND WE JOINED HIM, OF COURSE.
HUH?
SO WE ALSO RODE ON WHITEBEARD'S MOBY DICK FOR A TIME.
WE ACCOMPANIED LORD ODEN AS HIS RETAINERS, EVERY-WHERE HE WENT.
WAIT, WAIT, WAIT!! WHITE-BEARD?!!
!

MY MIND CAN'T WRAP ITSELF AROUND THESE FACTS!!
WAIT, STOP, STOP!
IN GENERATIONAL TERMS, LORD ODEN WAS MORE OF A KID OR AN APPRENTICE BACK THEN, LIKE SHANKS AND BUGGY.
BUT WE DIDN'T JOIN 'EM ON THE TRIP TA RAFTEL.

AHH, IF THIS AIN'T A TRIP DOWN MEMORY LANE!
WE HAD A LOT OF FUN BACK IN THOSE DAYS!!!

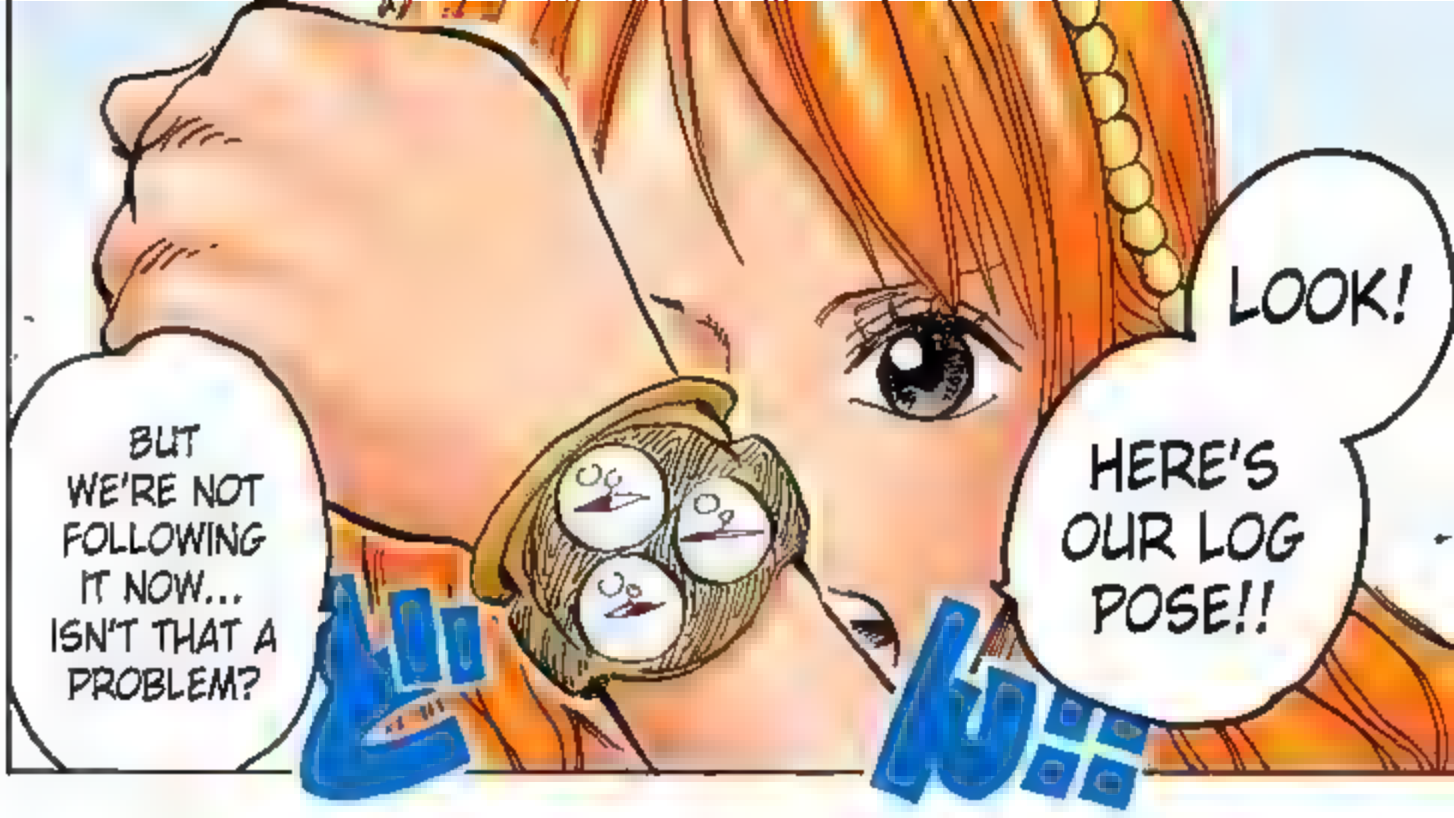

OKAY, SO... ODEN, DOG AND CAT WERE ON WHITEBEARD'S SHIP, THEN...
...!!!
...?!

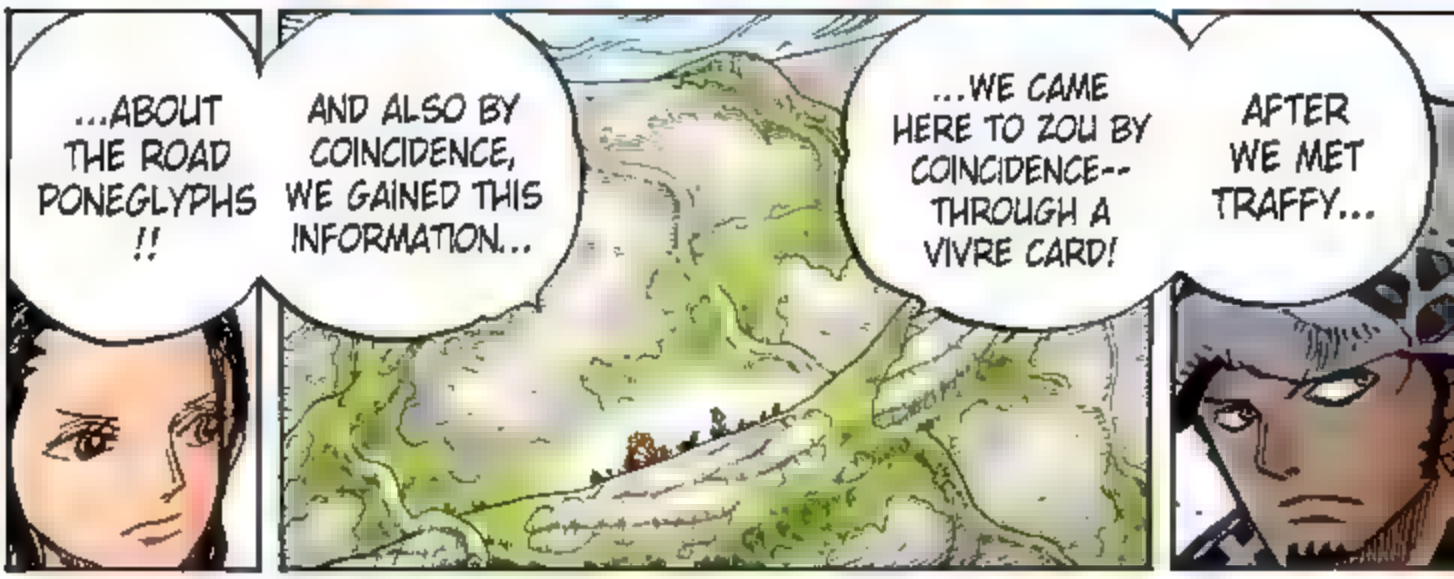

HOW MY HEART RACED EACH AND EVERY DAY!! HOW I MISS THOSE DAYS OF ADVENTURE!!!
AN ISLAND UNDER THE SEA!! WITH ITS OWN SUNLIGHT!!
A SEA OF CLOUDS, FLOATIN' IN THE SKY!!
WE ENCOUNTERED SO MANY UNKNOWN RACES! LANDS! CLIMATES!!
Jook Jook
Meow Meow
YOU GUYS WERE TRYING TO KILL EACH OTHER MINUTES AGO, RIGHT?

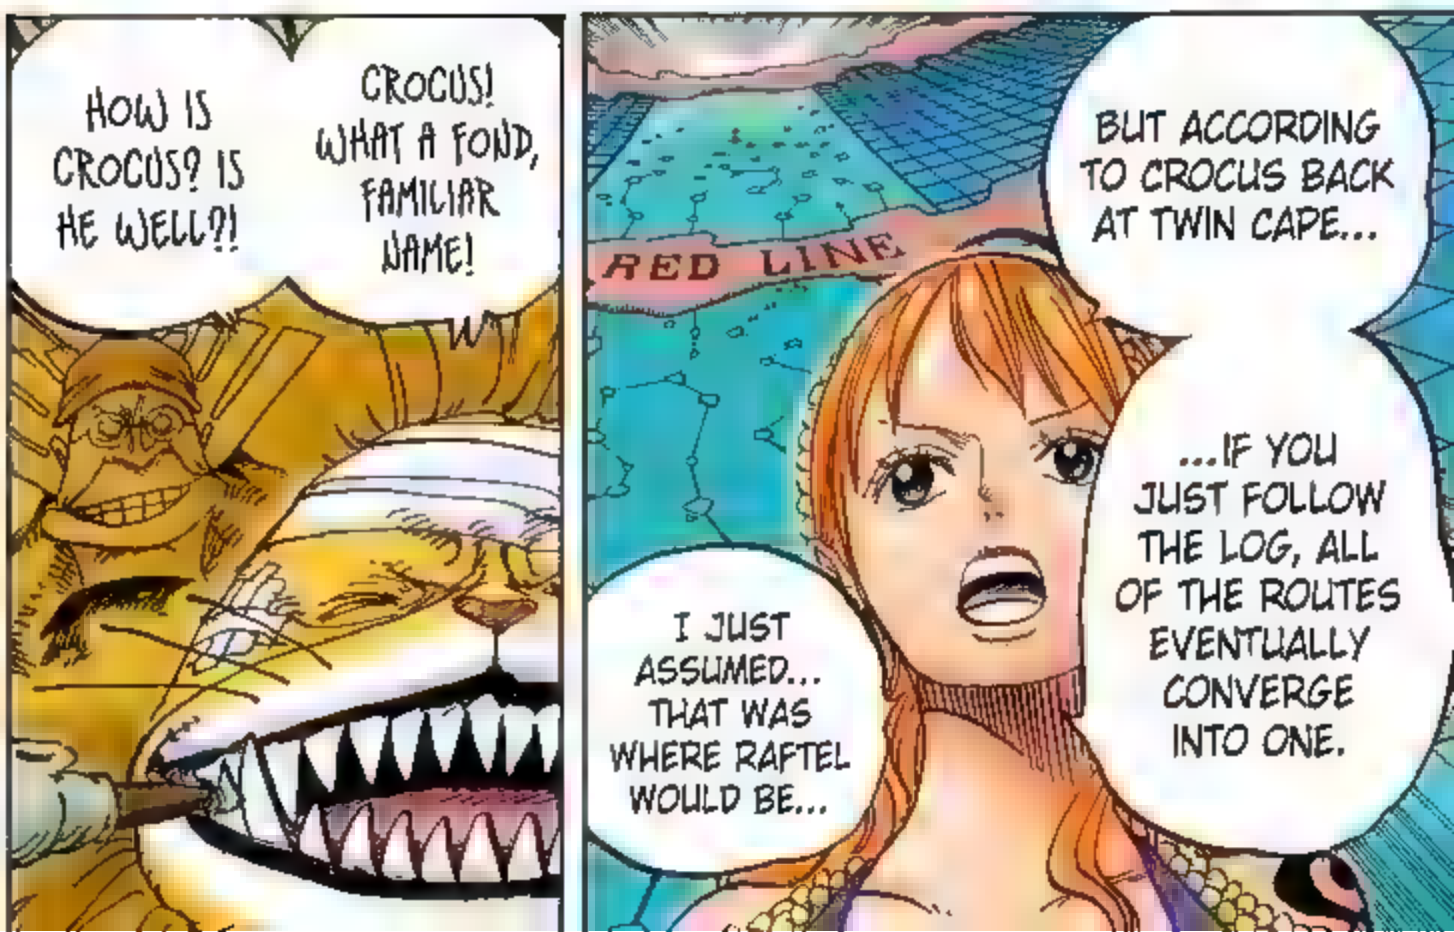

IN FACT, OUR JOB WAS TO ATTEMPT IN VAIN TO KEEP LORD ODEN FROM BOARDING THE SHIP OF A PIRATE!!
NO, WE WERE ALWAYS ON WANO!!
SO WERE KIN'EMON AND THE REST OF YOU ON WHITEBEARD'S BOAT TOO?!
FOR IN THE ISOLATIONIST LAND OF WANO...

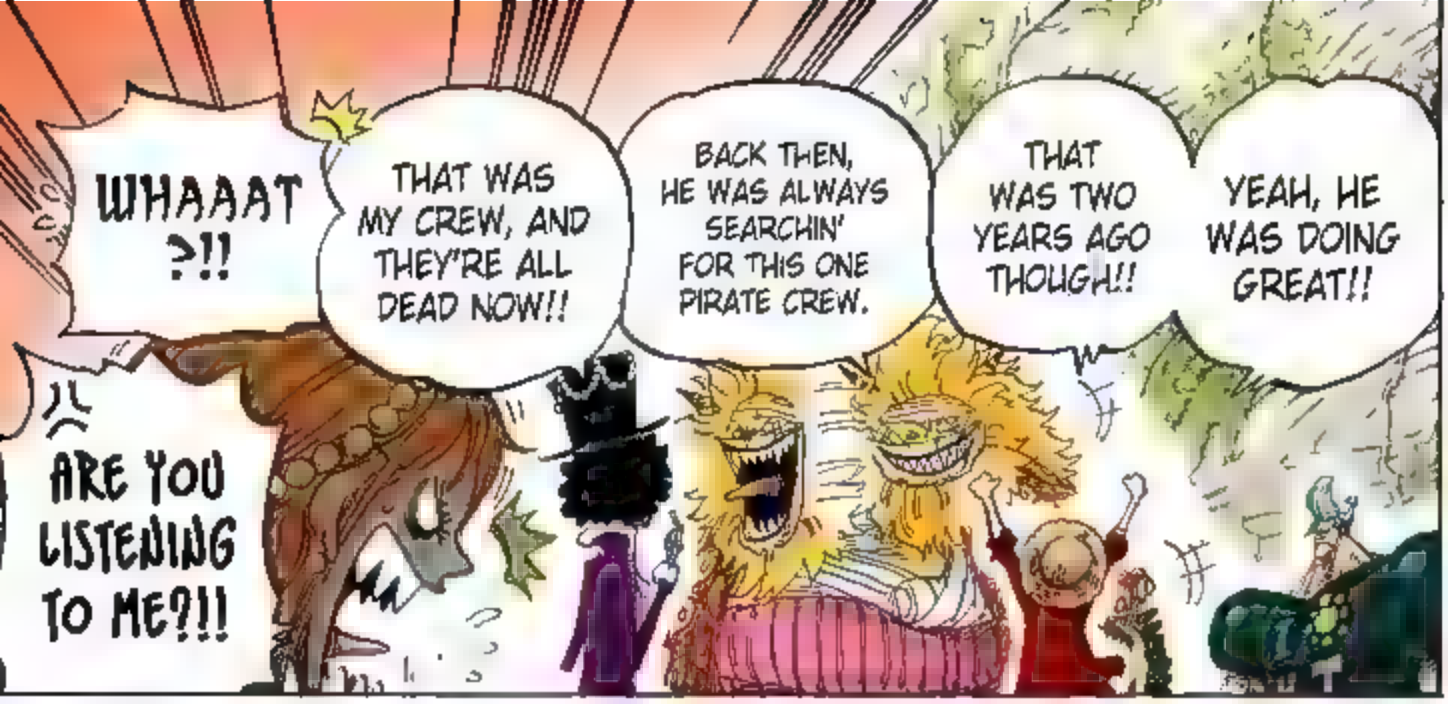

AND LORD ODEN WAS SOMEWHAT OF A MALCONTENT...
...WHO LONG EXPRESSED DOUBTS OVER THE LAWS THAT KEPT OUR NATION CLOSED!!!
...IT IS A CRIME EVEN TO SET SAIL!!!

THEY WERE HONORABLE MEN, NOT WICKED...YET IT WOULD BE A TREMENDOUS SCANDAL FOR A DAIMYO TO RIDE WITH PIRATES.
...
AS HIS SERVANTS, OUR DUTY WAS CLEAR.
WE HAD PERSONAL CONTACT WITH WHITEBEARD, ROGER AND THEIR CREWS WHEN THEY LANDED ON WANO.
IT WAS TOM'S FAMOUS ORO JACKSON!!!
IF YOU RODE ON ROGER'S SHIP...THEN THAT WAS FROM MY SHIPBUILDING MASTER!!
!!
WHAT?! AN APPRENTICE OF TOM THE SHIPWRIGHT ?!!
RAYLEIGH TOO?!
WELL, ANYWAYS, YOU ALL KNOW SHANKS!!
YES, OF COURSE.
I'M STARTING TO WORRY ABOUT THE PATH OF OUR TRAVELS.
HMM?
SORRY TO INTERRUPT, BUT I JUST WANT TO MAKE SURE OF SOMETHING!!
WAIT, BROOK!!
!
THEN YOU MUST ALSO KNOW THEIR DOCTOR, CRO--

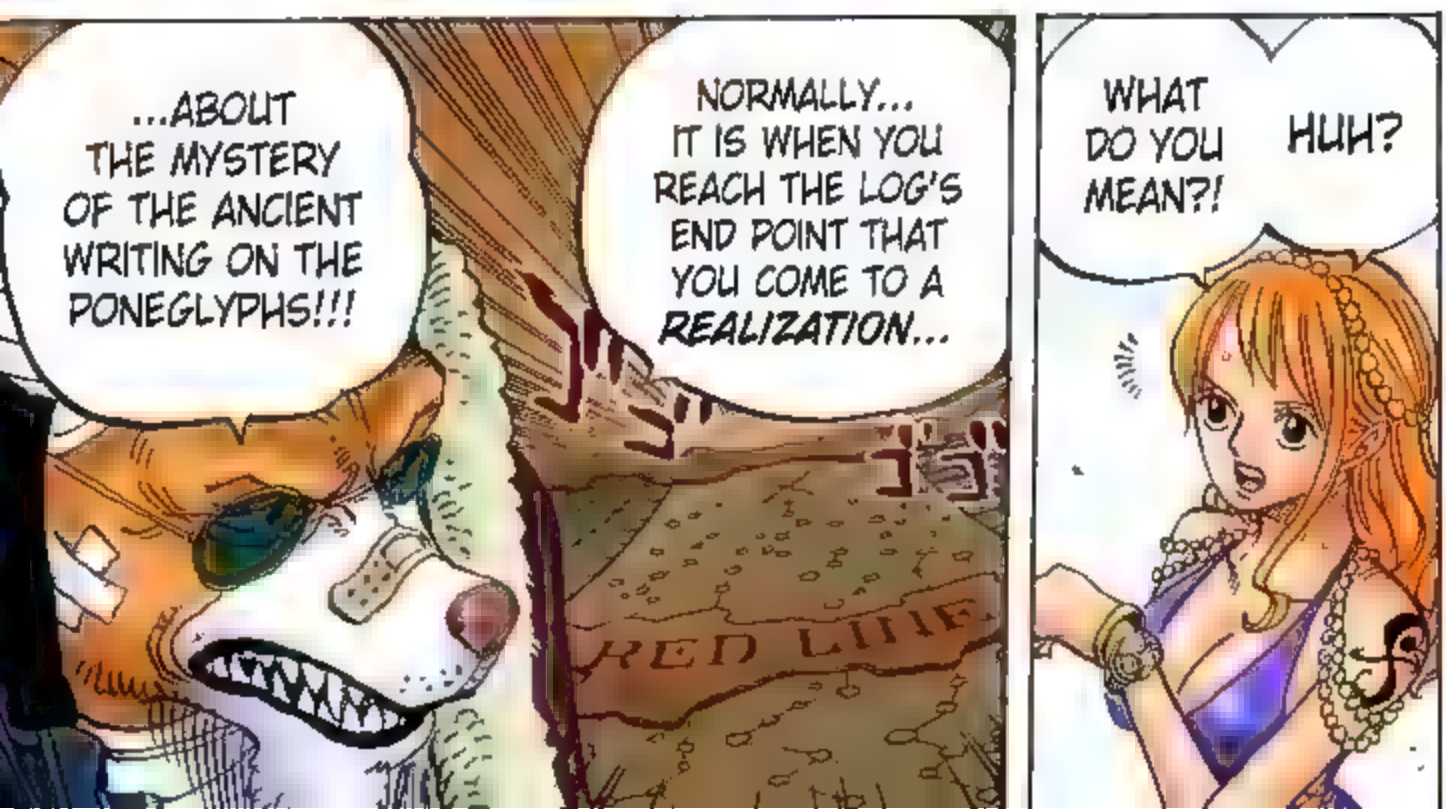

LOOK!
HERE'S OUR LOG POSE!!
BUT WE'RE NOT FOLLOWING IT NOW... ISN'T THAT A PROBLEM?

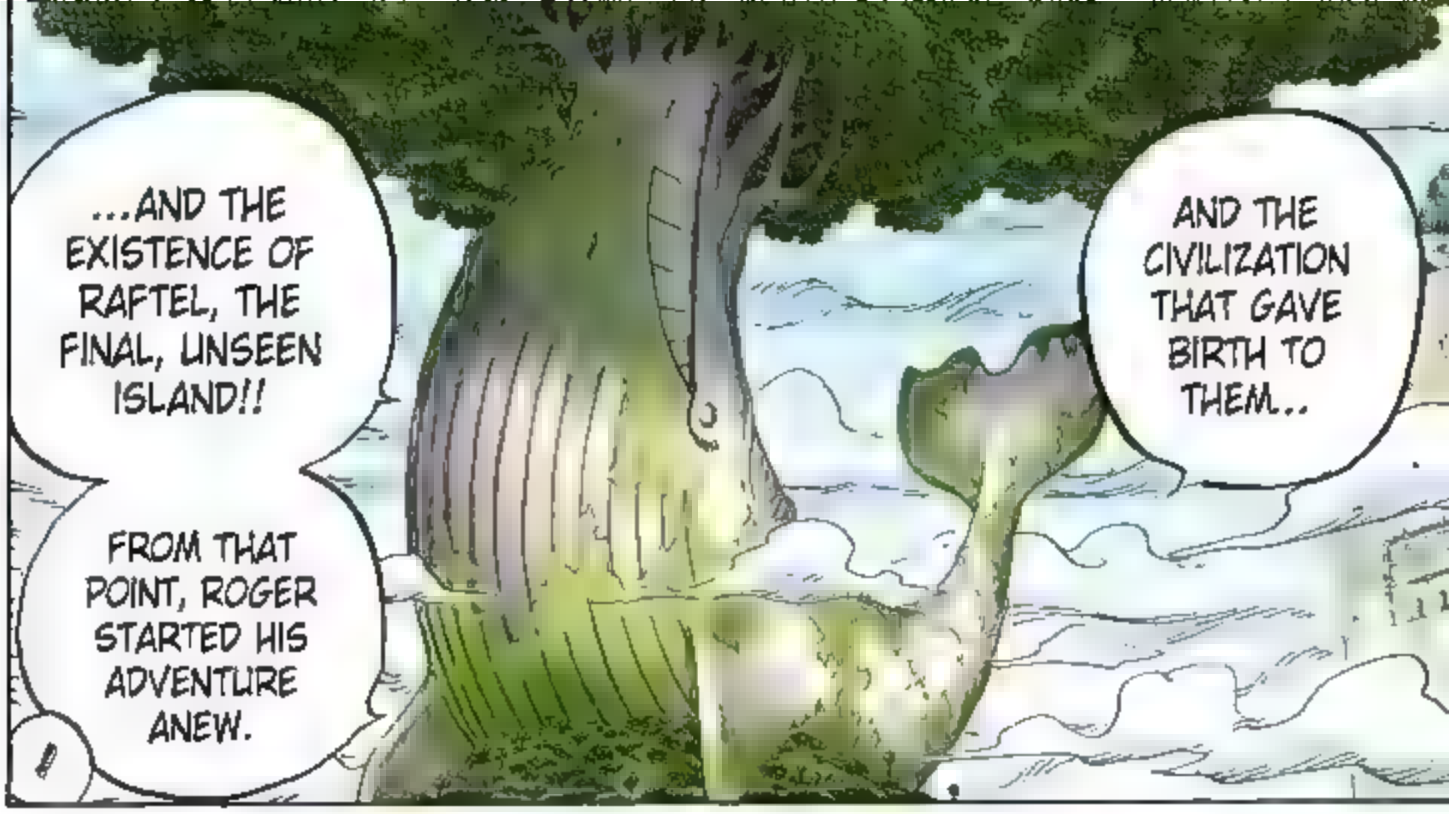

AFTER WE MET TRAFFY...
...WE CAME HERE TO ZOU BY COINCIDENCE-- THROUGH A VIVRE CARD!
AND ALSO BY COINCIDENCE, WE GAINED THIS INFORMATION...
...ABOUT THE ROAD PONEGLYPHS !!

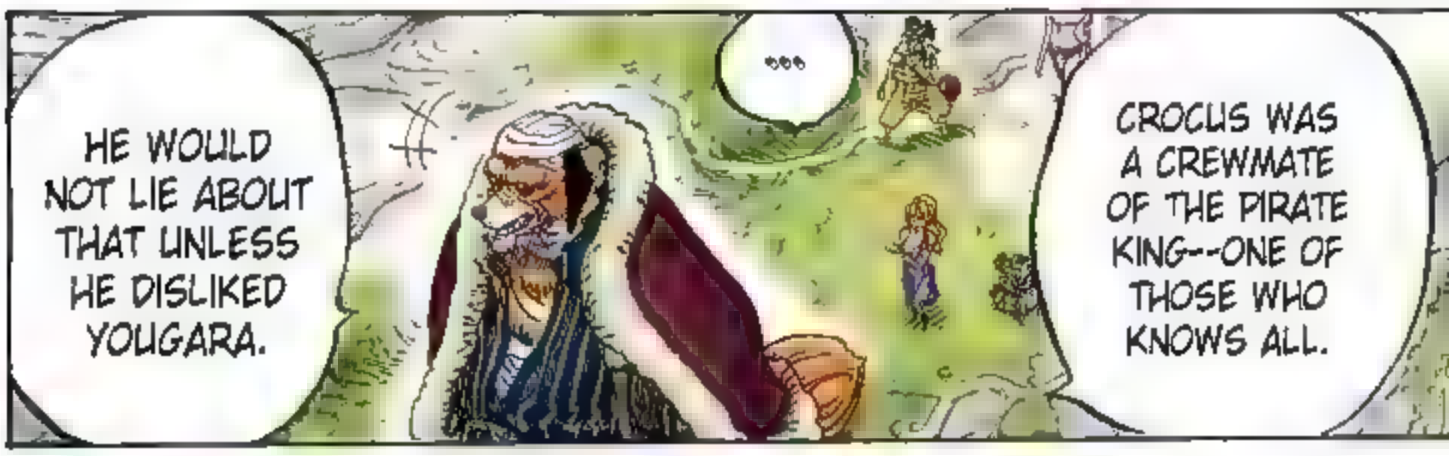

CROCUS! WHAT A FOND, FAMILIAR NAME!
HOW IS CROCUS? IS HE WELL?!
RED LINE
BUT ACCORDING TO CROCUS BACK AT TWIN CAPE...
...IF YOU JUST FOLLOW THE LOG, ALL OF THE ROUTES EVENTUALLY CONVERGE INTO ONE.
I JUST ASSUMED... THAT WAS WHERE RAFTEL WOULD BE...

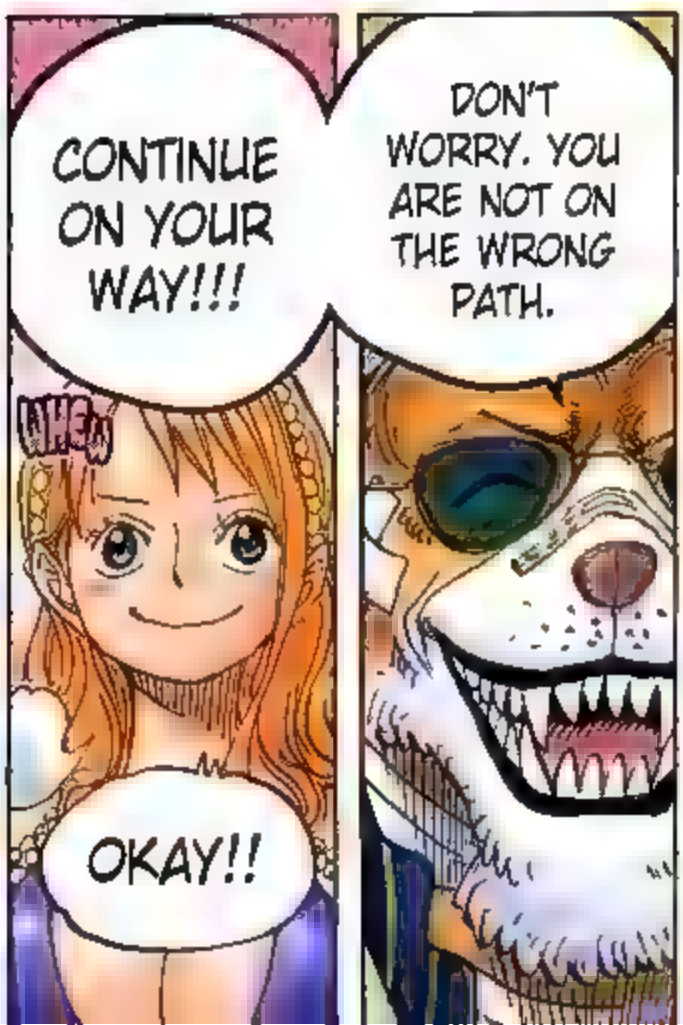

WHAAAT ?!!
THAT WAS MY CREW, AND THEY'RE ALL DEAD NOW!!
BACK THEN, HE WAS ALWAYS SEARCHIN' FOR THIS ONE PIRATE CREW.
THAT WAS TWO YEARS AGO THOUGH!!
YEAH, HE WAS DOING GREAT!!
ARE YOU LISTENING TO ME?!!

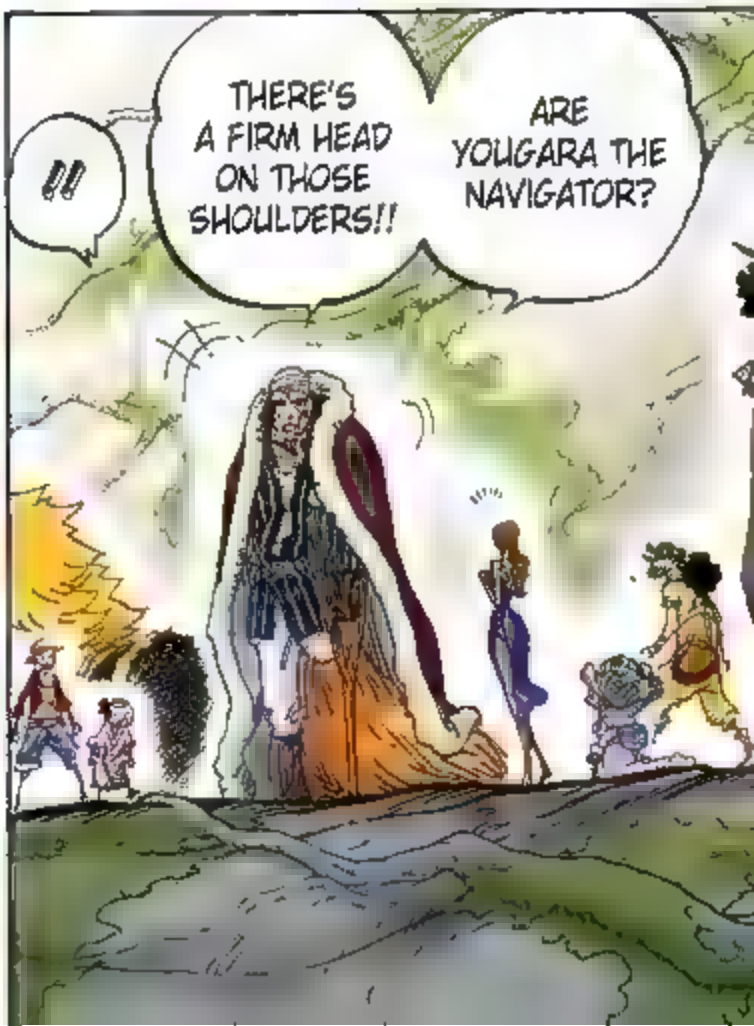

HOWEVER, ON YOURGARA TRAVELS...
YES, I UNDERSTAND YOUR POINT. IF YOU ARE CURIOUS TO SEE WHERE THE LOG LEADS YOU, YOU ARE FREE TO FOLLOW IT...
...YOU HAVE ALREADY BEGUN THE NEXT ADVENTURE.
THERE IS A POINT WHERE ALL THREE NEEDLES POINT YOU TO THE SAME LOCATION!!

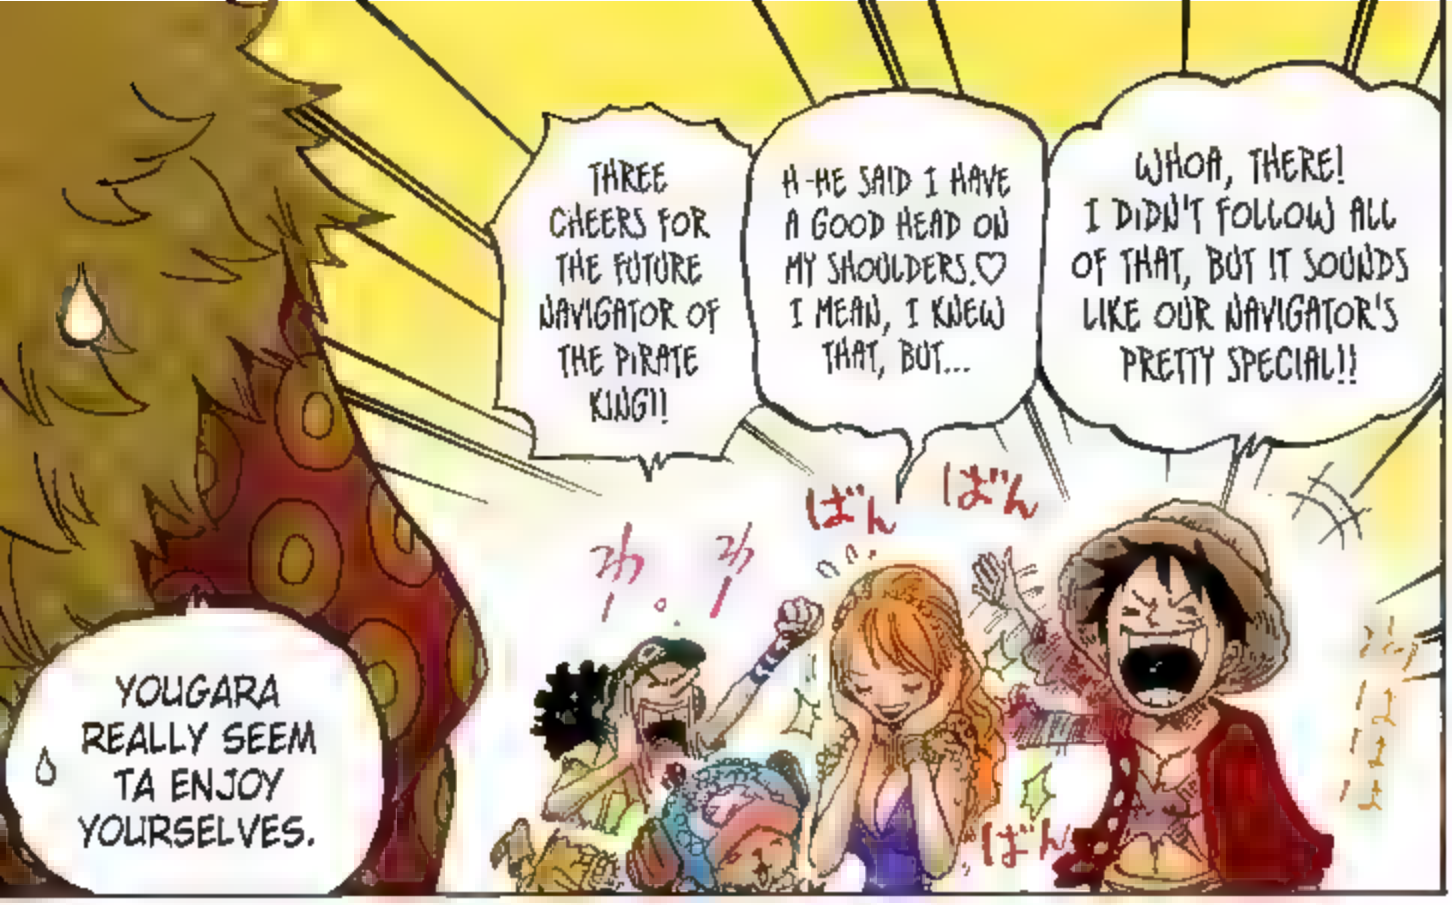

...ABOUT THE MYSTERY OF THE ANCIENT WRITING ON THE PONEGLYPHS!!!
NORMALLY... IT IS WHEN YOU REACH THE LOG'S END POINT THAT YOU COME TO A *REALIZATION*...
RED LINE
WHAT DO YOU MEAN?!
HUH?

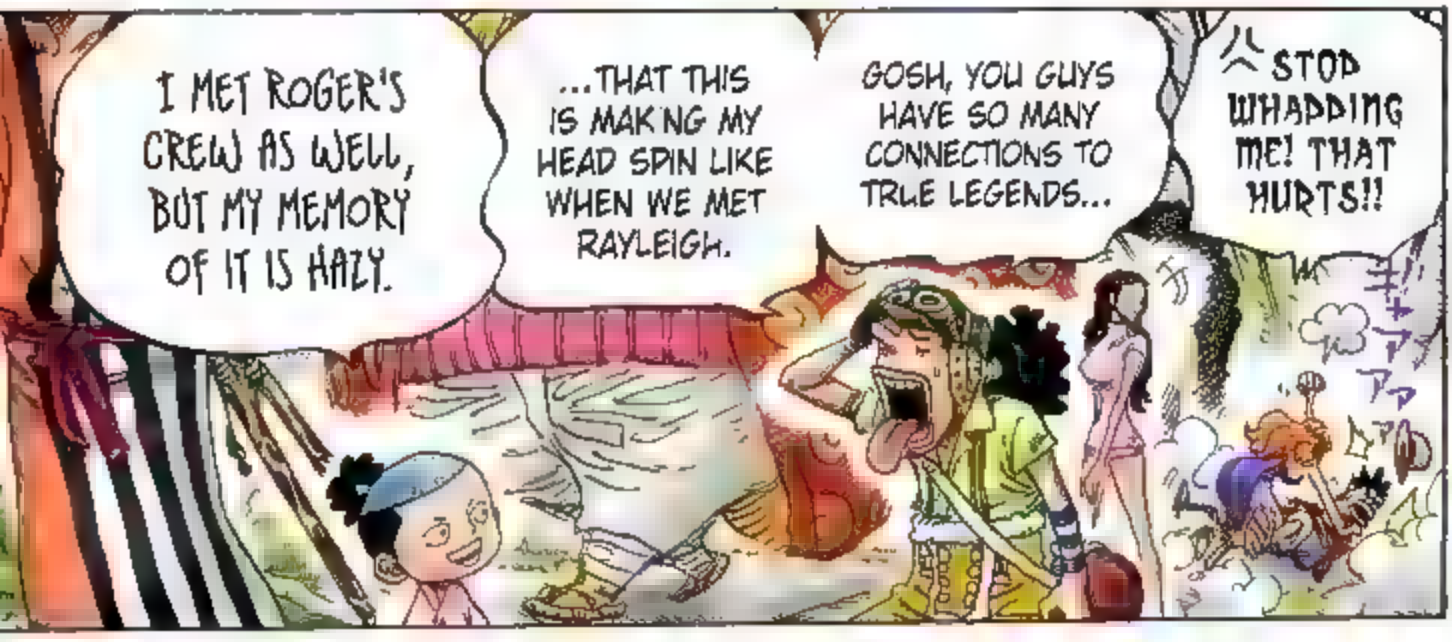

AND THE CIVILIZATION THAT GAVE BIRTH TO THEM..
...AND THE EXISTENCE OF RAFTEL, THE FINAL, UNSEEN ISLAND!!
FROM THAT POINT, ROGER STARTED HIS ADVENTURE ANEW.

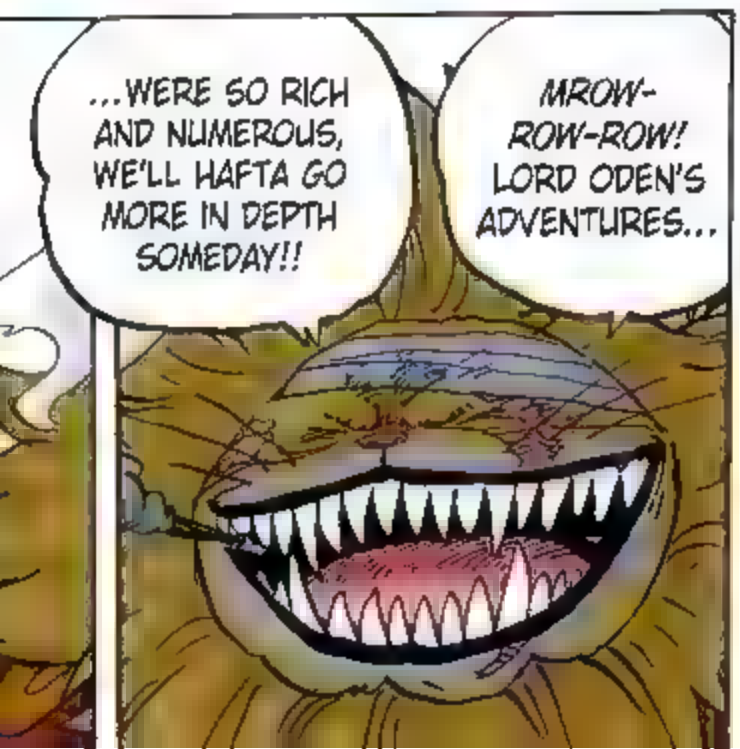

CROCUS WAS A CREWMATE OF THE PIRATE KING--ONE OF THOSE WHO KNOWS ALL.
...
HE WOULD NOT LIE ABOUT THAT UNLESS HE DISLIKED YOUGARA.

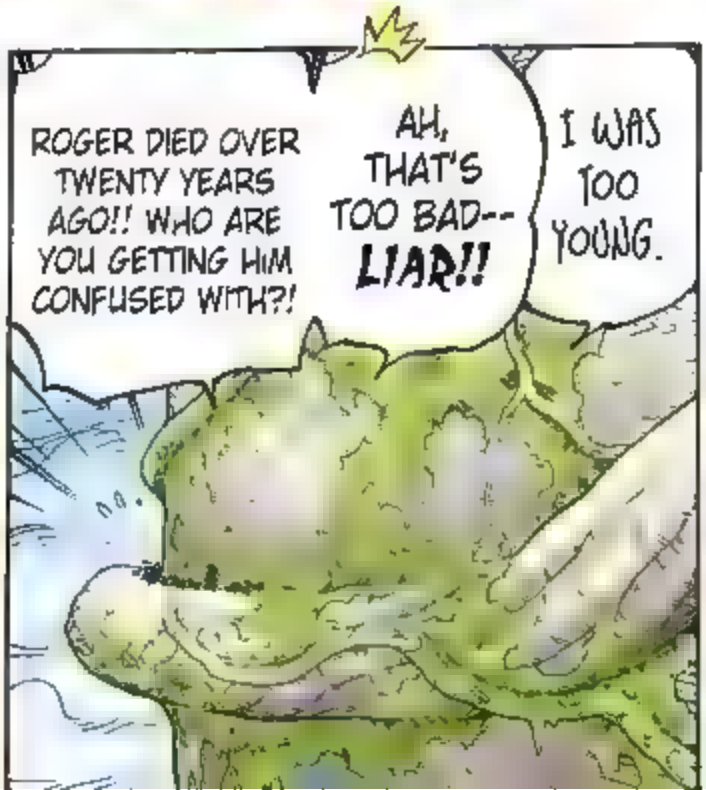

DON'T WORRY. YOU ARE NOT ON THE WRONG PATH.
CONTINUE ON YOUR WAY!!!
OKAY!!

ARE YOUGARA THE NAVIGATOR?
THERE'S A FIRM HEAD ON THOSE SHOULDERS!!
!!

THREE CHEERS FOR THE FUTURE NAVIGATOR OF THE PIRATE KING!!
H-HE SAID I HAVE A GOOD HEAD ON MY SHOULDERS.♡ I MEAN, I KNEW THAT, BUT...
WHOA, THERE! I DIDN'T FOLLOW ALL OF THAT, BUT IT SOUNDS LIKE OUR NAVIGATOR'S PRETTY SPECIAL!!
YOUGARA REALLY SEEM TA ENJOY YOURSELVES.
ばん

I MET ROGER'S CREW AS WELL, BUT MY MEMORY OF IT IS HAZY.
...THAT THIS IS MAK'NG MY HEAD SPIN LIKE WHEN WE MET RAYLEIGH.
GOSH, YOU GUYS HAVE SO MANY CONNECTIONS TO TRUE LEGENDS...
STOP WHAPPING ME! THAT HURTS!!

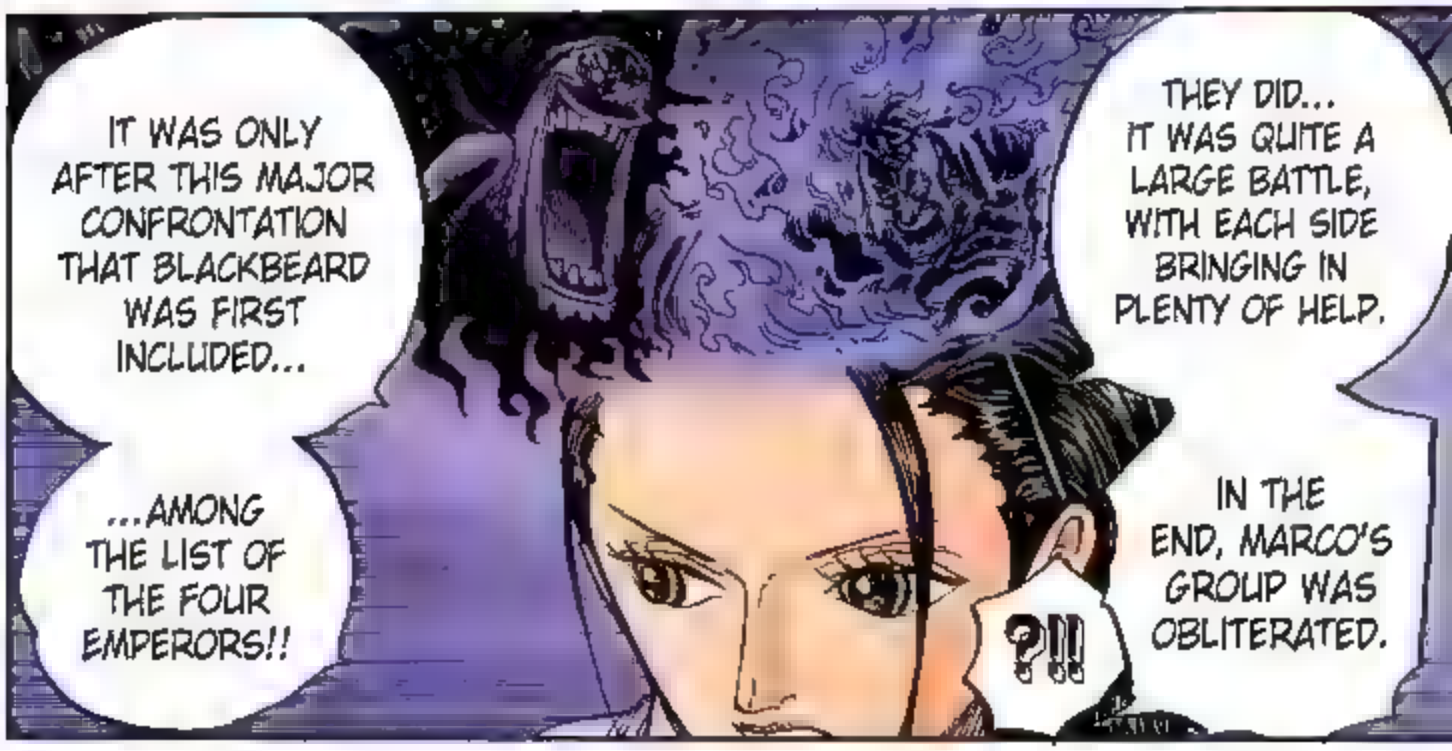

...WERE SO RICH AND NUMEROUS, WE'LL HAFTA GO MORE IN DEPTH SOMEDAY!!
MROW-ROW-ROW! LORD ODEN'S ADVENTURES...

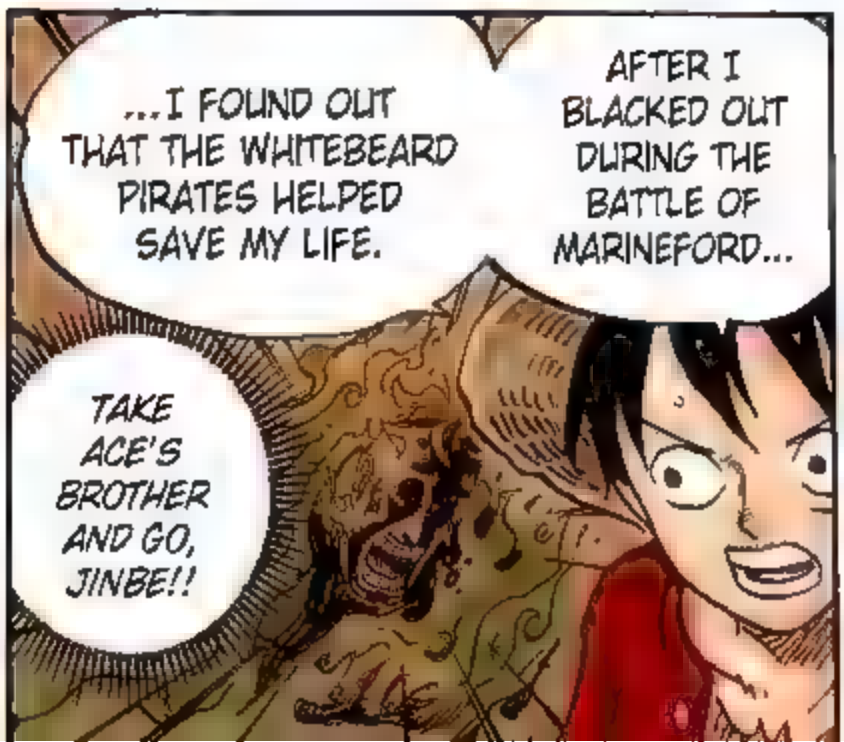

ROGER DIED OVER TWENTY YEARS AGO!! WHO ARE YOU GETTING HIM CONFUSED WITH?!
AH, THAT'S TOO BAD-- LIAR!!
I WAS TOO YOUNG.

WE MUST MAKE PREPARA-TIONS!!!
...BEFORE WE FIGHT KAIDO!!!
SO...THERE ARE MANY THINGS FOR US TO TAKE CARE OF...
AND BEFORE THEN, WE WANNA GET IN TOUCH WITH SOMEONE!
IT NEVER HURTS TO HAVE MORE POWER ON YER SIDE.
WHO'S THAT?
AS I EXPLAINED EARLIER, EVEN BACK IN WANO...
...WE ARE RECRUITING SAMURAI WHO WILL FIGHT FOR OUR CAUSE!!
MARCO THE PHOENIX !!!
?!!
THE FORMER COMMANDER OF THE WHITEBEARD PIRATES' FIRST DIVISION...

OH, RIGHT!! YOU GUYS ARE FRIENDS!! WILL THEY COME HELP US?!
NO, WAIT! THERE WAS THAT INCIDENT A YEAR BACK--
MARCO ?!!
ドヒ?!!
HIM!!!
THE ONE LIKE A PINE-APPLE.
YO!!
I'M PRETTY SURE I KNOW THAT GUY. MARCO, MARCO...
EVEN IF WE FIND HIM, THE LIKELIHOOD IS LOW.
DON'T GET YOUR HOPES UP.
...IN WHAT THE WORLD CALLS THE GRUDGE WAR!!
AFTER THAT, THE COMMANDER AND HIS FOLKS JUST UP AN' DISAPPEARED.
?!!
MARCO AND THE OTHER REMNANTS OF THE WHITEBEARD PIRATES...
...CLASHED WITH TEACH AND HIS BLACKBEARD PIRATES ONE YEAR AGO...

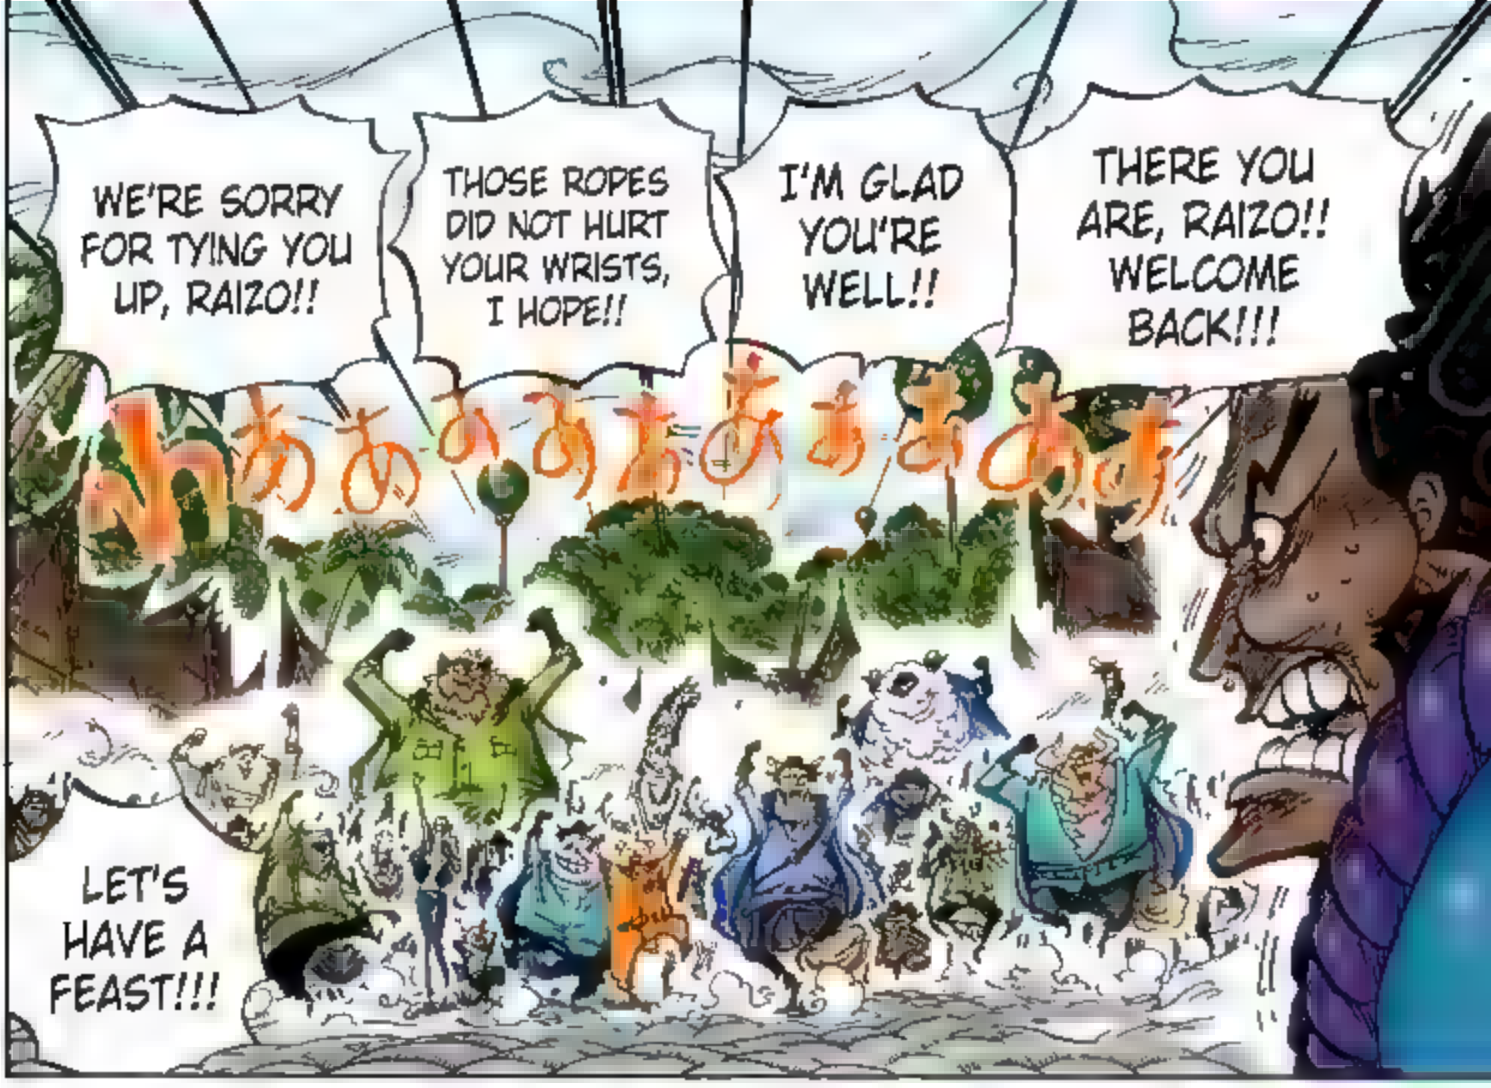

WHOA, WHOA, WHOA! THEY FOUGHT WITH BLACKBEARD?!
...THEN I GOT AN IDEA OF WHERE HE MIGHT BE NOW!!
BUT IF MARCO IS STILL ALIVE...

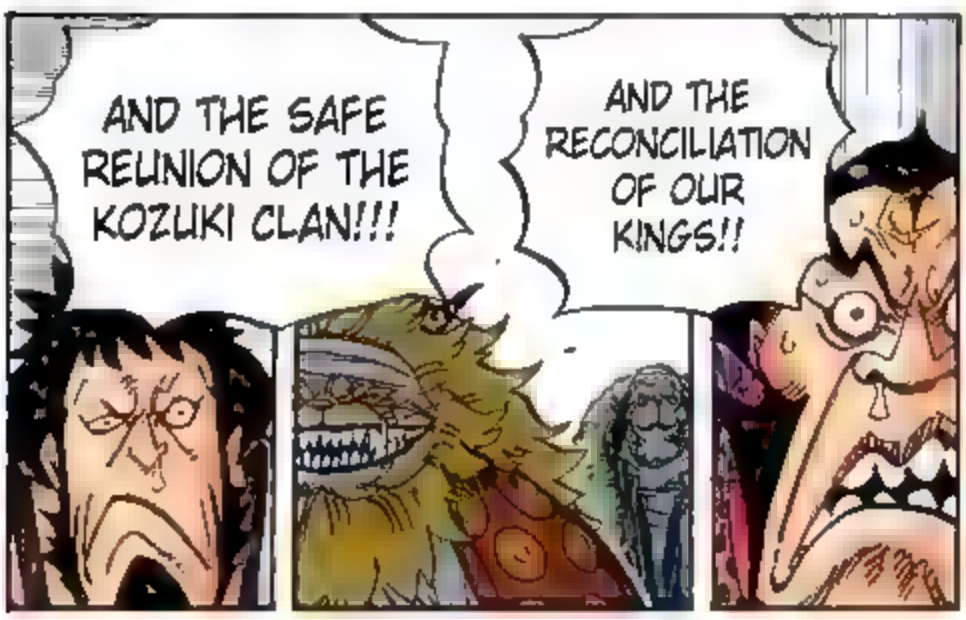

IT WAS ONLY AFTER THIS MAJOR CONFRONTATION THAT BLACKBEARD WAS FIRST INCLUDED...
...AMONG THE LIST OF THE FOUR EMPERORS!!
THEY DID... IT WAS QUITE A LARGE BATTLE, WITH EACH SIDE BRINGING IN PLENTY OF HELP.
IN THE END, MARCO'S GROUP WAS OBLITERATED.
?!!

...I FOUND OUT THAT THE WHITEBEARD PIRATES HELPED SAVE MY LIFE.
AFTER I BLACKED OUT DURING THE BATTLE OF MARINEFORD...
TAKE ACE'S BROTHER AND GO, JINBE!!

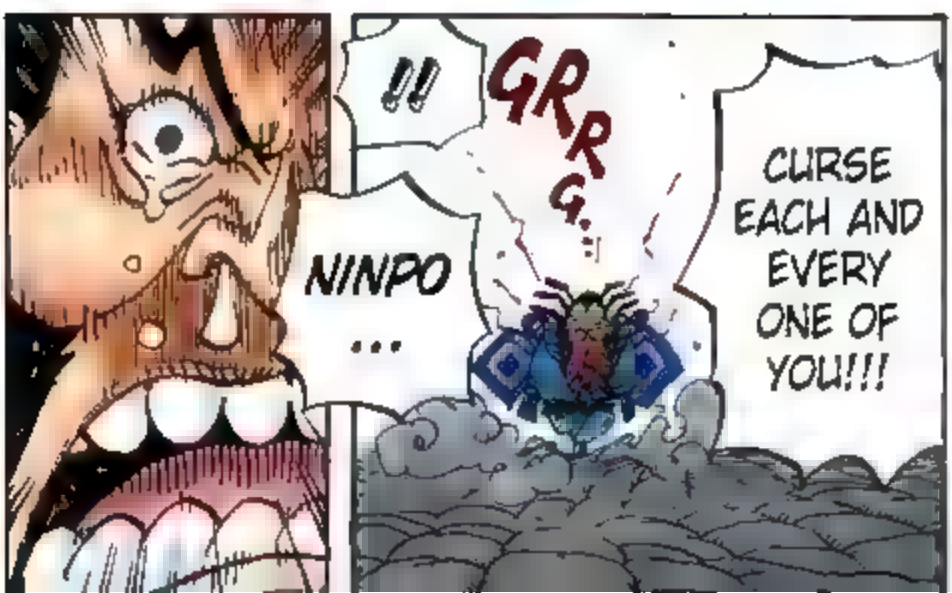

IT WAS A HUGE DEAL, MAN!
SO THAT'S THE STORY!! DAMN THAT BLACKBEARD !!!

OH, OKAY! I GET IT.
WELL, MY POINT IS THAT WE STILL NEED TIME TA MAKE OUR OWN PREPARATIONS.
WISH I COULD SEE HIM AGAIN AND TELL HIM THANKS!!
IS IT SAFE FOR YOU TO RETURN? ISN'T THE SHOGUN AFTER YOU?
WE WILL FIND MORE COMPATRIOTS IN WANO AND FINE-TUNE OUR PLANS!!
THEN LET'S AGREE ON A PLACE TO MEET UP AGAIN AFTER WE SPLIT!!
YES, BUT I AM WORRIED FOR MY COMPANIONS.
THERE THEY ARE!! IT'S RAIZO!!
?!!
ZZSH...
WE'LL MEET UP IN WANO--LET'S MAKE A VIVRE CARD FROM KIN'EMON.
I'LL TAKE SOME FIGHTERS AND GO LOOKIN' FOR MARCO.
AYE.
YOU'LL BE SAFE ON THE TRIP WITH OUR SUBMARINE... ALL YOU NEED IS A PLACE TO HIDE ON THE ISLAND.

Q: I have a question for you. I'm currently in a fight with my little sister over Perona's age. Please bring an end to the hostilities. And tell us her height too. Please.

--Cherrypop, Age 12, 6th Grade

A: Perona is currently 25 years old, and she's 5'3" tall. That means she was 23 when the Straw Hats fought her. Moria took her in when she was a child, so she looks up him like a father. She believes that Moria's alive somewhere today, after his disappearance in the Paramount War.

Q: Which is more powerful, King Punch or Happiness Punch?

--Captain Nobuo

A: Well, Happiness Punch knocked out Cobra, king of Alabasta, so I doubt Elizabello stands a chance against it.

Q: The other day, this funky dude came to my house, claiming to be the missionary of a something-or-other club. He was mighty suspicious, so I called the cops on him at once, but then I wondered…was that Gambia? If so, I feel kind of bad about that.

--The Chimney Lasts Until You Get Home

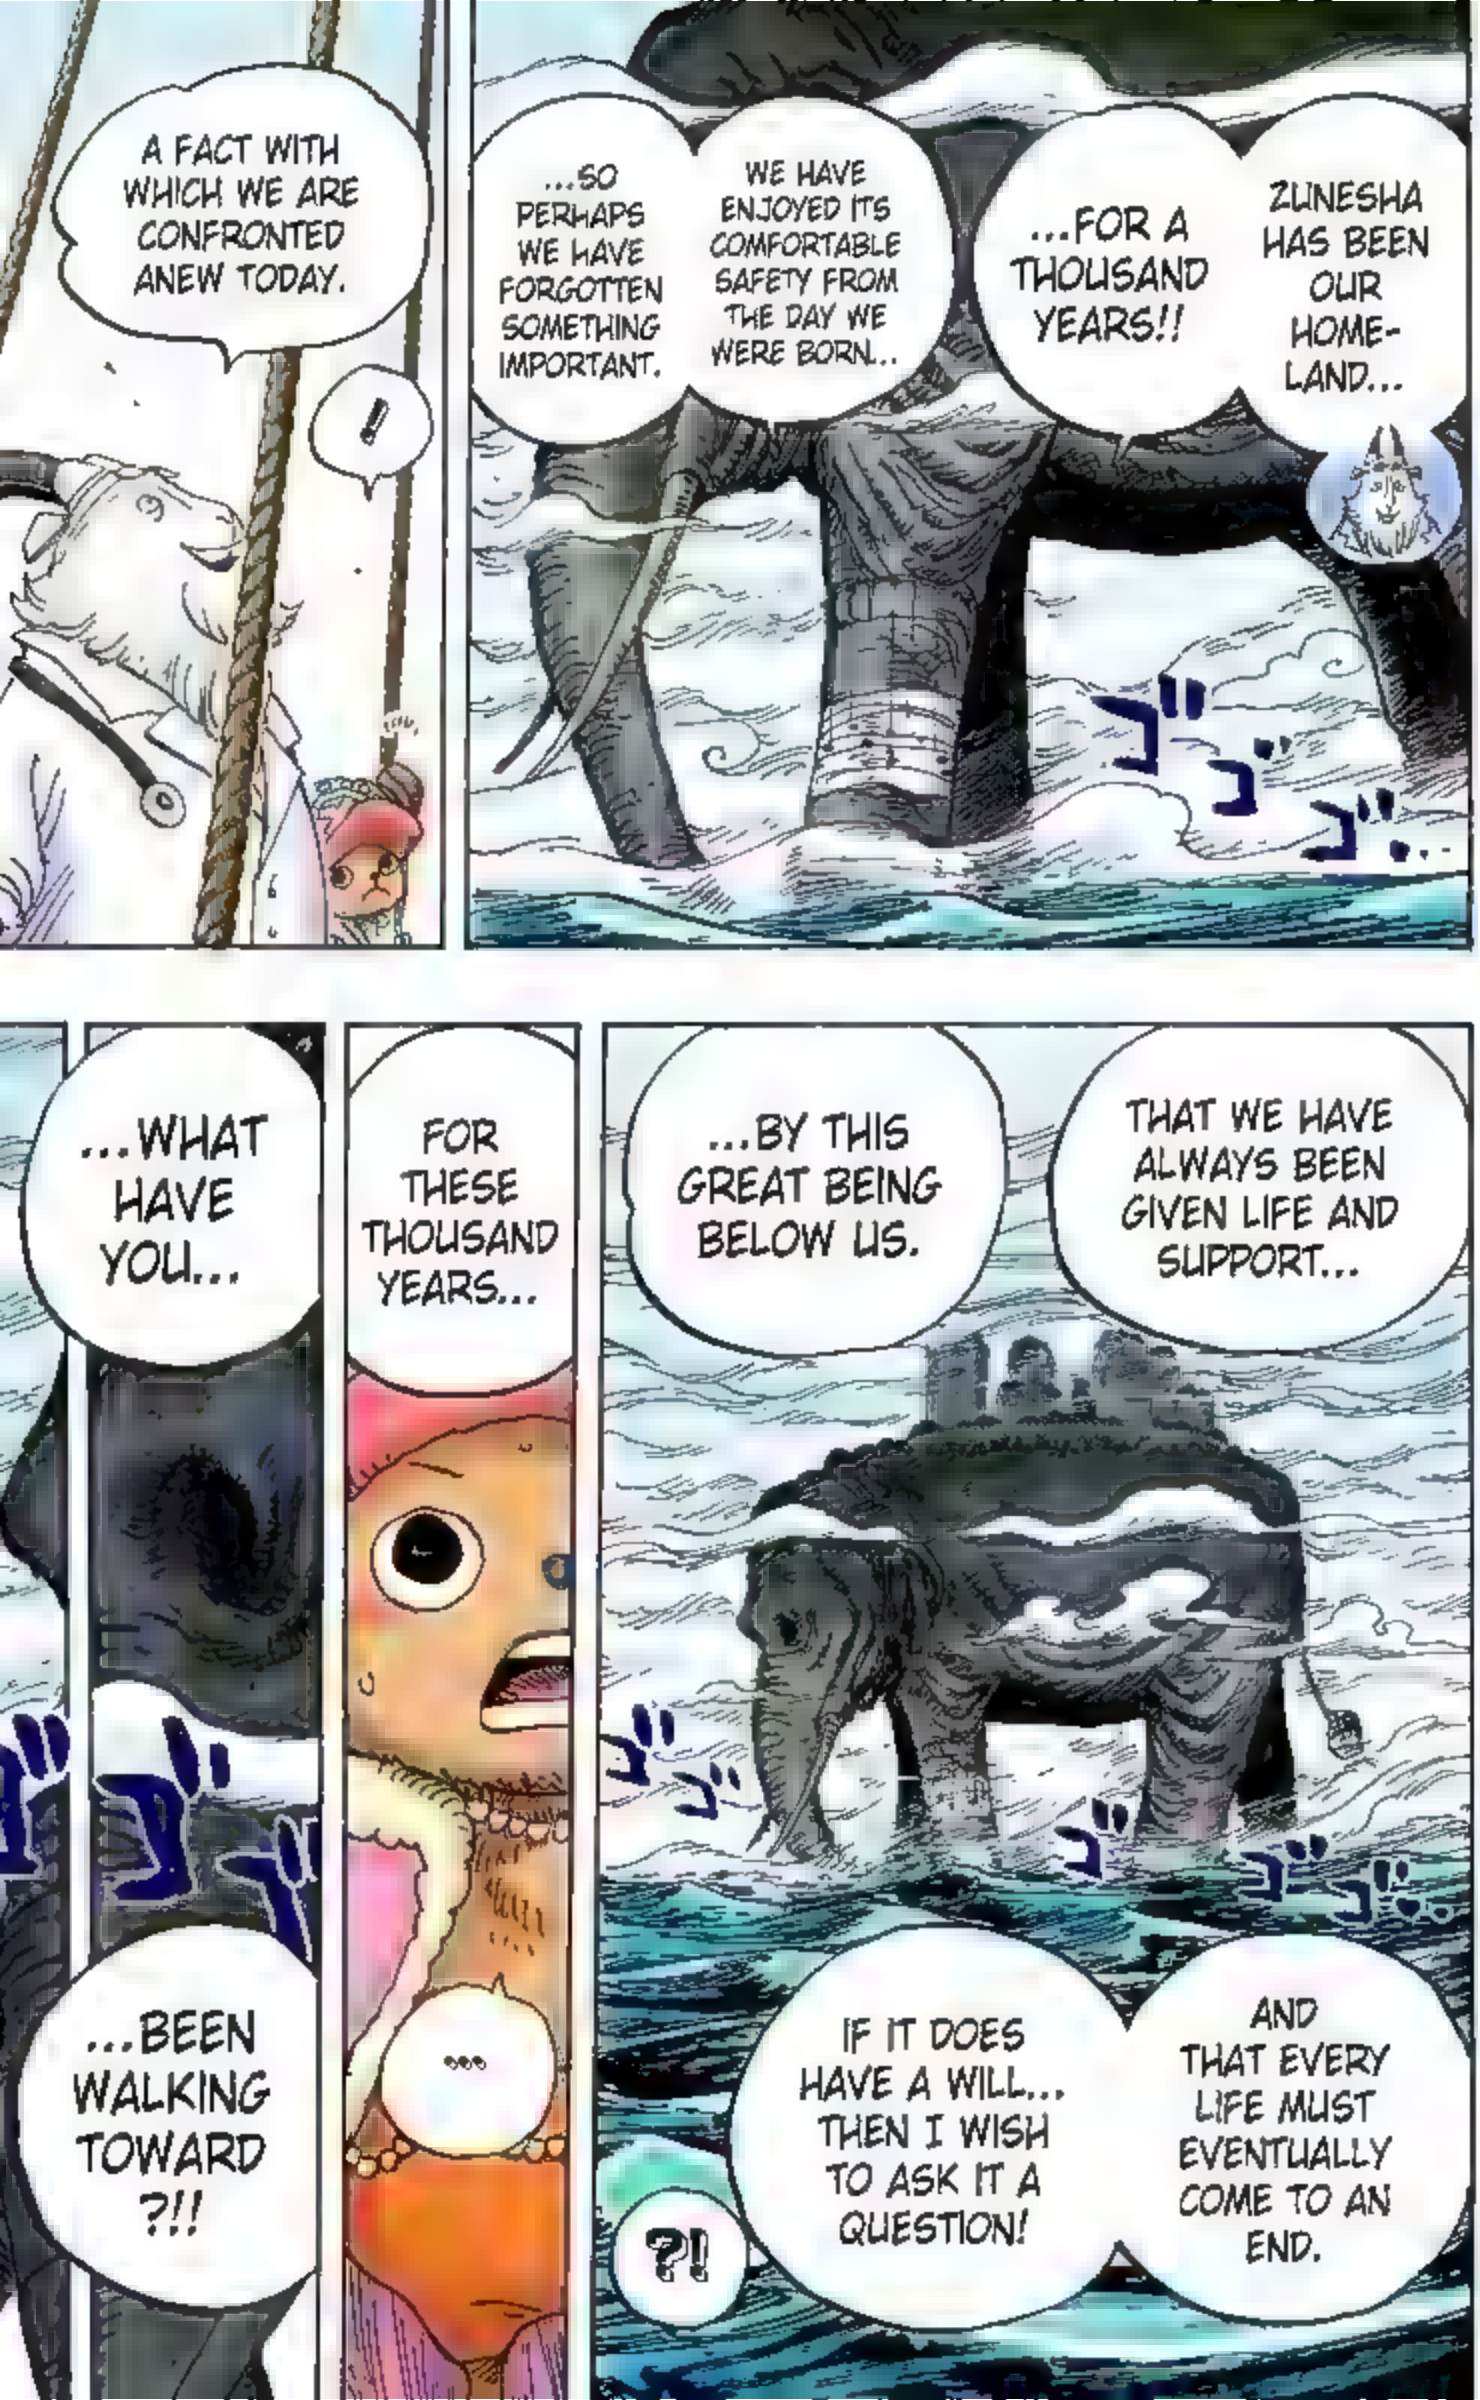

A: That was a close one, actually. Gambia from the Barto Club is a missionary for the religion of "Mister-Luffyanity." He was about to give you a sermon about the miracles created by Mister Luffy and his crew of pirate disciples.

SBS Question Corner

(Pekoms, Miyagi)

Q: Hello, Oda Sensei!! When the Straw Hats' bounty posters got updated, I was so excited! By the way...where and how did Nami's bounty picture get taken? It's so sexy… ha ha ha.

--Yutiko Loves Nami's Voice

A: It's the second time in a row she's been doing a centerfold pose. In both cases, the situation went like this:
"Hello, I'm a writer for Blah-Blah Weekly (this part is a lie)! Wow, you're gorgeous!! May I take your photograph to put on the cover of our magazine?"
"Well, if you insist. As long as you make me look good!♡"
"Click!!"

Q: Personally, everything about Nami in the New World is right up my alley. I'm all about enjoying my Nami love through anime, merchandise, figures, game DLC, and so on. As the author, do you think it's sleazy that this is one my main sources of enjoyment for the series?

--B.S.L.

A: I feel like Nami's gotten more popular lately. Maybe it's because she hasn't been around for a bit? Anyway, you're feeling guilty about thinking of the characters in a naughty manner, aren't you? (laughs) Well, I have no problems with this--for any of my characters. A teacher of mine said that your manga world is a product to be sold, and a real professional doesn't tell the customer who bought it how they should enjoy it. I agree with that philosophy. You may interpret, fantasize, and enjoy it however you wish. I'm just happy knowing that you're reading.

Q: Was Nami named for her dy*namic* breast size?

--Hiromu

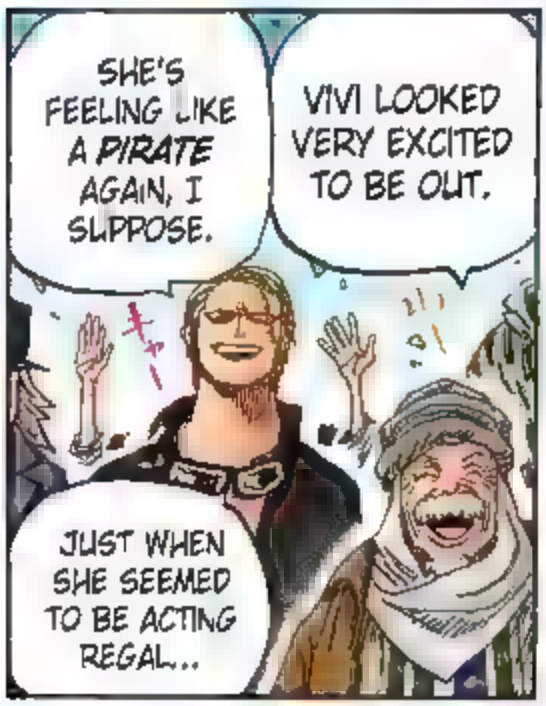

A: Umm, don't parents usually name their children when they're newborns?! ⚡

SBS Question Corner

(Hiramegu, Kagoshima)

Q: Hello, Oda Sensei. Doflamingo certainly grew to a very large size. What are his favorite and least favorite foods? Does he like apples? Does he hate green peppers?

--Donuts

A: Let me guess: you like apples and hate peppers? Doflamingo's favorite food is lobster. His least favorite is barbecue. Too bad, barbecue's really tasty and fun. I guess he has some bad memories about it. Go figure!

Q: I noticed that the reindeer mink Chopper fell in love with is also on a T-shirt worn by another mink. He's a rival!

--Takataka

A: Yup, there she is on the shirt. You'll notice it says "Milky." Milky is the madonna of the Guardians!! You're correct that she's a reindeer; that's the only species of deer in which the females grow horns too. It's a chance Chopper might never get again. Think he'll make a move on her?

Vol. 81, Chapter 807

Q: Odacchi, I ask thee: why doth Sabo grow out his hair? Select any and all that applyeth. 1. To copy Ace. 2. To show off his blond hair. 3. To look cool for Koala. 4. For fashion. (Personally, the third option wouldst make me happiest.)

--Sweat Ninja

A: The answer is: 5. To hide the large scar on his face. If you look closely, you'll notice that when facing him, the part is slightly to the left, leaving more hair to fall over the right side of his face. In his case, the scar isn't exactly a badge of honor.
